Its Line of Posterity From the Original Michael Brown to the Present Generation and Giving Something of the Times One
Hundred and Fifty Years Ago Together With Many Historic Facts of Local and National Interest This history may be
considered accidental or I of a spontaneous character On one occasion Rev N D Body and the writer were in conversation
relative to the Old Stone House The former suggested that the Browns should keep the house in their possession as a sacred
relic Out of this interview grew the idea of organizing a Michael Brown Family Association which later was effected having as
its main object the bringing together annually the descendants of Michael Brown and their friends in a social way caring for
the old family graveyard and if possible purchasing the Old Stone House which had by this time passed into the hands of
those outside of the Brown family It occurred to us that a history of the original Michael Braun Brown and his posterity would
prove of interest not only to the immediate Brown family but also to their many friends We set ourselves to the task but it
was soon discovered to our great sorrow that much of this family tree one of the oldest and largest in the State had been lost
because not taken up sooner Notwithstanding this great loss there is still an astonishing cluster of branches which have
sprung from the original trunk About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic
