Huschke,2008-01-01 On 24 June 1948 Lucius D Clay the Commanding General of the American Forces in Europe ordered that all disposable transport aircraft should be made available for flights to Berlin His order marked the beginning of the largest ever humanitarian supply campaign carried out entirely by air transport the Berlin Airlift Clay was well aware of the political significance of his decision The aim was to overcome the blockade mounted by the Soviet Union by supplying the western sectors of the city via air corridors The political and historical background of the Berlin Airlift have been well rese      *Whitaker's Books in Print* ,1998      **Die Rosinenbomber** Wolfgang J. cases with no extant navigational aids of the attacking force the best possible guess was made based upon all available evidence In other instances such as the bridge at Hay ti attacked so often by Tenth Air Force a logical guess could not be made In these cases a question mark is placed in brackets after the index entry Accent marks such as umlauts were omitted
