Public Record Office, 1865 *The Battle of Agincourt* Anne Curry, 2000 Agincourt Agincourt Know ye not Agincourt So began a ballad of around 1600 Since the event itself 25 October 1415 Agincourt has occupied a special place in both English and French consciousness Some early French

writers could not bring themselves to mention it by name using instead descriptions such as the accursed day For the English it was one of the greatest military successes ever and thus was celebrated and commemorated in many forms over the centuries which followed In the First World War there were stories of angelic Agincourt bowmen giving support and inspiration to the British army Much ink has been spilt on the battle but do we really know Agincourt Many historical works have relied on one or two well known sources or even on Shakespeare Not since Harris Nicolas s History of the Battle of Agincourt was published 1827 33 has there been a full attempt to survey the sources This book brings together in translation and with commentary English and French narrative accounts and literary works of the fifteenth century It also traces the treatment of the battle in sixteenth century English histories and in the literary output of amongst others Shakespeare and Drayton After examining how later historians interpreted the battle it concludes with the first full assessment of the extremely rich administrative records which survive for the armies which fought upon Saint Crispin s day
