**IM Harris**

## **Royal Mistresses:**

*Royal Mistresses* Charles Carlton, 2023-03-31 First published in 1990 *Royal Mistresses* provides an innovative way of looking at the development of British monarchy and at the same time investigates the relationship between sex and power Charles Carlton focuses not so much on the amorous activities of the mistresses of British monarchs as on their influences on those monarchs and on society at large Ranging from the early medieval period to the late 1990s he shows that a monarch's illicit sexual life sheds light on his character and reign It is no coincidence that Henry I Charles II and Edward VII who were successful with their mistresses were also successful in their reigns while the divorced John and the lovelorn Edward VIII failed Not surprisingly the affairs of the sovereign's heart have very often become the affairs of state This book will be of interest to students of history and literature

**Medieval Royal Mistresses** Julia A Hickey, 2022-12-02 Marriage for Medieval kings was about politics power and the provision of legitimate heirs Mistresses were about love lust and possession It was a world that included kidnap poison murder violation public shaming and accusations of witchcraft Ambition and quick wits as well as beauty were essential attributes for any royal mistress Infamy assassination and imprisonment awaited some royal mistresses who tumbled from favour while others disappeared into obscurity or respectable lives as married women and were quickly forgotten Meet Nest of Wales born in turbulent times whose abduction started a war Alice Perrers and Jane Shore labelled whores and wantons Katherine Swynford who turned the medieval world upside down with a royal happy ever after and Rosamund Clifford who left history and stepped into legend Discover how serial royal womanisers married off their discarded mistresses to bind their allies close Explore the semi official roles of some mistresses the illegitimate children who became kings secret marriage ceremonies Edith Forne Sigulfson and Lady Eleanor Talbot who sought atonement through religion as well as the aristocratic women who became the victims of royal lust Most of the shameful women who shared the beds of medieval kings were silenced besmirched or consigned to the footnotes of a patriarchal worldview but they negotiated paths between the private and public spheres of medieval court life changing history as they went

*Royal Mistresses of the House of Hanover-Windsor* Susanna de Vries, 2018-10-01 The genuine love match between Prince William and Kate Middleton has rekindled enthusiasm for the British monarchy In the past young princes reluctantly entered into arranged marriages and took mistresses Perdita Robinson a famous actress was enticed from the stage with promises of money to live with the fickle Prince of Wales who turned her and her child onto the street Perdita fought back won a financial settlement and became a pioneer of women's writing Edward VII's most fascinating mistresses were aristocrats wives like the multi talented unconventional Lady Jennie Churchill mother of Winston and the headstrong heiress Daisy Countess of Warwick mother of one of Edward's love children Beautiful Alice Keppel became the love of Edward's life and was the great grandmother of Camilla Duchess of Cornwall yet another royal mistress Edward's grandson Edward VIII suffered an attack of mumps that left him physically and mentally immature He implored Mrs Freda Dudley Ward to elope but she refused Another

mistress Lady Thelma Furness star of Hollywood's silent screen introduced Edward to the domineering Wallis Simpson who insisted the impotent king seek psychiatric help In order that Wallis could look like a queen the Duke of Windsor lavished her with jewels and forgave her infidelities in this most intriguing of all royal stories The Lives and Amours of Queens and Royal Mistresses, 1726 The Creation of the French Royal Mistress Tracy Adams, Christine Adams, 2020-03-24 Kings throughout medieval and early modern Europe had extraconjugal sexual partners Only in France however did the royal mistress become a quasi institutionalized political position This study explores the emergence and development of the position of French royal mistress through detailed portraits of nine of its most significant incumbents Agnès Sorel Anne de Pisseleu d'Heilly Diane de Poitiers Gabrielle d'Estres Françoise Louise de La Baume Le Blanc Françoise Athanasie de Rochechouart de Mortemart Françoise d'Aubign Jeanne Antoinette Poisson and Jeanne Bécu Beginning in the fifteenth century key structures converged to create a space at court for the royal mistress The first was an idea of gender already in place that while women were legally inferior to men they were men's equals in competence Because of their legal subordination queens were considered to be the safest regents for their husbands and subsequently the royal mistress was the surest counterpoint to the royal favorite Second the Renaissance was a period during which people began to experience space as theatrical This shift to a theatrical world opened up new ways of imagining political guile which came to be positively associated with the royal mistress Still the role had to be activated by an intelligent charismatic woman associated with a king who sought women as advisors The fascinating particulars of each case are covered in the chapters of this book Thoroughly researched and compellingly narrated this important study explains why the tradition of a politically powerful royal mistress materialized at the French court but nowhere else in Europe It will appeal to anyone interested in the history of the French monarchy women and royalty and gender studies **Royal Mistress** Anne Easter Smith, 2013-05-07 From the author of *A Rose for the Crown* and *Daughter of York* comes another engrossing historical novel of the York family in the Wars of the Roses telling the fascinating story of the rise and fall of the final and favorite mistress of Edward IV Jane Lambert the quick witted and alluring daughter of a silk merchant is twenty two and still unmarried When Jane's father finally finds her a match she's married off to the dull older silk merchant William Shore Marriage doesn't stop Jane from flirtation however and when the king's chamberlain Will Hastings comes to her husband's shop Will knows King Edward will find her irresistible Edward IV has everything power majestic bearing superior military leadership a sensual nature and charisma And with Jane as his mistress he also finds true happiness But when his hedonistic tendencies get in the way of being the strong leader England needs his life as well as those of Jane and Will Hastings hangs in the balance Jane must rely on her talents to survive as the new monarch Richard III bent on reforming his brother's licentious court ascends the throne This dramatic tale has been an inspiration to poets and playwrights for five hundred years and as told through the unique perspective of a woman plucked from obscurity and thrust into a life of notoriety *Royal Mistress* is sure to enthrall today's historical fiction

lovers as well      **The Perfect Royal Mistress** Diane Haeger, 2007-02-27 Born into poverty and raised in a brothel Nell Gwynne sells oranges in the pit at London's King's Theater newly reopened after the plague and the Great Fire devastated the city. Soon her quick sense of humor and natural charm get her noticed by those who have the means to make her life easier. But the street smart Nell knows a woman doesn't get ahead by selling her body. Through talent, charm, intelligence, and sheer determination, as well as a keen understanding of how the world operates, Nell works her way out of the pit and onto the stage to become the leading comedic actress of the day. Her skills and beauty quickly win the attention of all of London, eventually even catching the eye of King Charles II. Their attraction is as real as it is unlikely, and the scrappy orange girl with the pretty face and the quick wit soon finds herself plunged into the confusing and dangerous world of the court where she learns there are few she can trust and many whom she cannot turn her back on. From the gritty streets of seventeenth-century London to the backstage glamour of its theaters to the glittering court of Charles II, *The Perfect Royal Mistress* is a love story for the ages, the rags to riches tale of a truly remarkable heroine.

**Royal Lovers and Mistresses** Angelo S. Rappoport, 1911      *The Creation of the French Royal Mistress* Tracy Adams, Christine Adams, 2020 Explores the sociogenesis and development of the French royal mistress, examining the careers of nine of the most significant holders of that title between 1444 and the final years of the ancien régime.

*The Royal Bastards of Medieval England* Chris Given-Wilson, Alice Curteis, 2023-11-06 First published in 1984, *The Royal Bastards of Medieval England* establishes a list of royal bastards in medieval England and discusses their roles in the history of the period. The authors describe how gradually the church began to formulate more definite views on sexual and marital customs, with a consequent decline in the status of illegitimate children. By the early sixteenth century, however, royal bastards were once again making their way into the peerage. The book charts the lives of these men and women against the background, not only of contemporary political developments but also of changing ideas about morality and family. This book will be of interest to students of history, religion, and literature.

**Sex with Kings** Eleanor Herman, 2004-06-29 Herman shares the scandalous truth about the illicit relationships of some of history's most powerful men and the women who slept with them to get to the top.

*The Little Schools of Port-Royal* Howard Clive Barnard, 1913

**Scarlet Women** Ian Graham, 2016-01-26 In 1965 an impoverished elderly woman was found dead in Nice, France. Her death marked the end of an era; she was the last of the great courtesans. Known as La Belle Otero, she was a volcanic Spanish beauty whose patrons included Kaiser Wilhelm II, the Prince of Wales (later King Edward VII), and Grand Duke Nicholas of Russia. She accumulated an enormous fortune but gambled it all away. *Scarlet Women* tells her story and many more, including Marie Duplessis, who inspired characters by both Dumas and Verdi, Clara Ward, a rare American courtesan who hunted for a European aristocrat but, having married a Belgian prince, ran away with a gypsy violinist, Ninon de L'Enclos, who was offered 50,000 crowns by Cardinal Richelieu for one night. Money left in her will paid for Voltaire's education. Courtesans were an elite group of talented professional mistresses. The most successful became wealthy and famous in their

own right While they led charmed lives they occupied a curious position they enjoyed freedom and political power unknown to most women but they were ostracised by polite society From the hetaerae of ancient Greece to the cortigiani onesti of 16th century Venice the oiran of Edo period Japan to the demimondaines of 19th century France this captivating book perfect for readers of A Treasury of Royal Scandals uncovers the rich colorful lives of these women who dared to pursue fortunes outside their societies norms **Woman: in All Ages and in All Countries: Women of modern France, by H.P. Thieme ,1907**

Woman: in All Ages and in All Countries ...: Greek women, by M. Carroll ,1907 *Women of Modern France* Hugo Paul Thieme,1907 **Royal Mistresses and Bastards** Anthony J. Camp,2007-01-01 The Royal Princesses of England Mrs. Matthew Hall,1871 *Twelve Royal Ladies* Sidney Dark,1929 *Royal Palaces and Parks of France* Francis Miltoun,1910
