 highlighted by articles maps charts and illustrations all in one volume Clear and Comprehensive Annotations by leading
 evangelical scholars don t dodge tough issues alternative views are presented fairly but commentators make their positions
 clear Attractively Designed Graphics appeal to the sound bite generation and others who aren t traditional commentary
 readers Interesting and Revealing Hundreds of feature articles that provide additional information or new perspectives on a
 topic related to Bible background Visually Appealing Maps drawings and photos illuminate the commentary and visualize
 important information **A Difficult Passage** Glenn A. Lafferty, 2013-05 There s nothing good about a divorce It is one of
 the most painful experiences a person can endure What s worse is that if one is a Christian and divorced what he or she often
 finds is that the institution meant to heal the brokenhearted the church often sounds more like an adversary rather than an
 advocate Too often they are intentionally re classified as second class Christians Why is this so Should this be so A Difficult
 Passage is a call to rethink in Biblical and compassionate terms the traditional conservative views of divorce and remarriage
 Readers will navigate their way through difficult questions such as What was God s original intent when He designed
 marriage What role did history and culture play in shaping modern opinion and doctrine Once a person is married can they
 ever be considered unmarried in the eyes of God Did God make provision for divorce as a corrective measure to insure justice
 for the innocent Once divorced can a person ever remarry Does remarriage constitute perpetual sin From where did the
 modern church get its marital views A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J.

Alter,2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease
