Royal Journeys in Early Modern Europe Anthony Musson,J. P. D. Cooper,2022-11-22 Authored by a unique combination of university academics and heritage professionals this book offers new perspectives on journeys made by Henry VIII and other monarchs their political and social impact and the logistics required in undertaking such trips It explores the performance of kingship and queenship by itinerant monarchs investigating how by a variety of means they engaged and interacted with their subjects and the practical and symbolic functions associated with these activities Moving beyond the purely English experience it provides a European dimension by comparing progresses in England and France Royal marriage and the royal progress share common features which are considered through an analysis of the trans European journeys made by future spouses notably Anne of Cleves Also the book reveals the significance of the art and architecture of houses and palaces and how the celebrated meeting of English and French kings at the Field of Cloth of Gold in 1520 was part of a wider diplomatic performance full of symbolism including the exchange of gifts and socialising between the two royal courts Drawing on contemporary art material culture and surviving buildings the book will be of interest to all who enjoy the intrigue and splendour of sixteenth century courts **Weekly Record** ,1975 **The Dao of Being Jewish and Other Stories** Irene

Shaland,2023-01-16 This book is a collection of Jewish survival stories and fascinating tales This is not a conventional travel guide this book will shine a light on the history of 10 Jewish communities in Europe Asia and Africa Together with the author you will visit incredible places and meet the Jews of today GTA Books Two and a half millennia ago a small party of Jews explored new trading routes for King Solomon settled in the south of India and lived there peacefully until today Similarly

during the ancient Roman period many Jewish merchants traveled to China over the Silk Route and some made it their permanent home Also before the Edict of Expulsion in 1492 Sicily was home to over 50 Jewish communities possibly numbering 50 000 people So how did the Diaspora bring these wandering Jews to so many places around the globe And why did Jews live happily in India and China for centuries and not experience antisemitism while the story of the Jews in Europe went from persecution and massacres to unspeakable horrors of the Holocaust Finally why do we see the rise of antisemitism and violence again in the 21st century You will find answers to these questions and much more in the current edition of Irene Shaland s artfully illustrated book *The Dao of Being Jewish and Other Stories* She collected these fascinating stories while visiting ten countries in Europe Asia and Africa and interviewing the locals in their homes synagogues and even cemeteries Now Irene Shaland s book replete with her husband s photos takes you on your own exciting journey of discovery from Austria and the Czech Republic to Scandinavia from India and China to Sicily and Sardinia and from East Africa to Stalinist Russia *Bookseller and the Stationery Trades' Journal* ,1975 *Books in Print* ,1979 **The British National**
