**Royal Children, 1840-1980** Celia Clear,1981 From Queen Victoria to Queen Elizabeth II Royal Children Celia Clear,1981 **Young Elizabeth** Kate Williams,2015-11-15 We can hardly imagine a Britain without Elizabeth II on the throne It seems to be the job she was born for And yet for much of her early life the young princess did not know the role that her future would hold She was our accidental Queen Elizabeth s determination to share in the struggles of her people marked her out from a young age Her father initially refused to let her volunteer as a nurse during the Blitz but relented when she was 18 and allowed her to work as a mechanic and truck driver for the Women s Auxiliary Territorial Service It was her forward thinking approach that ensured that her coronation was televised against the advice of politicians at the time Kate Williams reveals how the 25 year old young queen carved out a lasting role for herself amid the changes of the 20th century Her monarchy would be a very different one to that of her parents and grandparents and its continuing popularity in the 21st century owes much to the intelligence and elusive personality of this remarkable woman **Imperial Requiem** Justin C. Vovk,2014-06 Augusta Victoria Mary Alexandra and Zita were four women who were born to rule In Imperial Requiem Justin C Vovk narrates the epic story of four women who were married to the reigning monarchs of Europe s last empires during the late nineteenth and early twentieth centuries Using a diverse array of primary and secondary sources letters diary entries and interviews with descendants Vovk provides an in depth look into the lives of four extraordinary women who stayed faithfully at their husbands sides throughout the cataclysm of the First World War and the tumultuous years that followed At the centers of these four great monarchies were Augusta Victoria Germany s revered empress whose unwavering commitment to her bombastic husband made her a national icon Mary whose Cinderella story and immense personal strength made her the soul of the British monarchy through some of its greatest crises Alexandra the ill fated tsarina who helped topple the Russian monarchy through her ineffective rule and Zita the resolute empress of Austria whose story of loss and exile captivated the world s attention for seven decades Imperial Requiem shares the fascinating story of four princesses who married for love graced imperial thrones and watched as their beloved worlds were torn apart by war revolution heartache and loss **Born to Rule** Julia P. Gelardi,2007-04-01 Julia Gelardi s Born to Rule is an historical tour de force that weaves together the powerful and moving stories of the five royal granddaughters of Queen Victoria These five women were all married to reigning European monarchs during the early part of the 20th century and it was their reaction to the First World War that shaped the fate of a continent and the future of the modern world Here are the stories of Alexandra whose enduring love story controversial faith in Rasputin and tragic end have become the stuff of legend Marie the flamboyant and eccentric queen who battled her way through a life of intrigues and was also the mother of two Balkan queens and of the scandalous Carol II of Romania Victoria Eugenie Spain s very English queen who like Alexandra introduced hemophilia into her husband s family with devastating consequences for her marriage Maud King Edward VII s daughter who

was independent Norway's reluctant queen and Sophie Kaiser Wilhelm II's much maligned sister daughter of an Emperor and herself the mother of no less than three kings and a queen who ended her days in bitter exile *Born to Rule* evokes a world of luxury wealth and power in a bygone era while also recounting the ordeals suffered by a unique group of royal women who at times faced poverty exile and death Praised in their lifetimes for their legendary beauty many of these women were also lauded and reviled for their political influence Using never before published letters memoirs diplomatic documents secondary sources and interviews with descendants of the subjects Julia Gelardi's *Born to Rule* is an astonishing and memorable work of popular history *The British National Bibliography* Arthur James Wells, 1979 **The Queen's**
