**Andrea Major**

## **Royalty Feudalism And Gender:**

Royalty, Feudalism, and Gender Hem Bala Bhargava, 2000 Describing the social and economic conditions of Rajasthan as depicted by the European travellers during the British rule      *The Politics of Marriage in India* Sabita Singh, 2019-05-27 The history of marriage is viewed as social history related to customs and laws but it is also a reflection of an inner life one that comprises tales of joy suffering and the mundane most of it hidden from the historian's eye Analysing the institution of marriage in medieval Rajasthan Singh reconstructs the regional social structures and cultures of the time The history of Rajasthan has always been romanticized especially the legends of Sati and Jauhar both of which along with the rituals related to widowhood are seen as institutional forms of women's oppression Singh offers a fresh perspective on these customs often challenging the conventional narrative and unearthing the complex motives behind them Referring to extensive archival and literary sources the author delves deep into practices such as polygamy dowry and concubinage which are situated in the changing socio political structures As the author takes cognizance of the regional variations with respect to cultural norms what becomes unequivocally clear is the multicultural ethos of India and the fact that history cannot be interpreted in monolithic universal terms      **Women and Gender in Medieval Europe** Margaret Schaus, 2006 Publisher description

Sovereignty and Social Reform in India Andrea Major, 2010-11-05 This book offers an important reinterpretation of major themes of sovereignty authority and social reform in colonial South Asian history Focusing on the British prohibition of sati in 1829 the author shows how the debates that preceded this legislation have effectively set the terms of post colonial debates about sati as well as more generally defining the parameters of British involvement in Indian social and religious issues      **A Companion to Britain in the Later Middle Ages** S. H. Rigby, 2008-04-15 This authoritative survey of Britain in the later Middle Ages comprises 28 chapters written by leading figures in the field Covers social economic political religious and cultural history in England Ireland Scotland and Wales Provides a guide to the historical debates over the later Middle Ages Addresses questions at the leading edge of historical scholarship Each chapter includes suggestions for further reading

Family and Gender in Renaissance Italy, 1300-1600 Thomas Kuehn, 2017-03-24 This book studies family life and gender broadly within Italy not just one region or city from the fourteenth through the seventeenth centuries Paternal control of the household was paramount in Italian life at this time with control of property and even marital choices and career paths laid out for children and carried out from beyond the grave by means of written testaments However the reality was always more complex than a simple reading of local laws and legal doctrines would seem to permit especially when there were no sons to step forward as heirs Family disputes provided an opening for legal ambiguities to redirect property and endow women with property and means of control This book uses the decisions of lawyers and judges to examine family dynamics through the lens of law and legal disputes      Considering Medieval Women and Gender Susan Mosher Stuard, 2024-10-28 Professor Stuard collects here a set of her articles on women and gender in the Middle Ages beginning with her first published in 1975

The first section on marriage opens with an exploration of the Ragusa Dubrovnik archives reaches out to consider patterns of gift giving at marriage and of consumption The second section focuses on slavery specifically women destined for domestic service The final parts contain historiographical surveys of the field of women and gender studies and three biographical studies

The Oxford Handbook of Women and Gender in Medieval Europe Judith M. Bennett, Ruth Mazo Karras, 2013-08-22 Provides a comprehensive overview of the gender rules encountered in Europe in the period between approximately 500 and 1500 C E

**From Obscurity to Light** Devika Rangachari, 2020-03-10 This book attempts to reintegrate women into the socio political milieu of early medieval Orissa Its sources are inscriptions mostly Sanskrit that date from the seventh century to the end of the reign of the Imperial Ganga ruler Anantavarman Codagangadeva CE 1078 1147 The evidence indicates that royal and non royal women had varying but undeniably important roles to play in the socio political fabric of this prominent regional entity The Bhauma Kara dynasty c mid eighth ninth late tenth century that witnessed the rule of six women four of them in succession is a case in point In addition the palpable presence of several other royal and non royal women is consistently documented in the epigraphic record This is an aspect that has received very little attention in secondary works thereby rendering this study a pioneering one The work follows on from Rangachari s earlier *Invisible Women Visible Histories Gender Polity and Society in North India 7th to 12th century ad* which had focused on important gendered aspects of early medieval north India through an analysis of literary and epigraphic sources of Kashmir Kanauj Bengal and Bihar The invisibilization of women whereby their presence is routinely ignored or trivialized was similarly its underlying essence Please note This title is co published with Manohar Publishers New Delhi Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka

A Companion to Global Gender History Teresa A. Meade, Merry E. Wiesner-Hanks, 2020-11-19 Provides a completely updated survey of the major issues in gender history from geographical chronological and topical perspectives This new edition examines the history of women over thousands of years studies their interaction with men in a gendered world and looks at the role of gender in shaping human behavior It includes thematic essays that offer a broad foundation for key issues such as family labor sexuality race and material culture followed by chronological and regional essays stretching from the earliest human societies to the contemporary period The book offers readers a diverse selection of viewpoints from an authoritative team of international authors and reflects questions that have been explored in different cultural and historiographic traditions Filled with contributions from both scholars and teachers A Companion to Global Gender History Second Edition makes difficult concepts understandable to all levels of students It presents evidence for complex assertions regarding gender identity and grapples with evolving notions of gender construction In addition each chapter includes suggestions for further reading in order to provide readers with the necessary tools to explore the topic further Features newly updated and brand new chapters filled with both thematic and chronological geographic essays Discusses recent trends in gender history including material culture sexuality transnational developments

science and intersectionality Presents a diversity of viewpoints with chapters by scholars from across the world A Companion to Global Gender History is an excellent book for upper level undergraduate and graduate students involved in gender studies and history programs It will also appeal to more advanced scholars seeking an introduction to the field *The Max Weber Dictionary* Richard Swedberg, Ola Agevall, 2016-09-07 Max Weber is one of the world s most important social scientists but he is also one of the most notoriously difficult to understand This revised updated and expanded edition of The Max Weber Dictionary reflects up to the moment threads of inquiry and introduces the most recent translations and references Additionally the authors include new entries designed to help researchers use Weber s ideas in their own work they illuminate how Weber himself thought theorizing should occur and how he went about constructing a theory More than an elementary dictionary however this work makes a contribution to the general culture and legacy of Weber s work In addition to entries on broad topics like religion law and the West the completed German definitive edition of Weber s work Max Weber Gesamtausgabe necessitated a wealth of new entries and added information on topics like pragmatism and race and racism Every entry in the dictionary delves into Weber scholarship and acts as a point of departure for discussion and research As such this book will be an invaluable resource to general readers students and scholars alike **Monarchy vs Republic** Sebastian Farnham, AI, 2025-02-25 Monarchy vs Republic France 1789 1799 explores the clash between absolute monarchy and republican ideals during the French Revolution It dissects the philosophical underpinnings of each system contrasting the Divine Right of Kings with Enlightenment concepts like popular sovereignty and the social contract The book highlights the shift from a rigid social hierarchy to a society theoretically based on equality This pivotal decade witnessed France s unprecedented experiment in self governance forever altering European political thought The book examines the revolution s key events from the storming of the Bastille to the Reign of Terror alongside the rise and fall of various republican experiments It analyzes primary sources like pamphlets and speeches along with visual culture to reveal shifting public opinion The narrative progresses chronologically starting with pre revolutionary discontent and concluding with Napoleon Bonaparte s ascent The book argues that despite its turmoil the revolution marked a fundamental shift towards modern democratic ideals By exploring the nuances and contradictions of this era Monarchy vs Republic provides a fresh perspective on the revolution moving beyond simplistic narratives to analyze the complex interplay of ideologies and power structures It offers valuable insights into the enduring tension between established authority and popular will making it relevant for students scholars and anyone interested in world history and political science *The Creation of the French Royal Mistress* Tracy Adams, Christine Adams, 2020-03-16 Kings throughout medieval and early modern Europe had extraconjugal sexual partners Only in France however did the royal mistress become a quasi institutionalized political position This study explores the emergence and development of the position of French royal mistress through detailed portraits of nine of its most significant incumbents Agn s Sorel Anne de Pisseleu d Heilly Diane de Poitiers Gabrielle d Estr es

Fran oise Louise de La Baume Le Blanc Fran oise Ath na s de Rochechouart de Mortemart Fran oise d Aubign Jeanne Antoinette Poisson and Jeanne B cu Beginning in the fifteenth century key structures converged to create a space at court for the royal mistress The first was an idea of gender already in place that while women were legally inferior to men they were men s equals in competence Because of their legal subordinacy queens were considered to be the safest regents for their husbands and subsequently the royal mistress was the surest counterpoint to the royal favorite Second the Renaissance was a period during which people began to experience space as theatrical This shift to a theatrical world opened up new ways of imagining political guile which came to be positively associated with the royal mistress Still the role had to be activated by an intelligent charismatic woman associated with a king who sought women as advisors The fascinating particulars of each case are covered in the chapters of this book Thoroughly researched and compellingly narrated this important study explains why the tradition of a politically powerful royal mistress materialized at the French court but nowhere else in Europe It will appeal to anyone interested in the history of the French monarchy women and royalty and gender studies *Women, Crime and Punishment in Ancient Law and Society* Elisabeth Meier Tetlow, 2004-12-28 Crime and punishment criminal law and its administration are areas of ancient history that have been explored less than many other aspects of ancient civilizations Throughout history women have been affected by crime both as victims and as offenders Yet in the ancient world customary laws were created by men formal laws were written by men and both were interpreted and enforced by men Royal Women and Dynastic Loyalty Caroline Dunn, Elizabeth Carney, 2018-05-21 Royal women did much more to wield power besides marrying the king and producing the heir Subverting the dichotomies of public private and formal informal that gender public authority as male and informal authority as female this book examines royal women as agents of influence With an expansive chronological and geographic scope from ancient to early modern and covering Egypt Great Britain the Ottoman Empire and Asia Minor these essays trace patterns of influence often disguised by narrower studies of government studies and officials Contributors highlight the theme of dynastic loyalty by focusing on the roles and actions of individual royal women examining patterns within dynasties and considering what factors generated loyalty and disloyalty to a dynasty or individual ruler Contributors show that whether serving as the font of dynastic authority or playing informal roles of child bearer patron or religious promoter royal women have been central to the issue of dynastic loyalty throughout the ancient medieval and modern eras *The Powerful Women of Outremer* Helena P Schrader, 2024-05-30 In the mild climate of the Mediterranean a rare blossom once bloomed a prosperous urbanised society inhabited by various ethnic and religious groups living harmoniously together for nearly two hundred years At the apex of this society ruled a feudal elite notorious for its wealth and love of luxury It was composed of politically savvy diplomatically adept well educated and multilingual men and women These women played an astonishing and indispensable role in shaping the character of their unique society They were ruling queens independent barons nuns and pilgrims They were merchants and artisans diplomats and spies They were

warriors defending besieged cities and the most pitiful victims of conflict as slaves after a defeat While many primary sources readily recorded specific and noteworthy actions taken by individual women there is no comprehensive or systematic description of women's contribution to the life and society of Outremer All we have are fragments of a mosaic badly damaged by time Yet even these remnants have largely been neglected due to the prevailing emphasis on the era's military history The Powerful Women of Outremer redresses that imbalance In a chronological narrative women's contributions to the crusader states are highlighted The book then explores women's societal role in thematic chapters Finally a series of short biographies shine a light on the lives of individual women By piecing together the scattered remnants of the historical mosaic The Powerful Women of Outremer offers readers a clearer understanding of the importance of women to the history of the Near East and a richer picture of the women themselves

**A Companion to Gender History** Teresa A. Meade, Merry E. Wiesner-Hanks, 2008-04-15 A Companion to Gender History surveys the history of women around the world studies their interaction with men in gendered societies and looks at the role of gender in shaping human behavior over thousands of years An extensive survey of the history of women around the world their interaction with men and the role of gender in shaping human behavior over thousands of years Discusses family history the history of the body and sexuality and cultural history alongside women's history and gender history Considers the importance of class region ethnicity race and religion to the formation of gendered societies Contains both thematic essays and chronological geographic essays Gives due weight to pre history and the pre modern era as well as to the modern era Written by scholars from across the English speaking world and scholars for whom English is not their first language

**The SAGE Encyclopedia of World Poverty** Mehmet Odekun, 2015-06-15 The SAGE Encyclopedia of World Poverty Second Edition addresses the persistence of poverty across the globe while updating and expanding the landmark work Encyclopedia of World Poverty originally published in 2006 prior to the economic calamities of 2008 For instance while continued high rates of income inequality might be unsurprising in developing countries such as Mexico the Organization of Economic Co operation and Development OECD reported in May 2013 even countries with historically low levels of income inequality have experienced significant increases over the past decade including Denmark Sweden and Germany The U N and the World Bank also emphasize the persistent nature of the problem It is not all bad news In March 2013 the Guardian newspaper reported Some of the poorest people in the world are becoming significantly less poor according to a groundbreaking academic study which has taken a new approach to measuring deprivation The report by Oxford University's poverty and human development initiative predicts that countries among the most impoverished in the world could see acute poverty eradicated within 20 years if they continue at present rates On the other hand the U N says environmental threats from climate change could push billions more into extreme poverty in coming decades All of these points lead to the need for a revised updated and expanded edition of the Encyclopedia of World Poverty Key Features 775 evaluated and updated and 175 entirely new entries New Reader's Guide

categories Signed articles with cross references Further Readings will be accompanied by pedagogical elements Updated Chronology Resource Guide Glossary and thorough new Index The SAGE Encyclopedia of World Poverty Second Edition is a dependable source for students and researchers who are researching world poverty making it a must have reference for all academic libraries

**Women, Gender and Enlightenment** B. Taylor, S. Knott, 2005-05-27 Did women have an Enlightenment This path breaking volume of interdisciplinary essays by forty leading scholars provides a detailed picture of the controversial innovative role played by women and gender issues in the age of light

**Shakespearean Tragedy and Gender** Shirley Nelson Garner, Madelon Sprengnether, 1996-02-22 Shakespeare is not our contemporary the contributors to Shakespearean Tragedy and Gender emphatically conclude yet coping with his cultural influence is never a simple matter Ranging from Shakespeare's earliest attempts at tragedy in Richard III and Titus Andronicus this volume covers the major tragic period giving special attention to Othello Back cover

## **Royalty Feudalism And Gender** Book Review: Unveiling the Magic of Language

## **Royalty Feudalism And Gender Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Royalty Feudalism And Gender PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and

empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Royalty Feudalism And Gender PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Royalty Feudalism And Gender free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Royalty Feudalism And Gender Books**

1. Where can I buy Royalty Feudalism And Gender books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
