St. Nicholas ,1909 The Perfect Amount of Wrong Mike Bridenstine,2023-09-25 In just over a decade a tiny do it yourself stand up scene on the North Side of Chicago produced some of the most successful and influential stand up comedians of their generation Hannibal Buress T J Miller Kyle Kinane Cameron Esposito Pete Holmes Beth Stelling Matt Braunger and Kumail Nanjiani make up a partial list of names of comics who emerged from a scene that had very little industry attention or even a home club It was also a scene that took a backseat to the city s vaunted improv institution and if we re being completely honest it was a scene where comics mostly performed to drunks in the backs of dingy bars on their off nights None of it was glamorous None of it should have worked at all But somehow some way the comedians from this scene have managed to etch their own names into the Chicago comedy pantheon The Perfect Amount of Wrong is the story of that scene as told by its veterans **Folklore Forum** ,1984 The Political Speechwriter's Companion Robert A. Long Time, No See Beth Finke,2010-10-01 Long Time No See is certainly an inspiring story but Beth Finke does not aim to inspire Eschewing reassuring platitudes and sensational pleas for sympathy she charts her struggles with juvenile diabetes blindness and a host of other hardships sharing her feelings of despair and frustration as well as her hard won triumphs Rejecting the label courageous she prefers to describe herself using the phrase her mother invoked in times of difficulty She did what she had to do With unflinching candor and acerbic wit Finke chronicles the progress of the juvenile diabetes that left her blind at the age of twenty six as well as the seemingly endless spiral of adversity that followed First she was forced out of her professional job Then she bore a multiply handicapped son But she kept moving forward confronting marital and financial problems and persevering through a rocky training period with a seeing eye dog Finke s life story and her commanding knowledge of her situation give readers a clear understanding of diabetes blindness and the issues faced by parents of children with significant disabilities Because she has taken care to include accurate medical information as well as personal memoir Long Time No See serves as an excellent resource for others in similar situations and for professionals who deal with disabled adults or children
