## Rubens And England:

Rubens and Britain Karen Hearn, 2011 Flemish artist Sir Peter Paul Rubens 1577 1640 was one of the most internationally admired painters in seventeenth century Europe whose patrons included the rulers of France Spain Mantua and the Netherlands Demonstrating Rubens fluidity and freedom of invention this work exemplifies his role as diplomatic envoy to Britain

*Rubens and England* Fiona Donovan, 2004 This intriguing book draws for the first time a complete picture of the artistic and political connections between Rubens and the Stuart court Fiona Donovan examines the works the great Flemish artist created for English patrons his relationships with English courtiers beginning in 1616 and his nine month diplomatic mission to London in 1629 30 She focuses particular attention on the series of nine canvases that Rubens painted for the Banqueting House ceiling of Whitehall Palace a project that is considered by many to be the most significant work of art ever commissioned by the English Crown Rubens s iconographic scheme for the Whitehall ceiling presented English courtiers with a complex pictorial language not seen before in Great Britain Donovan explores the artist s allegorical imagery and provides fresh insights into the role the work of Rubens and continental culture played in politics and society at the court of Charles I

Renaissance England's Chief Rabbi examines John Selden and his rabbinic and especially talmudic publications which take up most of the six folio volumes of his complete works and constitute his most mature scholarship It traces the cultural

influence of these works on some early modern British poets      **Touring and Publicizing England's Country Houses in**

**the Long Eighteenth Century** Jocelyn Anderson,2018-02-22 Over the course of the long 18th century many of England's grandest country houses became known for displaying noteworthy architecture and design large collections of sculptures and paintings and expansive landscape gardens and parks Although these houses continued to function as residences and spaces of elite retreat they had powerful public identities increasingly accessible to tourists and extensively described by travel writers they began to be celebrated as sites of great importance to national culture This book examines how these identities emerged repositioning the importance of country houses in 18th century Britain and exploring what it took to turn them into tourist attractions Drawing on travel books guidebooks and dozens of tourists diaries and letters it explores what it meant to tour country houses such as Blenheim Palace Chatsworth Wilton Kedleston and Burghley in the tumultuous 1700s It also questions the legacies of these early tourists both as a critical cultural practice in the 18th century and an extraordinary and controversial influence in British culture today country house tourism is a phenomenon that demands investigation
