Scanlon And Contractualism:

Scanlon and Contractualism Matt Matravers, 2004-08-02 This collection brings together essays by distinguished political philosophers which reflect on the detailed arguments of What We Owe to Each Other and comment critically both on Scanlon's contractualism and his revised understandings of motivation and morality The essays illustrate the uses of Scanlon's contractualism by applying it to moral and political problems and in so doing they provide an assessment of the ability of Scanlon's contractualism by applying it to other forms of ethical theory The resulting volume makes an important and original contribution to the literature on Scanlon on contractualism and on contemporary political philosophy **Special Issue on Scanlon and Contractualism** Matt Matravers, 2003 **Reason, Justification, and Contractualism** Markus Stepanians, Michael Frauchiger, 2021-09-20 This book collects major original essays developed from lectures given at the award of the Lauener Prize 2016 to T M Scanlon for his outstanding oeuvre in Analytical philosophy In Contractualism and Justification Scanlon identifies some difficulties in his theory and explores possible ways to deal with them In Improving Scanlon's Contractualism D Parfit recommends revisions and extensions of Scanlon's theory while R Forst suggests in Justification Fundamentalism that Scanlon may want to replace reason with justification as his foundational concept T Nagel raises fundamental questions concerning Moral Reality and Moral Progress and S Mantel offers in On How to Explain Rational Motivation a critical discussion of Scanlon's cognitivist theory of motivation Z Stemplowska does the same for Scanlon's conception of responsibility in Substantive Responsibility and the Causal Thesis and S Olsaretti suggests in Equality of Opportunity and Justified Inequalities an alternative to Scanlon's arguments against economic inequalities All contributors receive extensive replies by Scanlon For anyone interested in Scanlon's seminal work in moral and political philosophy the present volume is utterly indispensable **Special Issue on Scanlon and Contractualism** Matt Matravers, 2002 Ethical Theory Russ Shafer-Landau, 2007-07-30 In presenting this reader on ethical theory Shafer Landau philosophy U of Wisconsin has made sure to cover the standard topics of the day consequentialism deontology contractarianism and virtue ethics but has also sought to include areas that are less common in sections on moral standing moral responsibility moral knowledge and works that question the very possibility of systematic ethics He also includes a section that discusses ethics and religion and another that examines prima facie duties and particularism Rather than include critics views following the various theoretical presentations he has instead decided to include more works of allied thinkers in order to provide readers with a more nuanced view of the particular view in question Selections from classic writers such as Aristotle Thomas Hobbes Immanuel Kant and Plato are accompanied by more contemporary writings Annotation 2007 Book News Inc Portland OR booknews.com Distributed by Syndetic Solutions LLC *Three Interpretations of Scanlon's Contractualism* Matthew H. Clarke, 2004 *Contractualism* Jussi Suikkanen, 2020-05-28 This Element begins by describing T M Scanlon's contractualism according to which an action is right when it is authorised by the moral principles no one could

reasonably reject This view has argued to have implausible consequences with regards to how different sized groups non human animals and cognitively limited human beings should be treated It has also been accused of being theoretically redundant and unable to vindicate the so called deontic distinctions I then distinguish between the general contractualist framework and Scanlon s version of contractualism I explain how the general framework enables us to formulate many other versions of contractualism some of which can already be found in the literature Understanding contractualism in this new way enables us both to understand the structural similarities and differences between different versions of contractualism and also to see the different objections to contractualism as internal debates about which version of contractualism is correct

Contractualism Jussi Suikkanen,2020-05-28 This Element begins by describing T M Scanlon s contractualism according to which an action is right when it is authorised by the moral principles no one could reasonably reject This view has argued to have implausible consequences with regards to how different sized groups non human animals and cognitively limited human beings should be treated It has also been accused of being theoretically redundant and unable to vindicate the so called deontic distinctions I then distinguish between the general contractualist framework and Scanlon s version of contractualism I explain how the general framework enables us to formulate many other versions of contractualism some of which can already be found in the literature Understanding contractualism in this new way enables us both to understand the structural similarities and differences between different versions of contractualism and also to see the different objections to contractualism as internal debates about which version of contractualism is correct

Scanlon's Contractualism and Its Critics Kenneth R. Weisshaar,2018 [Oxford Studies in Normative Ethics, Vol 7](#) Mark C Timmons,2017-10-27 Oxford Studies in Normative Ethics is an annual forum for new work in normative ethical theory Leading philosophers present original contributions to our understanding of a wide range of moral issues and positions from analysis of competing approaches to normative ethics including moral realism constructivism and expressivism to questions of how we should act and live well OSNE will be an essential resource for scholars and students working in moral philosophy

Philosophical Foundations of the Law of Torts John Oberdiek,2014-02 This book offers a rich insight into the law of torts and cognate fields and will be of broad interest to those working in legal and moral philosophy It has contributions from all over the world and represents the state of the art in tort theory

Kant and Parfit Husain Sarkar,2018-09-06 Derek Parfit s On What Matters is widely recognized as elegant profound and destined to change the landscape of moral philosophy In Volume One Parfit argues that the distinct indeed powerfully conflicting theories of deontology and contractualism can be woven together in a way so as to yield utilitarian conclusions Husain Sarkar in this book calls this The Ultimate Derivation Sarkar argues however that this derivation is untenable To underwrite this conclusion this book traverses considerable Parfitian terrain Sarkar shows why Parfit hasn t quite solved what Sidgwick had called the profoundest problem in ethics he offers a reading of Kant Rawls and Scanlon that reveals Parfit s keen utilitarian bias and he demonstrates why Parfit s Triple Theory does not

succeed in its task of unifying conflicting moral theories without making substantial utilitarian assumptions The final chapter of the book is about meta ethics It shows that Parfit's Convergence Principle is mistaken even though it unveils Parfit's utterly humane concerns Moral philosophers are not as Parfit thinks climbing the same mountain But for all that Sarkar maintains Parfit's book is arguably the greatest consequential tract in the history of moral philosophy

Normativity and the Will R. Jay Wallace, 2006-03-16 *Normativity and the Will* collects fourteen important papers on moral psychology and practical reason by R Jay Wallace one of the leading philosophers currently working in these areas The papers explore the interpenetration of normative and psychological issues in a series of debates that lie at the heart of moral philosophy Part I Reason Desire and the Will discusses the nexus linking normativity to motivation including the relations between desire and reasons the role of normative considerations in explanations of action and the normative commitments involved in willing an end such as the requirement to adopt the necessary means Part II Responsibility Identification and Emotion looks at questions about the rational capacities presupposed by accountable agency and the psychic factors that both inhibit and enable identification with what we do It includes an interpretation of the Nietzschean claim that resentment is among the sources of modern moral consciousness Part III Morality and Other Normative Domains addresses the structure of moral reasons and moral motivation and the relations between moral demands and other normative domains including especially the requirements of living a meaningful human life Wallace's treatments of these topics are at once sophisticated and engaging Taken together they constitute an advertisement for a distinctive way of pursuing issues in moral psychology and the theory of practical reason The book articulates and defends a unified framework for thinking about those issues while offering sustained critical discussions of other influential approaches by philosophers such as Korsgaard McDowell Nietzsche Raz Scanlon and Williams It should be of interest to every serious student of moral philosophy

Deontic Logic and Normative Systems Fabrizio Cariani, Davide Grossi, Joke Meheus, Xavier Parent, 2014-06-30 This volume presents the refereed proceedings of the 12th International Conference on Deontic Logic and Normative Systems DEON 2014 held in Ghent Belgium in July 2014 The 17 revised papers and the 2 invited papers included in this volume were carefully reviewed and selected from 31 submissions Topics covered include challenges from natural language for deontic logic the relationship between deontic and other types of modality epistemic modality imperatives supererogatory etc the deontic paradoxes the modeling of normative concepts other than obligation and permission e g values the game theoretical aspects of deontic reasoning the emergence of norms norms from a conversational and pragmatic point of view and norms and argumentation

Modern Social Contract Theory Albert Weale, 2020-06-10 *Modern Social Contract Theory* provides an exposition and evaluation of major work in social contract theory from 1950 to the present It locates the central themes of that theory in the intellectual legacy of utilitarianism particularly the problems of defining principles of justice and of showing the grounds of moral obligation It demonstrates how theorists responded in a novel way to the dilemmas articulated in utilitarianism

developing in their different approaches a constructivist method in ethics a method that aimed to vindicate a liberal democratic and just political order A distinctive feature of the book is its comparative approach By placing the works of Barry Buchanan and Tullock Harsanyi Gauthier Grice Rawls and Scanlon alongside one another similarities and differences are brought out most notably in the way in which principles are derived by each author from the contractual construction as well as the extent to which the obligation to adopt those principles can be rationally grounded Each theory is placed in its particular intellectual context Special attention is paid to the contrasting theories of rationality adopted by the different authors whether that be utility theory or a deliberative conception of rationality with the intention of assessing how far the principles advanced can be justified by reference to the hypothetical choices of rational contracting agents The book concludes with a discussion of some principal objections to the enterprise of contract theory and offers its own programme for the future of that theory taking the form of the empirical method *Facts, Values, and Morality* Richard B.

Brandt, 1996-09-28 This book by an influential moral philosopher focuses on how value judgments and moral belief can be justified The Pitfalls of Virtue Ethics Husain Sarkar, 2025-09-18 In this book Husain Sarkar offers a remarkable look into the groundwork of virtue ethics Especially focusing on theories proposed by Julia Annas and Rosalind Hursthouse he examines a multiplicity of cardinal tenets of virtue ethics by bringing five cardinal objections namely the self defeating objection the circularity objection the moral relativism objection the explanatory poverty objection and the inconsistent advice objection to bear upon them These objections define the shape scope and substance of the book Collectively they unveil several fault lines a few hitherto unsuspected Sarkar argues that notwithstanding the novel intriguing answers to old familiar ethical questions the answers are so fraught with difficulties that virtue ethics as a philosophical moral tradition is best seen as badly in need of repair and reformation Perhaps this book may provoke a Renaissance in the field of virtue ethics The Republican Dilemma Lars J. K. Moen, 2024 The first chapter introduces the debate over freedom between republicans and liberals It also sketches the framework I employ throughout the book to analyse and compare republican freedom and the pure negative conception of liberal freedom The chapter ultimately shows how the book is structured so as to demonstrate how the conceptual dispute results in the republican dilemma which is also introduced in the chapter

In Defense of Liberal-Pluralism Upendra Chidella, 2015-09-10 This book takes a critical view of Kantian and Neo Kantian moral philosophers preference of universalism the unity of morality moral impartiality consensus and common morality The central claim of the book is if the human condition is treated as complex and infested with irreducible choices and alternatives then moral rightness and wrongness ought to operate beyond these binaries giving epistemic status to Pluralism s multiple rationalities Redefining liberal pluralism the book also argues that moral reasoning is necessarily bound by paradoxes and contradictions seen in our choices of life projects in the conflict between individual morality and common morality and in justifying what is morally reasonable in the interpersonal framework Equivocation in moral argumentation

cannot be valued without understanding the nature of the interpersonal that ought to sufficiently argue for moral disagreement irreducible pluralism and limits of morality Liberal pluralism thus signifies the quasi relational partially admitting Gilbert Harman nature of moral reasoning in the multi agent framework It also takes account of reciprocity fairness reasonableness tolerance open ended morality and agreeing to disagree However this idea of liberal pluralism no way undermines rationality and reason nor turns to anti theory rather it only treats morality as guided by reason without unification and pluralism without relativism

Doing and Allowing Harm Fiona Woollard, 2015-01-08 Doing harm seems much harder to justify than merely allowing harm If a boulder is rushing towards Bob you may refuse to save Bob's life by driving your car into the path of the boulder if doing so would cost you your own life You may not push the boulder towards Bob to save your own life This principle the Doctrine of Doing and Allowing requires defence Does the distinction between doing and allowing fall apart under scrutiny When lives are at stake how can it matter whether harm is done or allowed Drawing on detailed analysis of the distinction between doing and allowing Fiona Woollard argues that the Doctrine of Doing and Allowing is best understood as a principle that protects us from harmful imposition Such protection against imposition is necessary for morality to recognize anything as genuinely belonging to a person even that person's own body As morality must recognize each person's body as belonging to her the Doctrine of Doing and Allowing should be accepted Woollard defends a moderate account of our obligations to aid tackling arguments by Peter Singer and Peter Unger that we must give most of our money away and arguments from Robert Nozick that obligations to aid are incompatible with self ownership

This is likewise one of the factors by obtaining the soft documents of this **Scanlon And Contractualism** by online. You might not require more become old to spend to go to the book initiation as without difficulty as search for them. In some cases, you likewise complete not discover the statement Scanlon And Contractualism that you are looking for. It will completely squander the time.

Scanlon And Contractualism Introduction

In today's digital age, the availability of Scanlon And Contractualism books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Scanlon And Contractualism books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Scanlon And Contractualism books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Scanlon And Contractualism versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Scanlon And Contractualism books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Scanlon And Contractualism books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for

Scanlon And Contractualism books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Scanlon And Contractualism books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Scanlon And Contractualism books and manuals for download and embark on your journey of knowledge?

FAQs About Scanlon And Contractualism Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
