Persuaded by the Evidence Jerry Bergman, Doug Sharp, 2008 A unique and interesting collection of true stories from Christians each sharing his personal journey to find the biblical truth of a six day creation From scientists in the midst of complex research to youth ministers and more see how each began at a different point and place in his life to question the supposed truth of evolution and how faith and actual evidence led to his embracing a creation based biblical world view In their testimonies you will read about their search for answers often unavailable through their school their church or scientific knowledge and how the discoveries they made have shaped their faith and changed their lives Seeking answers for yourself Discover the powerful truths these individuals now share and find yourself also persuaded by the evidence Contributors include Carl Kerby Curt Sewell Dr Robert A Herrmann Dr Walter T Brown Dr Raymond Damadian Frank Sherwin and more

A Collision of Truths Robert Ellis, 2008-04 Robert Y Ellis A Collision of Truths is a beautifully written and insightful autobiography of one man s journey of faith Ellis was raised a Christian Scientist but later both rejected and appropriated many of its central beliefs Ellis narrates the role Christian Science played in providing balance and meaning in his life while questioning its hostility to critical inquiry and modern medicine Through sensitive description of the arc of his own life Ellis calls his readers to re examine their basic values and commitments amidst the complexities of daily existence in a digital world where knowledge increases exponentially A genuine achievement and must read for fellow travelers who are looking for meaning and hope in our time Mark I Wallace PhD Professor of Religion Swarthmore College Author of Finding God in the

Singing River A man would be singularly inert if he were not to find this account vastly tantalizing What an extraordinary tale The way Ellis proceeds through his life from earliest childhood on keeps a reader wanting to know what comes next And his prose is a blessed relief to anyone who loves good English prose Thomas Howard PhD author Christ the Tiger This narrative is the first to reveal one Christian Science family s story their faith s underpinnings and those singular episodes that collided with Ellis beliefs including his Christian Science mother being treated by a beam of protons at the Harvard University cyclotron his father s unsolved murder in Harlem and the religious tensions in his childhood home that ultimately exploded Ellis sometimes painful always captivating journey will inspire everyone being challenged by today s extraordinary scientific discoveries which appear to leave no room for God
