SCOOTERS

The Scooter is fast becoming one of the most popular modes of transportation on the road. With gas prices soaring, technology improving, and style trends favoring the attractive lines of both classic and modern scooters, it's more and more common to see scooters sharing the road with their four-wheeled counterparts.

If you're considering a scooter for commuting to work or putt-putting around the city on a Sunday afternoon, Eric Dregni's *Scooters: Everything You Need to Know* has all the information you'll need to enter the two-wheeled world of scooters.

Whether you're drawn to the classic Vespas, Stellas, and Lambrettas, small modern Zumas and Metros, or highway-ready maxi-scooters like the Silver Wing and Burgman, this book will help you choose a ride and learn how to maximize your enjoyment. From tips on buying, riding, and maintaining your scooter, to participating in clubs and events, *Scooters: Everything You Need to Know* is the perfect start to a lifetime of scootering.

A life-long scooter rider, collector, and writer, Eric Dregni answers all the questions a beginning scooterist could have, with humor and years of travel and experience.
