Reproducible 128 perforated pages **Momentum in Soccer** Alistair Higham, Chris Harwood, Andrew Cale, 2005 This book teaches players and coaches how to understand momentum affect it control it and use it to their advantage by exploring match patterns tactics and player and coach psychology **Losing Faith** Niki Hershey Knisley, 2019-03-13 Faith Brooks is a typical teenaged pastor s kid until she does the unthinkable and moves in with Gabe an edgy musician and nonbeliever seemingly closing the door on her past forever After Faith abandons them the Brooks family is left to pick up the pieces unsure if they ll ever see her again While coping with Faith s unsettling desertion each family member separately wrestles with feelings of betrayal anger and fear The chaos that ensues threatens everything they have ever believed about

themselves God and the world around them As Faith struggles to find her way in a scary new world without a support system her family desperately searches for the reasons why she was driven to commit such a treacherous act In losing Faith now the possibility looms that they might also lose their own Losing Faith is a compelling modern day tale of loss love and the enduring power of faith as a teenage girl escapes her reality to explore a world devoid of God s influence leaving her heartbroken family to wonder why *The Best of Soccer Journal* Jay Martin,2011-09 Includes the best articles from Soccer Journal that cover the most important aspects of soccer technique tactics the mental game and the physical game

Coaching Soccer Tactics Phil Wymer,2004 *Boys' Life* ,1980-03 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting Soccer Practice for Winning Derek Smethurst,2004-03 Successful teams are made on the practice field where coaches and players spend most of their time Hence the popularity of books designed to enhance the time spent in practice sessions Presented are the author s favorite and most effective practice sessions with games and exercises proven to produce winners at every level of the game *Real Boys' Voices* William S. Pollack,Todd Shuster,2001-05-01 What real boys have to say A lot of people use words like psycho or wacko to refer to people who are feeling glum or think they might want to take their own life I think these sorts of slang terms create further isolation in a teen and that s not what you want to do to a teen who already feels alone Alexander 18 from a small town in the South A guy is supposed to be strong tall and fast and have the qualities of an ideal athlete At the same time he s supposed to be smart He s expected to be nearly perfect Chandler 14 from a suburb in the Northwest What I hate about this school is that I am being picked on in the halls and just about everywhere else Cody 14 from a suburb in New England In Real Boys Dr William Pollack explored the issues that most boys in our nation face today In this fascinating follow up bestseller Pollack goes right to the source boys ages 10 to 20 evoking the secret struggles and passions of America s adolescent males in their own words Their voices are searingly honest and eager to be heard revealing how society s outdated expectations force them to mask their feelings of isolation depression longing love and hope We hear from boys and young men in big cities and small towns including survivors of the Columbine High School massacre who share compelling extrordinarly candid stories about bullying drugs sports school parents sex love and much more Pollack also offers ways to start a dialog and illustrates through templates what to do in many situations This is an eye opening book for teenage boys and girls but with its insights and strategies for dealing with their issues especially invaluable for all the people in their lives *Soccer Games* Andrew Caruso,2015-01-01 The games presented in this book were designed to allow the ball and the game to be the true teachers The aim is to get away from stagnant boring line drills and restrictive exercises and give ownership of the game back to the players in the form of fun age appropriate exercises In recent years coaching at youth level not only in soccer but in all sports has trended toward specialization and over coaching which in effect has taken the joy of the game away and in many cases driven players away from the sport These games will

not only make your practices more fun they will teach your players the skills and principles of soccer while allowing for creative expression **Coaching U9-U10 Youth Soccer: 7v7 Training Curriculum** Glenn Alpert, 2024-08-01 This U9 U10 Curriculum is the second in a series of publications covering a step by step systematic process for developing youth soccer players from six years old U7 age group up through the end of high school U19 which marks the conclusion of a player s youth soccer career
