The Making of Scotch Whiskey Michael S. Moss, John R. Hume, 1981 **Scotch Whisky** Charles Maclean, 2003-05-01 This book answers questions visitors usually ask about Scotland's most famous export how and where is it made why in Scotland what is the difference between malt and grain whisky and how should one taste whisky professionally Look out for more Pitkin Guides on the very best of British history heritage and travel Whiskypedia Charles MacLean, 2009 Individual distilleries give their whiskies unique characteristics These characteristics do not arise magically as was once thought nor are they the result of terroir or region as is still thought by some They have their roots in the craft and custom of the distillery and of the district in which it is located but the key influences upon flavour are the distilling equipment itself how it is operated and how the spirit is matured For the first time Charles MacLean's Whiskypedia explores the flavor and character of every malt whisky distilled in Scotland with reference to how it is made Introductory sections explain the contribution made by each stage of production and maturation to elucidate the detailed notes about how malt whisky is made at each distillery The distillery entries also provide historical notes and quirky facts Malt whisky is the quintessential spirit of place and this element of the story has been captured by John Macpherson's camera in specially commissioned images which compliment the text This is a wholly new approach to understanding and enjoying Scotch malt whisky by the foremost authority on the subject in collaboration with one of Scotland's leading photographers **The New Single Malt Whiskey** Zondervan, 2016-10-25 The most definitive guide to the new revolution in single malt whiskey across the globe complete with cocktail recipes bottle reviews tasting notes distiller interviews and contributions from award winning experts THE NEW SINGLE MALT is the only book on the market devoted solely to new world Single Malt Whiskeys and old world cutting edge Single Malt Scotches This distinguished guide to the most discerning of beverages is a worthy collection of whiskies from around the globe classic and creative cocktail recipes and full color photographs throughout Never before has a book taken such an in depth look at the old and new world malts from near and far THE NEW SINGLE MALT WHISKEY is the most up to date and definitive guide to the current revolution happening in single malt whisky **Scotch Whisky** Charles MacLean, 2005 New in Paper Whisky is widely considered the finest spirit in the world and this is the definitive history of the water of life Written by the editor of Whisky magazine and Scotland's leading writer on the subject it's the perfect blend of anecdotes and pioneering research Superb illustrations help tell an intriguing story that goes back as far as 2000 B C and that includes a cast of fascinating characters who smuggled bribed conspired and advertised with a vengeance to turn whisky from a common man's drink into a proud part of the Scottish national heritage Unfolding decade by decade it presents names

such as John Walker and Sons Glenlivet and Macallan providing a treasure trove for the whisky connoisseur or anyone interested in a really good read **Scotch Whisky** Tom Bruce-Gardyne, 2007 Whisky has been distilled in Scotland for centuries and its long history is full of myths legends and smuggler s tales Today the story of whisky is still just as fascinating and is retold in this introduction to one of the world s most popular spirits and Scotland s national drink Whiskey Kevin R. Kosar, 2010-10-15 A Manhattan or a Sazerac neat on the rocks or with a splash of soda no matter how it s served up whiskey is synonymous with the poet s inspiration and the devil s spirit Be it bourbon rye corn Irish or Scotch whiskey has an infamous and celebrated history from a sometimes lethal herb infused concoction to a high quality meticulously crafted liquor In Whiskey Kevin R Kosar delivers an informative concise narrative of the drink s history from its obscure medieval origins to the globally traded product that it is today Focusing on three nations Scotland Ireland and America Kosar charts how the technique of distillation moved from ancient Egypt to the British Isles Contrary to popular claims there were no good old days of whiskey before the twentieth century consumers could never be sure just what was being poured in their cup unscrupulous profiteers could distill anything into booze and pawn it off as whiskey Eventually government and industry established legal definitions of what whiskey is and how it could be made allowing for the distinctive styles of whiskey known today Whiskey explains what whiskey is how it is made and how the types of whiskey differ With a list of suggested brands and classic cocktail recipes for the thirsty reader this book is perfect for drink and food enthusiasts and history lovers alike
