Bloomsbury Professional s Scottish Conveyancing online service *The Fatal Land* Matthew P. Dziennik, 2015-01-01 Matthew P Dziennik has written a compelling account of the Scottish Highland soldier and his service in Great Britain s American colonies during the French and Indian War and America s Revolutionary War In the middle to the late decades of the eighteenth century the British state recruited more than twelve thousand soldiers from the Highlands of Scotland for the purpose of expanding and defending Britain s American empire thereby transforming the most maligned region of the British Isles into a key sustainer of British imperialism Dziennik s fascinating history corrects the mythologized image of the Highland soldier as a noble savage a primitive if courageous relic of clanship revealing instead how the Gaels used their military service to further their own interests in terms of material security and social status Using both English and Gaelic sources the author re creates the experiences and the mindset of the Highland soldier in the New World and demonstrates in the process how a periphery of the British Isles became a center of the British Empire Tir de la jaquette **Enigmas and**
