Robert R. Redfield

Scotland The Brave:

Scotland the Brave Land Stuart McHardy, 2013-07-22 From bold heroines to clan battles standing stones to castles there is hardly any aspect of Scotland's heritage that does not feature in our storytelling traditions This collection of stories from all parts of Scotland and from all periods of our dramatic and often truly heroic history is both an introduction to and a journey into Scotland's rich cultural heritage Covering the same themes as Disney Pixar's new fairytale film Brave this book provides the next step for those wishing to delve deeper into Scotland's culture and traditions BACK COVER There is not a stream or a rock that does not have its story STUART McHARDY With the release of Disney Pixar's Brave the world's attention is being drawn to Scotland and its fascinating history But Brave merely scrapes the surface of Scotland's rich storytelling culture This collection of tales is the next step for anyone wishing to look further into the traditions of Scotland These enchanting tales reflect the wide diversity of its heritage and there are few aspects of Scottish tradition that have escaped memorialisation in folklore With its captivating and often gruesome tales of heroic warriors in battle bold heroines deceitful aristocracy and supernatural creatures Brave Land is a journey into the cultural heritage of a nation and the folklore surrounding the creation of the breath taking landscape of its country Scotland the Brave Land provides the reader the perfect opportunity to delve a little deeper into the myths legends and history of this truly mesmerising country **Scotland**

Richard Oram, 2011-09-16 The history of the Scottish monarchy is a long tale of triumph over adversity characterised by the personal achievements of remarkable rulers who transformed their fragile kingdom into the master of northern Britain The Kings and Queens of Scotland charts that process from the earliest Scots and Pictish kings of around ad 400 through to the union of parliaments in 1707 tracing it through the lives of the men and women whose ambitions drove it forward on the

often rocky path from its semi mythical foundations to its integration into the Stewart kingdom of Great Britain It is a route waymarked with such towering personalities as Macbeth Robert the Bruce and Mary Queen of Scots but directed also by a host of less well known figures such as David I who extended his kingdom almost to the gates of York and James IV builder of the finest navy in northern Europe Their will and ambition successes and failures not only shaped modern Scotland but have left their mark throughout the British Isles and the wider world *Scotland the Brave* John Laffin,1974-01-01 *Scotland's Magazine* ,1960 **The Captive Chief** James Thomson,1871 **Willie Waly, and Other Poems** James Ogg,1873
