Scratch An Actor Confessions Of A Hollywood Columnist

Sheilah Graham

Scratch An Actor Confessions Of A Hollywood Columnist:

Scratch an Actor Sheilah Graham, 1969 *The Richard Burton Diaries* Richard Burton, 2012-10-15 The irresistible candid diaries of Richard Burton published in their entirety Just great fun and written out of an engaging often comical bewilderment How did a poor Welshman become not only a star but a player on the world stage that was Elizabeth Taylor's fame Hilton Als New Yorker com Of real interest is that Burton was almost as good a writer as an actor read as many as three books a day haunted bookstores in every city he set foot in bought countless books on every conceivable subject and evaluated them rather shrewdly Apt writing abounds John Simon New York Times Book Review Irresistibly magnetic on stage mesmerizing in movies seven times an Academy Award nominee Richard Burton rose from humble beginnings in Wales to become Hollywood's most highly paid actor and one of England's most admired Shakespearean performers His epic romance with Elizabeth Taylor his legendary drinking and story telling his dazzling purchases enormous diamonds a jet homes on several continents and his enormous talent kept him constantly in the public eye Yet the man behind the celebrity facade carried a surprising burden of insecurity and struggled with the peculiar challenges of a life lived largely in the spotlight This volume publishes Burton's extensive personal diaries in their entirety for the first time His writings encompass many years from 1939 when he was still a teenager to 1983 the year before his death and they reveal him in his most private moments pondering his triumphs and demons his loves and his heartbreaks The diary entries appear in their original sequence with annotations to clarify people places books and events Burton mentions From these hand written pages emerges a multi dimensional man no mere flashy celebrity While Burton touched shoulders with shining lights among them Olivia de Havilland John Gielgud Claire Bloom Laurence Olivier John Huston Dylan Thomas and Edward Albee he also played the real life roles of supportive family man father husband and highly intelligent observer His diaries offer a rare and fresh perspective on his own life and career and on the glamorous decades of the mid twentieth century *Scratch an Actor* Sheilah Graham, 1969 *Julie Andrews* Richard Stirling, 2024-07-02 An intelligent and engrossing biography of the incomparable star of stage and screen revealing the determination she brought to bear over every obstacle Mail on Sunday In My Fair Lady Julie Andrews had the biggest hit on Broadway As the title character in Mary Poppins she won an Academy Award And in 1965 The Sound of Music made her the most famous woman in the world and rescued Twentieth Century Fox from bankruptcy Three years later the disastrous Star almost put the studio back under and the leading lady of both films fell as spectacularly as she had risen Her movie career seemed to be over Yet Julie Andrews survived with what Moss Hart director of My Fair Lady called that terrible British strength that makes you wonder why they lost India Victor Victoria directed by her second husband Blake Edwards reinvented her screen image but its stage version in 1997 led to the devastating loss of her defining talent her singing voice Against all odds she fought back again with roles in The Princess Diaries Bridgerton and other productions The real story of bandy legged little Julia Wells from Walton on Thames is even

more extraordinary fresh details of her family background have only recently come to light This is the first completely new biography of Julie Andrews as artist wife and mother in over thirty five years combining the author s interviews with the star and his wide ranging and riveting research It is a frank but affectionate portrait of an enduring icon of stage and screen An absorbingly extensive study with glossy photographs and lively quotes bringing the pages alive with the sound of a much loved musical star Evening Standard
