Scratch My Back Sandra Iversen,Jan Van der Voo,1997-01-01 Party of One Michael Harris,2014-10-21 InParty of One investigative journalist Michael Harris closely examines the majority government of a prime minister essentially unchecked by the opposition and empowered by the general election victory of May 2011 Harris looks at Harper's policies instincts and the often breathtaking gap between his stated political principles and his practices Harris argues that Harper is more than a master of controlling information he is a profoundly anti democratic figure In the F 35 debacle the government's sin wasn't only keeping the facts from Canadians it was in inventing them Harper himself provided the key confabulations and they are irrefutably and unapologetically on the public record from the last election This is no longer a matter of partisan debate but a fact Canadians must interpret for what it may signify Harris illustrates how Harper has made war on every independent source of information in Canada since coming to power Party of One is about a man with a well defined and growing enemies list of those not wanted on the voyage union members scientists diplomats environmentalists First Nations peoples and journalists Against the backdrop of a Conservative commitment to transparency and accountability Harris exposes the ultra secrecy non compliance and dismissiveness of this prime minister And with the Conservative majority in Parliament the law is simple what one man the PM says goes *Consumer Credit Industry* United States.
