Screaming Eagle Memoirs Of A B17 Group Commander:

Screaming Eagle Dale O. Smith,1990 The story of how the 384th Bomb Group under its new commander became one of the crack combat outfits in the Army Air Corps bomber offensive against Hitler s Germany *Big Week* Bill Yenne,2014-02-04 In just six days the United States Strategic Air Forces changed the course of military offense in World War II During those six days they launched the largest bombing campaign of the war dropping roughly ten thousand tons of bombs in a rain of destruction that would take the skies back from the Nazis The Allies knew that if they were to invade Hitler s Fortress Europe they would have to wrest air superiority from the mighty Luftwaffe The plan of the Unites States Strategic Air Forces was extremely risky During the week of February 20 1944 and joined by the RAF Bomber Command the USAAF Eighth and Fifteenth Air Force bombers took on this vital mission They ran the gauntlet of the most heavily defended air space in the world to deal a death blow to Germany s aircraft industry and made them pay with the planes already in the air In the coming months this Big Week would prove a deciding factor in the war Both sides were dealt losses but whereas the Allies could recover damage to the Luftwaffe was irreparable Thus Big Week became one of the most important episodes of World War II and coincidentally one of the most overlooked until now Reddo's Raiders James J. Redmond,2004 While I Am is the story of Se a young boy who is driven to explore his boundaries Se feels trapped inside the Dark School but to get out he must first break free from the dominion of three girls that mesmerize him With the help of his best friend Crea he journeys through new worlds all the while preserving his unalienable rights of life liberty and the pursuit of happiness I have expanded my world into that of another self and I met with love I have explored the universe of material existence and I discovered compassion I looked inward to discover my own self only to find wisdom And I arrived at G Written in a playful tone the novel outlines a fresh new philosophy on how one can get to G a place that follows from the teachings of Eastern Philosophies a concept that is compatible with contemporary science and a being with characteristics as prescribed by Western religions But only those who indeed take the journey will realize that G is by no means a final destination but only a beginning a beginning to discover what happens to human spirituality once we are able to unify it all that makes us human

Currahee! Donald R. Burgett,1999 Curahee was the battle cry of the regiment portrayed in Spielberg s Private Ryan the 101st Division Private Burgett s memoir originally published in 1967 offers firsthand insight into the highs and lows of combat Includes a foreword by historian Stephen Ambrose and photos of the paratroopers and World War II scenes Annotation copyrighted by Book News Inc Portland OR *Sergeant Nibley PhD* Hugh Nibley,Alex Nibley,2006 Few people knew more about the history of human conflict than Professor Hugh Nibley But on June 6 1944 at Utah Beach he learned more about war than he had gleaned from all the books he d read combined General Maxwell Taylor assigned Sergeant Nibley to educate the officers of the 101st Airborne about warfare But it was the professor himself that received an education while fighting as a member of the most legendary unit of the United States Army Most war memoirs come either from the

bird's eye view of the general or from the visceral but limited scope of the common soldier Because of Nibley's unique situation this book blends both perspectives From the narrow view of a sergeant in a foxhole to the broader perspective of an intelligence specialist his experience offers an intimate realistic and articulate view of World War II *Sergeant Nibley, Ph.D.* Nibley Hugh, 2022-01-26 *Wings of Tru Love* Kenneth C. Drinnon, 2011 Wings of Tru Love author Kenneth C Drinnon joined the United States Army Air Force in 1943 and served in the European Theater as a B17 ball turret gunner with the 8th Air Force 487th Heavy Bomb Group and 838th Squadron He flew thirty four aerial combat missions from October 22 1944 to February 28 1945 over Nazi Germany and attained the rank of Staff Sergeant before being discharged in 1945 There were several notable bombing missions including the synthetic oil refineries at Merseberg Germany and several against transportation facilities in support of the Army ground forces during the Battle of the Bulge but the one most remembered by aviators of the 487th Bomb Group was December 24 1944 when General Frederick W Castle was killed while leading a two thousand plane bomber mission for the Eighth Air Force and piloting the lead plane of the 487th Bomb Group Both the 487th Bomb Group and the Luftwaffe suffered many casualties during an aerial gun battle *"Jump, Damn It, Jump!"* Edward F. Logan, Jr., 2006-09-26 Soon after the United States entered World War II American ground and air forces were on their way to the European theater of operations Among that offensive buildup was the 15th Air Force consisting of four engine heavy bombers the B 17 and B 24 as well as twin engine medium bombers and several types of fighter aircraft The 15th was first stationed in North Africa and then in southern Italy where pilots could strike at any military target within a 700 mile radius After ferrying a B 17 to England with the 8th Air Force Lt Edward Logan was transferred to the 15th Air Force Fifth Wing 483rd Bomb Group 817th Bomb Squadron in Italy Logan and members of his unit were assigned to use American air power to destroy the German military's manufacturing and petroleum complexes as well as its intricate transportation system This gripping memoir gives a detailed account of Logan's experiences throughout his Army Air Corps career It outlines the progression of a determined would be pilot through two years of training his 1944 journey to the war's theater and advent into actual combat While other missions are summarized the work's main focus is the author's thirty fourth combat mission which took place in March 1945 During this operation his B 17 bomber sustained damage so severe that he and nine crewmen were forced to bail out over enemy territory Aided by Slovenian partisans Logan and his crew evaded the German troops who were searching for them and returned safely to their base This firsthand account includes insider details technical specifications of the B 17 bomber and previously classified information An epilogue provides additional information on the partisans and the composition of the 15th Air Force **101st Airborne** Mark Bando, 2011-05-08 A minute by minute and day by day account of the elite 101st Airborne's daring parachute landing behind enemy lines at Normandy is accompanied by firsthand accounts from Airborne veterans and forty incredible previously unknown let alone published color photos of the Screaming Eagles at Normandy and in Great Britain prior to the invasion Accompanying these remarkable D

Day color Kodachromes which were unearthed in the attic of an Army doctor's daughter are more than two hundred black and white photographs from 101st survivors and the author's own private collection. This is an unprecedented look at an elite fighting force during one of the last century's most crucial moments. **The Mighty Eighth in WWII: A Memoir** J. Kemp

McLaughlin USAFR (Ret.), One of the great bomber pilots of World War II recalls his various missions over the European theater from bombing heavy water installations in Norway to the raid that nearly wiped out German ball bearing production.

Currahee! Donald Robert Burgett, 2003 *A Fallen Eagle*, 2009-03 A Fallen Eagle is the true story of a young boy from East Texas who volunteered for service in 1942. He entered the service with only a high school education and limited experience other than working on a farm. His desire to be a pilot drove him to overcome numerous obstacles to be accepted into pilot training. He persevered through rigorous training to earn his wings. After receiving his wings, he became a B-24 pilot assigned to the 722nd Squadron of the 450th Bomb Group. When his unit training was completed, he was assigned to the 15th Air Force operating out of Italy. He flew missions over most of Europe and the Balkans. Through over 75 of his personal letters, he shares his experiences both emotional and physical as he went from being a farm boy to being a heavy bomber pilot. He flew in dangerous combat situations, saw the horrors of aerial battle, and ultimately gave his life in the service of his country. The human side of the tragedy is told not only in his letters but by letters of the crew's next of kin and government correspondence in the aftermath. The final chapter describes the detailed government process to recover, make positive identification, and return his remains to the states. CLARENCE P. COWART was born in Groves, Texas, grew up in Jasper, Texas, and graduated from Texas A M College. Upon his graduation, he entered the service at Ft Bliss, Texas, and graduated from Missile School. After serving his active duty obligation, he returned to East Texas and joined the Army Reserves. His first assignment was as a Platoon Leader in an infantry unit. His next assignment was in an Artillery Unit in Beaumont, Texas, where he served in several positions. He served four years as Headquarters Company Commander in a support group. Through the years, he served in several units; the last was as the Commander of a transportation battalion. After twenty-one years of service, he retired as a Lt Colonel. While serving in the reserves, his civilian jobs involved working in numerous positions in municipal government in Southeast Texas. He retired from the City of Beaumont. He and his wife Dixie raised two children. They now have four grandchildren and one great granddaughter. They are retired and currently live in Lumberton, Texas. Colonel Cowart is active in the church where he attends, is an avid hunter, competitive shooter, and military arms collector. He operates a part-time design and inspection service from his home. His interest in WWII history led him to write *A Fallen Eagle*.
