

Running, Screaming Into The Night

Was it just a bad dream?
Or was it real?
stifled words beyond repeal
can I remember what I said?
Can I come back
from a dream dead?

Did you say that
in the dream?
Did you do that?
Know what I mean?
Questions too much
for my head,

Now I dread sleep
No more in bed.
Soothe me with sweet words
that we may sleep
again.

represented they have been painstakingly collected from a multitude of sources and the relative obscurity of some of the voices makes the message all the more moving Moreover all but five of these soldiers lie within forty five miles of Arras Their deaths are described here in chronological order with an account of each man s last battle This in itself provides a revealing gradual change in the poetry from early na ve patriotism to despair about the human race and the bitterness of Dulce et Decorum Est
