Classic Ghost Stories Bill Bowers, 2003-09-01 Even now at the dawn of the twenty first century when science has largely replaced superstition as our way of viewing the world who among us does not hesitate however briefly before entering a darkened room Who does not feel an involuntary shiver at the sound of footfalls somewhere back there Who does not wonder even fleetingly if the spirits of the dead might still wander the earth Who does not feel a jolt of primal fear at things that go bump in the night For all these reasons and more stories of ghosts unexplained happenings and the supernatural remain among the most popular and enduring tales in all of world literature Now The Lyons Press presents CLASSIC GHOST STORIES a chilling collection of some of the very best tales of mystery and imagination ever penned by some of the finest writers the world has ever produced So curl up in a comfortable chair turn on a few more lights to chase away the shadows and prepare to be scared silly These are delightfully creepy tales that have stood the test of time from such stellar authors as Ambrose Bierce Edgar Allan Poe Edith Wharton E F Benson Guy de Maupassant William Fryer Harvey Charles Dickens Amelia B Edwards M R James Algernon Blackwood Rudyard Kipling Edward Bulwer Lytton Mary E Wilkins and many more

Haunted Pet Stories Mary Beth Crain, 2011-07-19 Since ancient times stories have abounded concerning the existence of ghost animals From the Native American animal spirits to the menacing demon dogs of medieval England to present day encounters with animal apparitions there can be little doubt that animals like people live after death and pass back and forth between this world and the next In the realm of the paranormal experiences concerning deceased pets who revisit the living are common events Like the ghosts of humans pet ghosts return for various reasons Sometimes they appear to say goodbye Sometimes they want to reassure their grieving owners that they are all right and that their

spirits are always with them And sometimes as they often did in life they are guarding their beloved humans delivering a message or a warning Haunted Pets covers a wide range of encounters with animal ghosts Some of these encounters are comforting others are terrifying In general when pets return in ghostly form they provide comfort and protection to the living But there are other less benign phantom creatures who have been known to haunt places of violence or exact revenge upon humans for evil deeds which while long past have somehow evaded justice **Haunted Aberdeen and District** Geoff Holder,2010-12-26 From reports of haunted castles hotels public houses chapels and churchyards to heart stopping accounts of apparitions poltergeists and related supernatural phenomena this collection of stories contains both well known and hitherto unpublished tales from around the city of Aberdeen This spine tingling selection includes Fyvie Castle home to the Green Lady Aberdeen Central Library where the ghost of a former librarian still helps customers the Four Mile Inn whose staff have heard ghostly footsteps and His Majesty s Theatre said to be haunted by a ghost named Jake a theatre hand who was killed in a stage accident Richly illustrated with over seventy five photographs and ephemera Haunted Aberdeen is sure to appeal to all those interested in finding out more about Aberdeen s haunted heritage Ghost Stories J. A.
