The Child's Song Donald Capps, 1995-01-01 Theological ideas and biblical injunctions have frequently been employed to legitimate the physical abuse of children Some theological ideas are inherently abusive because they create fear in a child's mind causing a child to feel alone odd and of little worth Donald Capps exposes the abuses that theology and the Bible have inflicted on vast numbers of children In particular he is concerned with the hidden abuses of children by well intentioned adults and the role that religion plays in the legitimization of these abuses

Reflective Interpersonal Therapy for

Children and Parents Hermione Roff, 2008-04-30 Disruptive and aggressive behaviour in children causes significant distress to everyone involved. Traditional interventions tend to focus on changing the disruptive behaviour itself but research shows that it is important to also focus on the underlying anxiety, anger and vulnerability that may have contributed to the child's conduct. In this innovative book, Hermione Roff introduces Reflective Interpersonal Therapy for Children and Parents (RICAP), a new intervention that looks at the processes underpinning disruptive and aggressive behaviour problems. RICAP was developed specifically to meet the needs of children and their families and offers a new way to think about and tackle conduct disorders. The intervention explores the relationship between anxiety and anger, the dynamics of threat and fear, and the behavioural interactions within a prime relationship. Taking a practitioner-oriented approach, Roff introduces the theory underpinning RICAP, the evidence base for the approach, and how it can be put to work in clinical practice. Kid-friendly Parenting with Deaf and Hard of Hearing Children Daria J. Medwid, Denise Chapman Weston, 1995 A step by step guide for parents of children ages 3-12. **Common disorders and diseases of childhood** George Frederic Still, 1910. *Chasing the Scream* Johann Hari, 2015-01-20 January 2015 will mark a century of the war on drugs in the United States, one hundred years since the first arrests under the Harrison Act. Facing down this anniversary, Johann Hari was witnessing a close relative and an ex-boyfriend bottoming out on cocaine and heroin. But what was the big picture in the war on drugs? Why does it continue when most people now think it has failed? The reporter set out on a two-year, 20,000-mile journey through the theater of this war to find out how it began, how it has affected people around the world, and how we can move beyond it. *Chasing the Scream* is fueled by dramatic personal stories of the people he meets along the way: A transsexual crack dealer in Brooklyn who wanted to know who killed her mother; and a mother in Mexico who spent years tracking her daughter's murderer across the desert; A child smuggled out of the Jewish ghetto during the Holocaust who helped unlock the scientific secrets of addiction; A doctor who pushed the decriminalization in Portugal of all drugs from cannabis to crack. The title itself comes from a formative story of Harry Anslinger, first commissioner of the Federal Bureau of Narcotics, sent as a boy to the pharmacy for a neighbor screaming in withdrawal, an experience which led him to fear drugs without regard to context. Always, we come back to the front lines in the U.S. where we instigated the war and exported it around the globe, but where change is also coming. Powerful, propulsive and persuasive, *Chasing the Scream* is the page-turning story of a century-long mistake which shows us the way to a more humane future. **Are You Training Your Child to be Happy?** Armin Klein, Ella Gardner, United States. Children's Bureau, Leah C. Thomas, 1930. **Forensic Child Psychology** Matthew Fanetti, William T. O'Donohue, Rachel Fondren-Happel, Kresta N.
