Scripture And Discernment Decisionmaking In The Church:

Scripture & Discernment Luke Timothy Johnson, 1996 Yet it is not enough for a congregation simply to turn to the Bible when a decision must be reached for Scripture does not directly address all issues which face the church today and those it does often reflect greatly differing historical and social contexts than our own Thus added to the authority of Scripture in the church's decision making is a process of discernment in which the members of the community under the guidance of the Holy Spirit recall how God has worked in their lives as individuals and as a community and discern together God's direction for the future Johnson argues that this very pattern of decision making can be found in Scripture itself notably in one of the central events of the book of Acts

Scripture & Discernment Luke Timothy Johnson, 2011-12-01 Luke Timothy Johnson begins his study of the practical issue of how decisions are made in the church by admitting to a bias that there ought to be a connection between what the church claims to be and how it does things Because the church claims to be a community of faith it does not reach decisions simply on the basis of good management policy or the analysis of market trends or efficiency or even ideological consistency but in response to God's activity in the world that presses upon us and urges us to decision Faced with how to respond to God's leading the church decides what to do on the basis of two realities Scripture and discernment Because it calls the church into being Scripture is the fundamental authority in the church's life Yet it is not enough for a congregation simply to turn to the Bible when a decision must be reached for Scripture does not directly address all issues which face the church today and those it does often reflect greatly differing historical and social contexts than our own Thus added to the authority of Scripture in the church's decision making is a process of discernment in which the members of the community under the guidance of the Holy Spirit recall how God has worked in their lives as individuals and as a community and discern together God's direction for the future Johnson argues that this very pattern of decision making can be found in Scripture itself notably in one of the central events of the book of Acts Beginning with the conversion of Cornelius and culminating in the Apostolic Council of Acts 15 we see how a string of smaller narratives combine to tell the story of God's movement within their midst and how this narrative became the basis for the reinterpretation of Scripture and the inclusion of Gentiles into the fellowship of the church Looking at a number of thorny issues facing the contemporary church Johnson demonstrates how the interaction of Scripture and discernment can and must become the basis for how we respond to the decisions with which the church wrestles today

The Holy Spirit and the Church John McClean, 2025-10-10 The 2023 Edinburgh Dogmatics Conference focused on the theme of The Holy Spirit and the Church It is tempting to observe that these are both unusual topics for a conference in the Reformed theological tradition In recent generations Reformed theology has a reputation of ignoring both That is not true of the deeper tradition of Reformed theology which has had a robust account of the work of the Spirit and high ecclesiology The papers at the conference returned to those themes recovering some of the riches of older theology and also exploring the challenges and implications for the faith in the twenty

first century Each chapter was given as a paper at the conference They retain something of the directness of papers that were read to an audience *The Revelatory Body* Luke Timothy Johnson,2015-08-23 Argues that theology can respond faithfully to the living God only by paying due attention to human bodily experience Scripture points to the human body and lived experience as the preeminent arena of God s continuing revelation in the world says Luke Timothy Johnson Attentively discerning the manifestations of God s Spirit in and through the body is essential for theology to recover its nature as an inductive art rather than as traditionally conceived a deductive science Willingness to risk engaging actual human situations as opposed to abstract conceptualizations of those situations is required of the theologian Johnson argues He celebrates the intimations of divine presence and power in such human experiences as play pain pleasure work and aging showing how theology can respond faithfully to the living God only by paying due attention to human bodily experience **Decision Making in the Church** Luke Timothy Johnson,1983 **Reading Scripture in the Fellowship of the Spirit** Trevor Reynolds,2019-02-19 How does the Holy Spirit guide the Christian community in its custodianship and interpretation of Scripture How does the fact that the Spirit is characterized by koinonia impact upon this task In light of this do we read Scripture with too much of an individualistic mindset In this new book Dr Trevor Reynolds addresses these questions seeking answers primarily from within Scripture itself He explores in depth what Jesus and the New Testament community taught concerning the interpretive role of the Holy Spirit How did they interpret Scripture with the help of the Spirit He highlights their corporate Spirit led hermeneutic with its challenge to our individualistic approaches The New Testament writers interpreted the Old Testament in a way that revealed communal methods of interpretation These were informed by Jewish pneumatic and corporate solidarity notions as reshaped by Jesus own Spirit given example and legacy In this book New Testament extracts are discussed which contain either specific examples of how Old Testament Scripture is interpreted by members of the New Testament community with the Spirit s help or speak of the Spirit s work of interpretation in a more general way Trevor Reynolds seeks to uncover their implications for biblical hermeneutics as well as for the doctrine use and custodianship of Scripture in the life and witness of the church today The book concludes by pointing to the wide ranging implications that reading Scripture in the fellowship of the Spirit poses for today s church *Discernment in the Early Church and Today* John G. Lewis,2025-10-07 An exploration of Paul s role as a pastoral theologian in the early church Through a close exegetical reading of Paul s letters this volume shows how Paul prioritized moral formation and community building in his pastoral ministry and placed the practice of communal discernment in churches at the heart of life in the Spirit Applying these fundamental insights for today s churches Lewis reclaims Paul s primary pastoral emphasis on moral discernment and community building showing how this practice can be used in a variety of local church communities Ideal for scholars and clergy interested in applying Paul s pastoral theology to real contexts the volume includes practical examples and strategies for engaging in a vibrant practice of spiritual discernment today **The Way of Discernment**

Elizabeth Liebert,2008-08-01 We all make decisions constantly some with careful reflection some without much thought But what if we understood these decisions minor as well as major as matters of faithful Christian living In this helpful and encouraging book Elizabeth Liebert introduces the practice of discernment and guides readers through the process of faithful decision making Following the way of discernment means becoming increasingly able to notice where God is at work in the world and in one's own life and becoming increasingly generous with one's own life in response After briefly exploring the Christian tradition of discernment Liebert then turns to practical steps and exercises that will help readers as they seek God's call in the midst of their decisions allowing readers to internalize some of these practices and incorporate them into their daily lives

Seymour, 2015-05-05 Biblical faith is a lens for viewing life and Jack Seymour refreshingly illustrates how the reading of scripture is a resource for ongoing theological reflection connecting experience vocation daily life and faith Teaching has concrete consequences affecting the very ways people of faith view the world and make decisions for living It matters it makes a difference in how people think and act Written in an accessible style the book provides a manageable way to inspire conversation about the many ways the Bible can be taught the purposes and outcomes of each approach and how biblical wisdom shapes personal and corporate decision making Useful strategies for leading group Bible study help congregations respond faithfully to the Biblical witness and cultivate a whole congregation approach to Bible study Seymour provides guidance on what it means to be a teacher and how to teach Christian faith suggesting that teachers are like animators who envision and enliven the biblical stories and invite people to make connections in life Narola Ao McFayden Union Presbyterian Seminary Richmond Va Interpretation A Journal of Bible and Theology 71 4 **The Church's Guide for Reading Paul** Brevard S. Childs, 2008 The Church's Guide for Reading Paul is the final work of a prolific and beloved biblical scholar Brevard Childs here turns his sharp scholarly eye to the works of the apostle Paul and makes an unusual argument the New Testament canon's formation was above all a hermeneutical exercise in which its anonymous apostles and postapostolic editors collected preserved and theologically shaped the material in order for the evangelical traditions to serve successive generations of Christians **BOOK JACKET**

The Future of Catholic Biblical Interpretation James B. Prothro, Isaac Augustine Morales, 2024-09-10 Notable Catholic interpreters of Scripture discern the guiding values of biblical interpretation at the brink of a new era for the church Under the influence of Benedict XVI and Francis Roman Catholics whether lay or religious have found renewed interest in studying sacred Scripture Yet the church has also grown and faces new challenges in the new millennium What does the future of Catholic biblical interpretation look like And how ought the church's rich heritage of biblical interpretation continue to influence it This volume collects essays by some of the most influential voices in Catholic biblical scholarship today Covering a variety of topics from the Old Testament to the New Testament and biblical theology the essays are united by a common goal to hear the word of God and proclaim and apply it within the church The authors pay special tribute to Marie Joseph Lagrange This nineteenth century French Dominican led the way in blending critical methodology with respect for the Church's authority in order to put scriptural study in service to the good of souls Featuring diverse and authentically Catholic perspectives The Future of Catholic Biblical Interpretation represents fresh purpose and direction for the church's long and fruitful tradition of exegesis **Leadership and Listening** Donald E. Zimmer, 2011-06-22 Church leaders must fundamentally change the way they view leadership governance and management in their organizations if they are to take

seriously the need to listen to God's desires before acting In Leadership and Listening readers will find encouragement and specific suggestions for re-imagining church governance and management Zimmer observes that the contemporary church is rooted in both the kingdom of God and the systems and cultures of government and business Most people who serve in governing and management roles in the church in the United States today have been formed in the corporate world and acculturated to parliamentary process As a result many church governing boards are about business rather than their primary task discerning God's desires for the part of the church they serve Through research with more than one hundred church leaders Zimmer learned that the church and the business community possess many insights and resources that can help boards shift toward a focus on seeking first the desires of God's heart and then responding effectively By drawing on the guidance Zimmer offers a church board can transform itself from a group that manages the day to day affairs of the church to one that makes listening prayer worship reflection and community the first priority Peter's Halakhic Nightmare John R.L. Moxon, 2017-07-20 Did Luke intend Peter's visionary command to eat unclean animals in Acts 10 to suggest the dissolution of the Jewish Law Whilst scholars have argued over sources inconsistent redaction and later reception many have failed to notice here the novel use of a type of transgression anxiety dream John Moxon shows how by the incorporation of such naturalistic motifs Luke takes revelation in a new and decidedly psychological direction probably imitating similar developments in Graeco Roman biography If the vision reveals an illegitimate transfer of disgust within an exaggerated halakha of separation then its target is prejudice and inconsistency not the Jew Gentile divide as such as underlined by the ironic contrast with the pious Cornelius In this reading Luke's non supercessionism is maintained whilst showing him acutely aware of the kinds of nightmare holding many back from the nascent Gentile mission The Blackwell Companion to Catholicism James J. Buckley, Frederick C. Bauerschmidt, Trent Pomplun, 2010-12-13 The Blackwell Companion to Catholicism offers an extensive survey of the history doctrine practices and global circumstances of Roman Catholicism written by a range of distinguished and experienced Catholic writers Engages its readers in an informed and informative conversation about Roman Catholic life and thought Embraces the local and the global the past and the present life and the afterlife and a broad range of institutions and activities Considers both what is distinctive about Catholic life and thought and how Catholicism overlaps with and transforms other ways of thinking and living Topics covered include peacemaking violence and wars money the vow of poverty and socio economic life art by and about Catholics and men women and sex **African Pentecostalism and Eschatological Expectations** Marius Nel, 2019-09-16 The Pentecostalisation of African Christianity has been called the African Reformation of the past thirty years African Pentecostalism is a diverse movement characterised by its emphases on Spirit baptism divine healing charismatic worship and eschatological expectations This work investigates its eschatological systems in terms of its unrealised expectation of the second coming of Christ and suggestions are presented for the movement to keep its eschatology at the heart of its impetus This is accomplished through a hermeneutical

awareness of the distinctiveness of Pentecostalism as a restorationist movement Written for pastors church leaders and believers this book discusses the literalistic way of reading the Bible in most of the classical Pentecostal components of African Pentecostalism supporting their premillennialist and even dispensational eschatological views It suggests a new Pentecostal hermeneutics developed by scholarship in the past forty years in line with significant elements of the way in which early Pentecostals read the Bible This new hermeneutical awareness implies new and exciting ways of thinking about eschatology that will enrich and enlighten African Pentecostalism in its hope for the second coming of Christ **The Lord and Giver of Life** David Hadley Jensen,2008-01-01 In this exciting collection an array of contemporary theologians reflect on the work of the Holy Spirit in relation to some of the worlds most pressing issues and problems Offering a corrective to disembodied discussions of the Spirit this book provides a look at the Holy Spirit set loose and sustaining the gift and struggle for life in the midst of todays troubled world Among other topics the contributors examine the Spirits activity in the reading of Scripture the reality of religious pluralism the growing ecological crisis the rise of consumerism and issues of empire Contributors include John B Cobb Jr Roger Haight SJ Barbara A Holmes David H Jensen Molly T Marshall Sallie McFague Amy Plantinga Pauw Joerg Rieger Eugene F Rogers Jr and Amos Yong **It Takes a Church to Raise a Christian** Tod E. Bolsinger,2004-04 Rediscover the triune nature of God to reawaken and nourish a communal spirit in our individualist times Practicing Discernment Together Lon Fendall,Jan Wood,Bruce Bishop,2007-01-01 To discern is to hear and understand Gods voice as articulated by the Holy Spirit resident within us Discernment is a necessary precondition for faithfulness to Gods leadings This is as true for groups as it is for individuals which means it is true for congregations and businesses that want to obey Christ Group discernment is an essential ingredient of anything that Christs followers seek to do together Even the smallest Bible study group or informal gathering makes decisions That decision making carries with it the potential of strengthening the spiritual depth of each member of the groupbut it also makes misunderstanding division and even the complete destruction of the group possible We invite you into an exploration of the ways God wants to enrich instruct and guide groups of believers called into common endeavors As those of us who have experienced the wonder and joy of this process can attest decisions arrived at by discernment truly witness to the fact that God is God and that faithfulness is an amazing journey from Practicing Discernment Together
