Concord Cunningham on the Case Mathew Halverson, 2003-04-01 Contains twelve mystery stories in which Concord Cunningham solves the case and prompts the reader to look up a specific Bible verse for the solution **Concord Cunningham on the Case** Mathew Halverson, 2003-04-01 NULL Middle English Mouths Katie L. Walter, 2018-04-30 The mouth responsible for both physical and spiritual functions eating drinking breathing praying and confessing was of immediate importance to medieval thinking about the nature of the human being Where scholars have traditionally focused on the mouth's grotesque excesses Katie L. Walter argues for the recuperation of its material everyday aspect Walter's original study draws on two rich archives one comprising Middle English theology Langland Julian of Norwich Lydgate Chaucer and pastoral writings the other broadly medical and surgical including learned encyclopaedias and vernacular translations and treatises Challenging several critical orthodoxies about the centrality of sight the hierarchy of the senses and the separation of religious from medical discourses the book reveals the centrality of the mouth taste and touch to human modes of knowing and to Christian identity **Children's Books in Print, 2007**, 2006 *The Didache* Aaron Milavec, 2003 In this study Aaron Milavec comprehensively examines how the first century pastoral manual known as the Didache enumerated the step by step training of converts for the full active participation in the earliest Jewish Christian communities Milavec shows how the Didache can in turn illuminate our understanding of how these first Christian men and women organized their community life socially religiously and politically in order to safeguard its members from the challenges of the surrounding Roman pagan society of the first century Mediterranean basin He argues not only that the Didache's textual and contextual clues demonstrate the document's organic unity from beginning to end but also that it dates from a period before the gospels were written and had gained acceptance BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *The Biblical Kierkegaard* Timothy Polk, 1997 Placing Kierkegaard firmly within the Augustinian tradition of reading Scripture according to the Rules of faith and love Polk brings Kierkegaard's biblical hermeneutics into conversation with current postliberal narrative theology speech act theory canon contextual criticism reader response criticism feminist theology and political theology Scripture Matters Scott Hahn, 2003 Popular author and scholar Dr Scott Hahn has released a collection of essays on the study and interpretation of Scripture from a Catholic perspective Aptly titled Scripture Matters Essays on Reading the Bible from the Heart of the Church Dr Hahn takes a penetrating look into the depths of Scripture showing the reader how to uncover its many layers of meaning and inspiration Scripture Matters serves both as an instructional guide to reading the Bible and as a delightful meditation on the grandeur of God's Word Dr Hahn effectively illustrates his discussion with the writings of Saint Thomas Aquinas Saint Josemaria Escriva Cardinal Ratzinger and other exemplary scholars of Scripture who truly speak from the heart of the Church **Jonah, the Federal Sleuth** Mitchell Lee, 2017-01-17 It sounds like the plot for a great novel A young man turns away from Christ and

joins the Army where he works on helicopters before becoming an assassin for the CIA For Mitchell Lee however this is no fictional plot this is his life While he would try rededicating himself to the Lord he was ostracized from ministry work and became an investigator Eventually however he fled Indiana after corrupt informers tried to frame him for a crime that never occurred After contacting the FBI to clear his name the agency commissioned him as a street agent specializing in detecting assassination plots and crime rings He soon discovered that many criminals working for the government were using their status as informers to further their criminal enterprises As an FBI agent he prevented unconstitutional stings targeting militias and after quitting his former employer tried to kill him Youll discover that truth is stranger than fiction as well as the shortcomings of American democracy in *Jonah the Federal Sleuth* **Texts and Contexts** Tord Fornberg, David Hellholm, Christer D.
