American Bible Society

Scripture Of The Blind:

Bible Society Record ,1952 **Scripture's Knowing** Dru Johnson,2015-10-22 Scripture s Knowing is a guide to the emerging field of philosophical study of Scripture specifically about knowing Assuming that the Scriptures speak verbosely and persistently about knowing what do the biblical authors have to say How do they conceptualize ideas like truth and knowledge Most importantly how do we come to confidently know anything at all Scripture s Knowing follows the discourse on knowledge through key biblical texts and shows the similarity of biblical knowing with the scientific enterprise The findings are linked to the role of ritual in knowing and implications for theologians and churches today **Bible Blindspots** Jione Havea,Monica Jyotsna Melanchthon,2021-11-03 Several of the ways and cultures that the Bible privileges or denounces slip by unnoticed When those the privileged and the denounced are not examined they fade into and hide in the blind spots of the Bible This collection of essays engages some of the subjects who face dispersion physical displacement that sparks ideological bias and othering ideologies that manifest in social distancing and political displacement These include among others the builders of Babel Samaritans Melchizedek Jezebel Judith Gomer Ruth slaves and mothers In addition to considering the drive to privilege or denounce the contributors also attend to subjects ignored because the Bible s blind spots are not examined These include planet Earth indigenous Australians Palestinians Dalits minjungs battered women sexual abuse victims religious minorities mothering men gays and foreigners This collection encourages interchanges and exchanges between dispersion and othering and between the Bible and context It flows in the currents of postcolonial and gendered studies and closes with a script that stages a biblical character at the intersection of the Bible s blind spots and modern readers passions and commitments **A.W.
