Scripture Way Of Salvation The Heart Of John Wesleys Theology:

The Scripture Way of Salvation Kenneth J. Collins, 1997 Taking its title from one of John Wesley's most important sermons The Scripture Way of Salvation explores the soteriological content of Wesley's entire literary corpus sermons letters theological treatises journals and the notes on the Old and New Testaments Fundamentally a doctrinal study it is historically sensitive to the subtle shifts and nuances of Wesley's continuing reflections about the processes of salvation and the nature of Christian life Collins provides a clear discussion of Wesley's emerging views about the development and maturation of Christian life and in so doing highlights the essential structure that undergirds and provides the framework for Wesley's way of thinking about the processes of salvation *The Theology of John Wesley* Kenneth J. Collins, 2007 A rich articulation of John Wesley's theology that is appreciative of the old and mindful of the new faithful to the past and attentive to the present This work carefully displays John Wesley's eighteenth century theology in its own distinct historical and social location but then transitions to the twenty first century through the introduction of contemporary issues So conceived the book is both historical and constructive demonstrating that the theology of Wesley represents a vibrant tradition Cognizant of Wesley's own preferred vocabulary Collins introduces Wesley's theological method beginning with a discussion of the doctrine of God In this insightful exposition the leitmotif of holy love arises out of Wesley's reflection on the nature of the divine being as well as other major doctrines Douglas Meeks The Sermons of John Wesley Prof. Kenneth J. Collins, Dr. Jason E. Vickers, 2013-08-20 With an eye on serious Christian development Kenneth Collins and Jason Vickers have arranged this collection of the sermons of John Wesley in terms of the way of salvation in general and the ordo salutis in particular This book contains the sermons that John Wesley approved in addition to the standard 52 of the North American tradition organized to correspond to the logic of Christian discipleship and formation The editors include an outline and short introduction to each sermon detailing its importance and context Sermons include Sermon on the Mount which is key to understanding Wesley's ethics Free Grace On Working Out Our Own Salvation and The Danger of Riches The book is designed to enhance the reader's understanding of Wesleyan practical theology and written in an accessible style that will be appealing to the wider Wesleyan family of churches Also included are all of the 44 standard sermons of the British tradition

John Wesley Prof. Kenneth J. Collins, 2003-06-01 John Wesley A Theological Journey has been nominated for a Wesleyan Theological Society Book Award Abingdon Press would like to congratulate Kenneth Collins on this honor John Wesley remains a seminal figure not only for the people called Methodist but also within the larger Protestant tradition Understanding his theology is a requirement for understanding the development of the Western Christian tradition in the modern period In recent years much work has been done to grasp the intricacies of Wesley's theology However most of this work has been thematic in organization studying Wesley's thought according to a topical or systematic outline The weakness of this approach argues Kenneth J. Collins is that it fails to demonstrate the evolution and changes of Wesley's theology What

is called for is a historical presentation one that examines the development of Wesley's theology across the span of his long and eventful theological career Collins thus provides a chronological presentation of the development of Wesley's theology Drawing on an extensive examination of the primary sources and demonstrating an intimate knowledge of the different contexts and social locations in which Wesley's theology took place *John Wesley A Theological Journey* will be necessary reading for anyone wishing to understand the broad scope of the Methodist leader's theological development and contribution

John Wesley's Doctrine of Justification Mark. K. Olson, 2024-01-16 *John Wesley's Doctrine of Justification* provides updated scholarship on this pivotal doctrine of Methodism providing a deeper understanding of a major tenet of the Christian faith Mark Olson offers a comprehensive treatment of the development and exposition of Wesley's doctrine of justification and how it changed throughout Wesley's life including his early views rooted in Anglican heritage the significant developments in Wesley's career and contributions from notable figures like John Fletcher to his doctrine of general justification The doctrine of justification was pivotal to John Wesley's understanding of a person's relationship with God In Wesley's view it defined one of the two general parts of salvation It touched every aspect of the spiritual journey from birth general justification to conversion present justification to final judgment and glory final justification To properly understand Wesley's *via salutis* and theology one needs to grasp the particulars of his doctrine of justification The best way to do this is to tell the story of how he came to understand the doctrine over the course of his life It is a complex story with many twists and turns that deserves to be fully told

John Wesley's Pneumatology Joseph W. Cunningham, 2016-05-06 Perceptible inspiration a term used by John Wesley to describe the complicated relationship between Holy Spirit religious knowledge and the nature of spiritual being is not unlike the term Methodist which was also coined by critics of Methodism during the eighteenth century in Britain John Wesley's adversaries especially the pseudonymous John Smith with whom Wesley exchanged letters for a period of three years frequently challenged the plausibility of direct spiritual sensation which Wesley defended What does Wesley mean by perceptible inspiration What does the teaching reveal about the nature and existence of God in Wesley's thinking What does it suggest about the spiritual nature of humankind In *John Wesley's Pneumatology* it is argued that perceptible inspiration more than a sidebar of Methodist thought offers a useful model for considering the various features of Wesley's views on the work of the Spirit in relation to human existence participatory religious knowledge and moral theology
