P. Shiel,2019-11-29 In M P Shiel s novel The Lord of the Sea the narrative unfolds against the backdrop of the enigmatic Caribbean where the tension between civilization and the primal world manifests through a gripping tale of obsession and the supernatural Shiel employs a rich and evocative prose style characterized by lush descriptions and a palpable atmosphere that immerses the reader in the oceanic themes of fate and power This work is a remarkable reflection of the literary context of the early 20th century blending Gothic elements with maritime lore and positioning itself within the broader currents of romanticism and early modernist literature M P Shiel a prolific writer and influential figure in the genre of weird fiction drew upon his diverse experiences and deep understanding of colonialism and the natural world to craft this narrative Born in 1865 in the West Indies and later settling in England Shiel s own life echoes the themes of his work illustrating the struggles of identity belonging and the human condition against an expansive and often unforgiving nature The Lord of the Sea is a compelling read that invites audiences to ponder profound philosophical questions while savoring Shiel s exquisite language It will appeal not only to enthusiasts of Gothic literature but also to those interested in the complex dynamics between myth identity and the natural world making it a thought provoking addition to any literary collection **The Lord of the Sea** Matthew Phipps Shiel,2014-04-25 Matthew Phipps Shiell also known as M P Shiel was a prolific British writer of West Indian descent His legal surname remained Shiell though he adopted the shorter version as a de facto pen name He is remembered mostly for supernatural and scientific romances His work was published as serials novels and as short stories The Purple Cloud 1901 1929 remains his most famous and often reprinted novel The Search for Selfhood in Modern Literature M. Roston,2001-09-05 The scientific achievements of the modern world failed to impress the leading writers of this century leaving them instead profoundly disturbed by a sense of lost values and of the insignificance of the individual in a universe seemingly indifferent to human concerns In The Search for Selfhood in Modern Literature Roston explores the strategies adopted by such mid century authors as Greene Salinger Osborne Baldwin and others in their attempt to cope with the spiritual vacuity strategies including the emergence of the anti hero and of literary existentialism and offer in the course of the investigation fascinatingly new insights into their work Faith Finding a Voice Cardinal Vincent Nichols,2018-04-05 In Faith Finding a Voice Cardinal Vincent Nichols invites us to join him in an exploration of the presence of God in our lives How might we attune our ears to listen with greater attention to the voice of God through Scripture the teachings of the Church divine worship and the exercise of Caritas How might the gift of faith be realised in our lives in order that an authentic voice might be heard through our words and actions The reader is encouraged to reflect upon the mystery of the Triune God revealed to humanity and seen uniquely in Jesus Christ Drawing primarily upon

the altarpiece *The Nativity with Saints* by Pietro Orioli Cardinal Vincent shows how by following the way and ministry of Jesus we are drawn into union with the divine now and for all eternity Through this vision the Cardinal advocates the necessity of theological and religious literacy for the common good of society This engagement encourages us to nourish the seeds of hope and to strive to build a more peaceful world through inter faith dialogue Such dialogue is enhanced the Cardinal believes through the baptised faithful understanding their role as missionary disciples Pope Francis *Evangelii Gaudium* 120 The ministries of the Church are portrayed as an interlocking framework in which the unity of the faithful may glorify God and serve humanity through the voice of evangelization **The American Benedictine Review** ,2020 **The Tablet** ,1871 The international Catholic weekly *The Church of England magazine [afterw.] The Church of England and Lambeth magazine* ,1853
