Season With The Gaa:

All In My Head Lar Corbett, 2012-10-25 For Tipperary hurling defeat in the 2012 All Ireland semi final was heartbreaking For Lar Corbett it was devastating Then again it has never been a straight road for the three time All star and 2010 Player of the Year Deemed not good enough to play for Tipperary at minor level he was nineteen before his unique talent was identified by Nicky English who gave Lar his chance in the All Ireland winning squad of 2001 But this success was to be followed by years of despair as Tipperary hurling floundered managers came and went and a recurring hamstringing condition left his career hanging in the balance The turning point came in 2007 with the arrival of the dream team of Liam Sheedy Eamon O Shea and Michael Ryan Encouraged to play more freely and to exploit his explosive pace Lar soon became one of the most lethal forwards in the game His three goal blitz against Kilkenny in the 2010 All Ireland final is the stuff of legend Following defeat in the 2011 All Ireland final Lar stepped away from the game in February 2012 but was ultimately persuaded to return for the championship Then came the disastrous semi final where tactical changes kept Lar largely out of the game and provoked unprecedented criticism from media and fans alike In All In My Head Lar offers a unique insight into what happened on that day and over the turbulent year leading up to it This honest and revealing autobiography is a must read for all fans of the sport of hurling

system that would allow all teams to have a chance at the best talent available The NHL Entry Draft also permitted those teams who had performed poorly a chance of improving their team with that one cornerstone player Throughout the first fifty years of the NHL Entry Draft the bevy of talent chosen at the same position overall has been quite interesting Have you ever wondered why some of the best players in the world were taken near the end of the draft or even undrafted altogether It s very interesting to find out who the best 1st Overall Pick ever is but it s also very fascinating to see who the best 51st Overall Pick is and so on This book seeks to determine a champion at every drafted selection through the first 50 years of the NHL Entry Draft *100 Things Flyers Fans Should Know & Do Before They Die* Adam Kimelman,2010-10-01 Knowledge and memory are an important part of the fabric of being a fan So are experiences 100 Things also includes things fans should actually see and do before they join their heroes at the Pearly Gates This book contains numerous tips and suggestions for enjoying a team on a different more involved level **Guardians of the Goal** George Grimm,2019-10-01 A history of Rangers goalies through the ages New York Rangers fans have always loved their goaltenders and throughout their history the Blueshirts have been blessed with some of the very best in the game Through the first nine plus decades of their existence eighty eight men from Canada the United States and Europe have toiled between the pipes at Madison Square Garden They all shared the same responsibility yet each brought their own style personality character and idiosyncrasies to the position and provided unique memories for those of us who watched them In Guardians of the Goal each one of these brave men is discussed in chronological order while providing an overview of their era and the general managers and coaches they played for Such players highlighted in this book include Mike Richter Ed Giacomin John Vanbiesbrouck Henrik Lundqvist Davey Kerr And many more Regardless of whether they were a franchise goalie a flash in the pan or an emergency fill in each of these Lone Rangers or as Steve Baker once called them The few the proud and the very busy have one thing in common they all tried their best to keep that little one inch by three inch piece of frozen vulcanized rubber out of the gaping twenty four square foot chasm behind them Some were more successful than others but as you will see although they may occasionally steal a game in most cases a goaltender is only as good as the team in front of him Guardians of the Goal is just that an ode to those Blueshirts who laid it out night in and night out leaving it all out on the ice for our Rangers
