Neal, 2015-08-14 My book is Holy Spirit inspired prompting me on a journey from conflict to peace Every psalm and poem reflects my inner most experiences through my turbulent life including many failures and triumphs God has proven to me time and time again that His love strength and wisdom is present in every aspect of my life He gave me hope when I had none Jesus helped me start over and cast my burdens onto Him The life I lead was long and hard and some of these psalms and poems tell my story of pain loss failure and acceptance giving me a much needed hard look at myself to make a drastic change in my life I continue to face challenges on this journey being prompted by the Holy Spirit to excel and not lose faith and He has opened my eyes and helped me to accept forgive repent and share my experiences I still have many weak moments but Jesus shows me that in holding fast through faith He will never leave me No matter how hard life gets or how long my journey is until Im called home Jesuss love will never fail me Seasons of Love Mamata Sampath, 2024-11-12 Seasons of Love takes readers on an emotional journey through the changing seasons of the heart From the cold isolating winter of heartbreak to the warmth of healing in the spring and summer and finally the fulfilment of love in autumn this poetry collection explores the raw and beautiful facets of love loss and renewal Each poem

reflects not only personal experiences but also stories witnessed moments shared and emotions absorbed from life books and movies Seasons of Love reminds us that love like the seasons transforms and grows with time Through heartbreak and healing this collection celebrates the resilience of the human heart discovering that even in the darkest times love is always within reach one season at a time *Odyssey of Love* Geeta Bhandari,2016-09-23 This book is my second attempt to celebrate the pastiche of finest human emotion that is love I must admit that it is very tedious for people to get the story of their life right because it is so subtle and complex The paradisal innocence and guilelessness of the cosmos and the power and glory of relationships have their own illusions and disillusionment but they are the way of our life all true and real wherein love comes as a magic wand setting aside regret reproach and grief Life goes on and is frequented with unknown minds Emotions enter sometimes confronted with compassion and pity making us vulnerable And one is forced to say If thy unworthiness raised love in me More worthy I to be beloved of thee William Shakespeare What emerges from all this is remarkable indeed unique Love is a healer and this is vehemently expressed by one and all Love is a real mystery which made Keats cry O for a life of sensations Rather than of thoughts The impetus for writing this book sprang from my growing realization that love is the only hope in this pernicious and deleterious world of today Some may find love gibberish panoply of emotions or a clap trap bringing butterflies and jingles in the heart but it certainly ennobles man Looking on what I have done with my life today I believe I have probably raised a premeditated exaltation to the perennial cause of joy something which has made me feel humble as and when it possessed and overpowered me The poetess speaks of love wondrous love and looks upon spring as the divine manifestation and is an eternal naysayer to pessimism The war of emotions that the human heart is persistently engaged in and the gutless modern men lacking in passion and compassion reinforce her faith and hope for the second world Amen T S Anand editor Literary Voice *Odyssey of Love* is a pious and secular peregrination goaded by the disquieting magnetism and charisma of love Dr B L Chakoo professor emeritus
