Nicholas Grene

Shakespeare's Tragic Imagination Contemporary Interpretations Of Shakespeare:

Shakespeare's Tragic Imagination Nicholas Grene, 2016-07-27 The world of Macbeth with its absolutes of good and evil seems very remote from the shifting perspectives of Antony and Cleopatra or the psychological and political realities of Coriolanus Yet all three plays share similar thematic concerns and preoccupations the relations of power to legitimating authority for instance or of male and female roles in the imagination of male heroic endeavour In this acclaimed study Nicholas Grene shows how all nine plays written in Shakespeare's main tragic period display this combination of strikingly different milieu balanced by thematic interrelationships Taking the English history play as his starting point he argues that Shakespeare established two different modes of imagining the one mythic and visionary the other sceptical and analytic In the tragic plays that followed themes and situations are dramatised alternately in sacred and secular worlds A chapter is devoted to each tragedy but with a continuing awareness of companion plays the analysis of Julius Caesar informing that of Hamlet discussion of Troilus and Cressida counterpointed by the critique of Othello and the treatment of King Lear growing out from the limitations of Timon of Athens The aim is to resist homogenising the plays but to recognise and explore the unique imaginative enterprise from which they arose

Shakespeare's Tragic Imagination Nicholas Grene, 2016-01-05 The world of Macbeth with its absolutes of good and evil seems very remote from the shifting perspectives of Antony and Cleopatra or the psychological and political realities of Coriolanus Yet all three plays share similar thematic concerns and preoccupations the relation of power to legitimating authority for instance or of male and female roles in the imagination of male heroic endeavour In this acclaimed study Nicholas Grene shows how all nine plays written in Shakespeare's main tragic period display this combination of strikingly different milieu balanced by thematic interrelationships Taking the English history play as his starting point he argues that Shakespeare established two different modes of imagining the one mythic and visionary the other sceptical and analytic In the tragic plays that followed themes and situations are dramatised alternately in sacred and secular worlds A chapter is devoted to each tragedy but with a continuing awareness of companion plays the analysis of Julius Caesar informing that of Hamlet discussion of Troilus and Cressida counterpointed by the critique of Othello and the treatment of King Lear growing out from the limitations of Timon of Athens The aim is to resist homogenising the plays but to recognise and explore the unique imaginative enterprise from which they arose

Shakespeare's Tragic Art Rhodri Lewis, 2024-10-08 In this book Rhodri Lewis argues that Shakespeare's tragedies are a series of experiments that attempt to tell the truth about the world as Shakespeare sees it and to discover how far he can stretch tragic affirmation to accommodate the darker aspects of this vision Lewis argues that Shakespeare worked hard to develop an understanding of what tragedy might be good for that this understanding emerged from his engagement with the traditions of tragic writing and theorizing that had gone before him that he used this understanding to shape his tragic plays as carefully patterned aesthetic wholes and that Shakespeare's understanding of the tragic has as little to do with Hegel as it

does with the unities of tragic time place and action that many of Shakespeare's peers and successors busied themselves abstracting from Aristotle's Poetics Lewis begins the book by tracing the ideas and practices of tragedy as they were known to Shakespeare and his contemporaries in the sixteenth century He then takes a chronological approach to Shakespeare's plays ultimately seeking to affirm the status of dramatic art in Shakespeare's time as a medium for telling the truth about the human experience in a world that is not fully susceptible to rational analysis

Shakespeare the Playwright Victor L. Cahn, 1996-03-30 When Victor Cahn's Shakespeare the Playwright was issued in 1991 it was highly recommended for any general public library and for academic collections at all undergraduate levels Choice and viewed as a useful guide for the general reader as well as high school and undergraduate students Library Journal Now Professor Cahn has revised his introduction to make the context of Shakespeare's plays more meaningful to the beginning researcher and to show how the plays have been performed from the 16th century onward In addition the bibliographies for each of the 37 plays have been updated to include the best new research These updates and revisions will enhance the use of this guide for the general reader student and researcher from high school onward Since their first production four centuries ago the plays of William Shakespeare have been the most widely produced popularly acclaimed and critically examined works in the world's literature In this unique book Victor L Cahn an acclaimed teacher of drama guides the reader scene by scene through each of Shakespeare's thirty seven plays re-creating the freshness and theatrical effect of performance Cahn has based his approach on the assumption that the fundamental appeal of Shakespeare's plays lies in the characters and with clarity and subtlety he focuses on how the implications of the characters' actions and the nuances of their language contribute to the plays' impact The introduction briefly traces Shakespeare's life and career and explains some of the social and artistic circumstances that influenced his work The plays are grouped by genre Tragedies Histories Comedies and Romances This structure allows Cahn to explore Shakespeare's development in all four dramatic forms as well as to suggest relationships between characters themes and images throughout the works In addition Cahn discusses the plays as reflective of Shakespeare's age particularly the Renaissance concern with the tension between individual rights and social responsibility The text is free from extensive scholarly apparatus but valuable suggestions for further reading follow the analysis of each play and a selected bibliography concludes the volume The comprehensiveness of the book as well as the accessibility and quality of its interpretations make it a valuable resource for courses in Shakespeare drama and British literature and a worthy addition to high school college university and public library reference collections

Shakespearean Tragedy D. F. Bratchell, 2019-05-24 This volume reflects changing critical perceptions of Shakespeare's works from Renaissance to modern times and celebrates the power of Shakespearean tragedy The selection of critical reaction covers both the general concept of Shakespearean tragedy and its expression in the major plays illustrating the main directions of critical approaches to Shakespearean tragedy and enabling the reader to develop an informed response to Shakespeare's dramatic works An introductory chapter traces the

development of the concept of tragedy from classical times and its dramatic expression in the time of Shakespeare Each of Shakespeare's great tragedies Hamlet Macbeth Lear and Othello is considered in turn and a final chapter summarizes contemporary critical approaches so that the reader can link the best of the critical past with the present critical scene

The Definitive Shakespeare Companion Joseph Rosenblum, 2017-06-22 This expansive four volume work gives students detailed explanations of Shakespeare's plays and poems and also covers his age life theater texts and language Numerous excerpts from primary source historical documents contextualize his works while reviews of productions chronicle his performance history and reception Shakespeare's works often served to convey simple truths but they are also complex multilayered masterpieces Shakespeare drew on varied sources to create his plays and while the plays are sometimes set in worlds before the Elizabethan age they nonetheless parallel and comment on situations in his own era Written with the needs of students in mind this four volume set demystifies Shakespeare for today's readers and provides the necessary perspective and analysis students need to better appreciate the genius of his work This indispensable ready reference examines Shakespeare's plots language and themes his use of sources and exploration of issues important to his age the interpretation of his works through productions from the Renaissance to the present and the critical reaction to key questions concerning his writings The book provides coverage of each key play and poems in discrete sections with each section presenting summaries discussions of themes characters language and imagery and clear explications of key passages Readers will be able to inspect historical documents related to the topics explored in the work being discussed and view excerpts from Shakespeare's sources as well as reviews of major productions The work also provides a comprehensive list of print and electronic resources suitable for student research

Shakespeare's Reception and Interpretation in the Baltics Ramunė Marcinkevičiūtė, Maris Peters, Guna Zeltiņa, 2023-11-13 This book is the first collection of research in English devoted to interpretations of Shakespeare's works in all three Baltic countries using historical structural and comparative analysis The purpose of this edited collection written by leading Shakespeare researchers in the Baltics is to introduce international readers to the unique experience of Baltic theatre to analyse the importance of Shakespeare's appropriation during the process of development of Baltic national culture and to highlight the key tendencies and personalities involved in this process This book will provide rich informative and analytical material for students teachers lecturers and researchers of Shakespeare as well as theatre theoreticians and practitioners
