Shakespeares Views Of The Individual In Relation To The State:

Shakespeare and the Founders of Liberty in America Charles Mills Gayley, 1917 *Studies in Philology*, 1918 **Death and Life** John Marcellus Steadman (Jr.), 1918 *Shakespeare in the Theatre: Trevor Nunn* Russell Jackson, 2018-11-15 Sir Trevor Nunn is one of the most versatile and accomplished directors in the English speaking theatre This book examines his achievements as a director of Shakespeare within the wider context of debates on the cultural politics of Britain's theatrical institutions in the twentieth and twenty first centuries His approach has been marked by the combination of close textual analysis with inventive theatricality in performance spaces ranging from the large stages of the Royal Shakespeare Company and the National Theatre to the intimacy of the companies studio theatres The principal focus of the book is on Nunn's work as director of Shakespeare during his artistic directorship of the RSC and the NT The four core chapters focus in detail on major productions that can be said to have challenged and changed perceptions of the plays including *The Winter's Tale* RSC 1969 the Roman Plays season RSC 1972 and *All's Well That Ends Well* RSC 1982 and the studio productions of *Macbeth* RSC 1976 *Othello* RSC 1989 and *The Merchant of Venice* NT 1999 The study draws on archive material as well as reviews and other published commentary including that of actors who have worked with him *Shakespeare and Social Theory* Bradd Shore, 2021-08-23 This book provides a bridge between Shakespeare studies and classical social theory opening up readings of Shakespeare to a new audience outside of literary studies and the humanities Shakespeare has long been known as a great thinker and this book reads his plays through the lens of an anthropologist revealing new connections between Shakespeare's plays and the lives we now lead Close readings of a selection of frequently studied plays *Hamlet* *The Winter's Tale* *Romeo and Juliet* *A Midsummer Night's Dream* *Julius Caesar* and *King Lear* engage with the texts in detail while connecting them with some of the biggest questions we all ask ourselves about love friendship ritual language human interactions and the world around us The plays are examined through various social theories including performance theory cognitive theory semiotics exchange theory and structuralism The book concludes with a consideration of how the new astronomy of his day and developments in optics changed the very idea of perspective and shaped Shakespeare's approach to embedding social theory in his dramatic texts This accessible and engaging book will appeal to those approaching Shakespeare from outside literary studies but will also be valuable to literature students approaching Shakespeare for the first time or looking for a new angle on the plays *Shakespeare and the 'Live' Theatre Broadcast Experience*, 2018-07-26 This ground breaking collection of essays is the first to examine the phenomenon of how in the twenty first century Shakespeare has been experienced as a live or as live theatre broadcast by audiences around the world *Shakespeare and the Live Theatre Broadcast Experience* explores the precursors of this phenomenon and its role in Shakespeare's continuing globalization It considers some of the most important companies that have produced such broadcasts since 2009 including NT Live Globe on Screen RSC Live from Stratford upon Avon Stratford Festival HD Kenneth Branagh Theatre Company Live and Cheek by Jowl

and examines the impact these broadcasts have had on branding ideology style and access to Shakespeare for international audiences Contributors from around the world reflect on how broadcasts impact on actors performances changing viewing practices local and international Shakespearean fan cultures and the use of social media by audience members for whom liveness is increasingly tied up in the experience economy The book tackles vexing questions regarding the presentness and liveness of performance in the 21st century the reception of Shakespeare in a globally connected environment the challenges of sustaining an audience for stage Shakespeare and the ideological implications of consuming theatre on screen It will be crucial reading for scholars of the live theatre broadcast and enormously helpful for scholars of Shakespeare on screen and in performance more broadly
