

THE SHAMANIC ODYSSEY

Homer, Tolkien, and the Visionary Experience

Robert Tindall with Susana Bustos, Ph.D.
Foreword by John Perkins

Shamanic Odyssey

Graham Hancock

Shamanic Odyssey:

The Shamanic Odyssey Robert Tindall, 2012-11-16 Reveals the striking parallels between indigenous cultures of the Americas and the ancient Homeric world as well as Tolkien's Middle Earth Explores the shamanic use of healing songs psychoactive plants and vision quests at the heart of the Odyssey and the fantasy works of J R R Tolkien Examines Odysseus's encounters with plant divinities altered consciousness animal shapeshifting and sacred topography all concepts vital to shamanism Reveals how the Odyssey emerged precisely at the rupture between modern and primal consciousness Indigenous shamanic ways of healing and prophecy are not foreign to the West The native way of viewing the world that is understanding our cosmos as living sentient and interconnected can be found hidden throughout Western literature beginning with the very origin of the European literary tradition Homer's Odyssey Weaving together the narrative traditions of the ancient Greeks and Celts the mythopoetic work of J R R Tolkien and the voices of plant medicine healers in North and South America the authors explore the use of healing songs psychoactive plants and vision quests at the heart of the Odyssey The Lord of the Rings trilogy and Tolkien's final novella Smith of Wootton Major The authors examine Odysseus's encounters with plant divinities altered consciousness animal shapeshifting and sacred topography all concepts vital to shamanism They show the deep affinities between the healing powers of ancient bardic song and the icaros of the shamans of the Amazon rain forest how Odysseus's battle with Circe wielder of narcotic plants and Mistress of Animals follows the traditional method of negotiating with a plant ally and how Odysseus's journey to the land of the dead signifies the universal practice of the vision quest a key part of shamanic initiation Emerging precisely at the rupture between modern and primal consciousness Homer's work represents a window into the lost native mind of the Western world In this way the Odyssey as well as Tolkien's work can be seen as an awakening and healing song to return us to our native minds and bring our disconnected souls back into harmony with the living cosmos *Shamanic Odyssey* Jay Miller, 1988 Lushootseed Culture and the Shamanic Odyssey Jay Miller, 1999-01-01 This is the first comprehensive overview of the Native people of Puget Sound who speak a Coast Salishan language called Lushootseed They originally lived in communal cedar plank houses clustered along rivers and bays Their complex continually evolving religious attitudes and rituals were woven into daily life the cycle of seasons and long term activities Despite changes brought on by modern influences and Christianity traditional beliefs still infuse Lushootseed life Drawing on established written sources and his own two decades of fieldwork Miller depicts the Lushootseed people in an innovative way building his cultural representation around the grand ritual known as the Shamanic Odyssey In this ritual cooperating shamans journeyed together to the land of the dead to recover some kind of vitality stolen from the living Miller sees the Shamanic Odyssey as a central lens on Lushootseed culture epitomizing and validating in a public setting many of its important concerns and themes In particular the rite brought together a number of distinct aspects or vehicles of culture including the cosmos canoe house body and the network of social relations radiating across the Lushootseed waterscape

Aya Awakenings Rak Razam, 2013-11-05 Experiential journalist Rak Razam sets out to document the thriving business of 21st century hallucinogenic shamanism starting with a trip to the annual Amazonian Shaman Conference in Iquitos Peru where he meets a motley crew of spiritual tourists rogue scientists black magicians and indigenous and Western healers and guides all in town to partake of the ritual and the medicine of ayahuasca the vine of souls Combining his personal story with the history of Amazonian shamanism Razam takes the reader along on an entertaining enlightening adventure In areas of Brazil Ecuador and Peru the traditional herbal brew known as ayahuasca or yaj is legally used to heal physical ailments and to cleanse and purify the spirit by connecting it to the web of life Sting and Tori Amos have admitted sampling it in Latin America as has Paul Simon who chronicled the experience in his song Spirit Voices *Aya Awakenings* works as a cautionary tale a travelogue and a memoir but primarily acts as a portal through which readers are able to gain more information about the perils and the promise of spiritual reconnection through ayahuasca A memorable and deeply personal journey into the hearts and minds of those who carry on the shamanic traditions of ayahuasca Rick Doblin founder of the Multidisciplinary Association of Psychedelic Studies MAPS Contents Foreword by Dennis McKenna Preface by Rak Razam Departure 1 Seekers of the Mystery 2 Wheel of Fortune 3 Jungle Fever 4 Space Cadets 5 Cosmovision 6 Hamburger Universe 7 Surfing 8 Ayahuasca Disco 9 Logos 10 Night of the Black Puma 11 Downtime 12 Seeds 13 Beasts Initiation 14 Shaman School 15 Snakes and Ladders 16 Heart of Darkness 17 Return to the Source 18 The Love Creek Session 19 The High Frontier 20 Stairway to Heaven 21 Going Down to the River to Pray 22 The Hero's Journey Return 23 Secret Women's Business 24 The Prime Directive 25 One River 26 When Stones Dream 27 Paying the Earth 28 Talking with Kevin 29 Illuminated 30 Final Flight Index Bibliography Author's Note The Four Winds Alberto Villoldo, Erik Jendresen, 1990 Through ritual ceremony and the use of potions Villoldo discovers that the four cardinal points of the medicine wheel represents formulas for overriding the primal response mechanisms that have controlled human behaviour since the birth of the species **Divination and the Shamanic Story** Michael Berman, 2009-03-26 Stories have traditionally been classified as epics myths sagas legends folk tales fairy tales parables or fables However the definitions of the terms have a tendency to overlap making it difficult to classify and categorize material For this reason a case can be made for the introduction of a new genre termed the shamanic story a story that has either been based on or inspired by a shamanic journey a numinous experience in non ordinary reality or one that contains a number of the elements typical of such a journey Other characteristics include the way in which the stories all tend to contain embedded texts often the account of the shamanic journey itself how the number of actors is clearly limited as one would expect in subjective accounts of what can be regarded as inner journeys and how the stories tend to be used for healing purposes Within this new genre it is proposed that there exists a sub genre shamanic stories that deal specifically with divination and examples are presented and analysed to support this hypothesis By means of textual analysis it can be shown they all share certain attributes in common the identification of which forms the conclusion

of the work Aya Rak Razam,2009-05-01 When experiential journalist Razam sets out to document the booming business of Amazonian shamanism in the 21st century he quickly finds himself caught up in a culture clash between the old world and the new **The Divine Spark** Graham Hancock,2015-04-06 I suspect the real breakthroughs in our understanding of consciousness are going to come from an entirely different direction That direction controversially has to do with psychedelics which as many of the contributors to The Divine Spark argue offer spectacular potential for the investigation of the hard problem of consciousness Graham Hancock from the Introduction In The Divine Spark bestselling author Graham Hancock brings us a groundbreaking collection of the latest thinking on consciousness and psychedelics Graham has been writing and speaking about this to audiences worldwide including a controversial TedX talk on ayahuasca and DMT which received over 130 000 views on YouTube Combining the wisdom of leading minds The Divine Spark illuminates the topic like never before with a particular focus on the use of psychedelics to open up the realm of the supernatural The book unveils fresh theories on the relation of psychedelics to domains such as creativity the survival of life on planet earth interspecies communication medicine and drug research and many more Contributors include Mike Alvernia Russell Brand David Jay Brown Paul Devereux Rick Doblin Amanda Fielding Nassim Haramein Martina Hoffman Don Lattin Eduardo Luna Dennis McKenna Thad McKraken Rak Razam Gabriel Roberts Thomas B Roberts Robert Schoch Mark Seelig Rick Strassman and Robert Tindall Global Ayahuasca Alex K. Gearin,2024-08-06 Surveying contemporary networks and practices in Peru Australia and China anthropologist Alex K Gearin explores the visionary marvels wonders and diversity of ayahuasca drinking today Ceremonies of drinking the psychoactive brew ayahuasca have flourished across the planet in recent decades Emerging from Indigenous roots in the Amazon rainforest the brew is now envisaged by many as the spiritual gateway to archaic and primordial worlds with reports of healing spiritual insight and awe inspiring visions placing ayahuasca among the burgeoning field of psychedelic medicines Astonished and allured by descriptions of ayahuasca experiences researchers in psychology anthropology and philosophy have attempted to define the shared properties of the visions In this book Alex Gearin challenges this simplified obsession with universal truth and explores the embodied practices of contemporary ayahuasca drinkers to reveal how the brew has conjured contradictory experiences across the globe These range from urban disenchantment and capitalist mastery to competitive sorcery and ecological harmony wherein the plant induced visions embody different attitudes towards capitalist modernity Based upon ethnographic research among Shipibo healers in remote Peru alternative medicine groups in urban Australia and entrepreneurs and corporate managers in mainland China Global Ayahuasca examines how the wondrous visions of ayahuasca are entangled within the social and economic realities that they illuminate revealing different tensions fears and hopes of everyday modern life **Extraordinary Sex Therapy** Gina Ogden,2017-10-02 How do we help our clients discover the depth and breadth of sexual healing Extraordinary Sex Therapy offers a range of innovative health based approaches and models to explore the complexities inherent in sexual pleasure and

potential as well as in trauma pain and dysfunction The practitioners whose work is represented here expand the clinical conversation about sex beyond performance goals and tread courageously into unquantifiable realms of sexual and relational desire health and transformation All of these practitioners describe work that embodies therapeutic collaboration with their clients as they confront sexual concerns that include body image emotions meanings and nuances of partner interactions along with the influence of neurobiology language gender addiction socioeconomics and cultural conditioning about pleasure Their interventions range from education visualization and role play to identifying erotic archetypes coaching about sensual touch and using plant spirit medicines to activate imagination and spiritual connection Their descriptions ring with singular authenticity depending on their training and the particular clients and issues they address Each practitioner provides clinical examples and techniques in enough detail so that readers can incorporate elements of these approaches into their own practices This book was originally published as a special issue of the Journal of Sexual and Relationship Therapy

Ignite the flame of optimism with Crafted by is motivational masterpiece, Find Positivity in **Shamanic Odyssey** . In a downloadable PDF format (Download in PDF: *), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
