# Shandyism The Character Of Romantic Irony

**Lewis Bagby**

## **Shandyism The Character Of Romantic Irony:**

**Shandyism** Peter Conrad,1978-01-01      **Romantic Poetry and the Fragmentary Imperative** Christopher A. Strathman,2006-06-01 Uses the concept of the poetic fragment to draw connections between romantic poetry and modern literature and literary theory      *The Comedy of Romantic Irony* Morton Gurewitch,2002-06-21 Few literary concepts evoke the kind of perplexity engendered by a more than passing acquaintanceship with romantic irony In *Comedy of Romantic Irony* Morton Gurewitch argues that European romantic irony shorn of the excessively capacious and somewhat nebulous aspects of German romantic ironic theory is essentially a comedy of ambivalence a comic tug of war between genuine romantic idealism and authentic antiromantic disenchantment Gurewitch claims moreover that European romantic irony which is found in writers ranging from Byron and Heine to Flaubert and Dostoevsky is romanticism's unique contribution to the history of literary comedy      *Romantic Irony* Frederick Garber,1988-01-01 This is the first collaborative international reading of irony as a major phenomenon in Romantic art and thought The volume identifies key predecessor moments that excited Romantic authors and the emergence of a distinctly Romantic theory and practice of irony spreading to all literary genres Not only the influential pioneer German British and French varieties but also manifestations in northern eastern and southern parts of Europe as well as in North America are considered A set of concluding syntheses treat the shaping power of Romantic irony in narrative modes music the fine arts and theater innovations that will deeply influence Modernism Thus the cross cultural and interdisciplinary approach elaborated in the twenty chapters of *Romantic Irony* as lead volume in the five volume Romanticism series establishes a significant new range for comparative literature studies in dealing with a complex literary movement SPECIAL OFFER 30% discount for a complete set order 5 vols The Romanticism series in the *Comparative History of Literatures in European Languages* is the result of a remarkable international collaboration The editorial team coordinated the efforts of over 100 experts from more than two dozen countries to produce five independently conceived yet interrelated volumes that show not only how Romanticism developed and spread in its principal European homelands and throughout the New World but also the ways in which the affected literatures in reaction to Romanticism have redefined themselves on into Modernism A glance at the index of each volume quickly reveals the extraordinary richness of the series total contents *Romantic Irony* sets the broader experimental parameters of comparison by concentrating on the myriad expressions of irony as one of the major impulses in the Romantic philosophical and artistic revolution and by combining cross cultural and interdisciplinary studies with special attention also to literatures in less widely diffused language streams *Romantic Drama* traces creative innovations that deeply altered the understanding of genre at large fed popular imagination through vehicles like the opera and laid the foundations for a modernist theater of the absurd *Romantic Poetry* demonstrates deep patterns and a sharing of crucial themes of the revolutionary age which underlie the lyrical expression that flourished in so many languages and environments *Nonfictional Romantic Prose* assists us in

coping with the vast array of writings from the personal and intimate sphere to modes of public discourse including Romanticism's own self-commentary in theoretical statements on the arts, society, life, the sciences, and more. Nor are the discursive dimensions of imaginative literature neglected in the closing volume *Romantic Prose Fiction*, where the basic Romantic themes and story types, the romance novel, novella, short story, and other narrative forms, are considered throughout Europe and the New World. This enormous realm is seen not just in terms of Romantic theorizing but in the light of the impact of Romantic ideas and narration on later generations. As an aid to readers, the introduction to *Romantic Prose Fiction* explains the relationships among the volumes in the series and carries a listing of their tables of contents in an appendix. No other series exists comparable to these volumes, which treat the entirety of Romanticism as a cultural happening across the whole breadth of the Old and New Worlds and thus render a complex picture of European spiritual strivings in the late eighteenth and the nineteenth centuries, a heritage still very close to our age. *Biblical Sterne* Ryan J. Stark, 2021-01-14

Is Laurence Sterne one of the great Christian apologists? Ryan Stark recommends him as such, perhaps to the detriment of the parson's roguish reputation. The book's aim, however, is not to dispel roguishness but rather to discern the theological motives behind Sterne's comic rhetoric, from *Tristram Shandy* and the sermons to *A Sentimental Journey*. To this end, Stark reveals a veritable avalanche of biblical themes and allusions to be found in Sterne, often and seemingly awkwardly in the middle of sex jokes, and yet the effect is not to produce irreverence. On the contrary, we find an irreverently reverent apologetic Stark argues, and a priest who knows how to play gracefully with religious ideas. Through Sterne, in fact, we might rethink humour's role in the service of religion. **Pride and Prejudice** Jane Austen, 1991-10-15

A beautiful display worthy of a collector's hardcover of one of the most beloved novels ever written, Jane Austen's *Pride and Prejudice*. No novel in English has given more pleasure than *Pride and Prejudice*. Because it is one of the great works in our literature, critics in every generation reexamine and reinterpret it. But the rest of us simply fall in love with it, and with its wonderfully charming and intelligent heroine, Elizabeth Bennet. *Pride and Prejudice* captivates us not only with its romantic suspense but also by the fascinations of the world we visit in the novel's pages. The life of the English country gentry at the turn of the nineteenth century is made as real to us as our own, not only by Jane Austen's wit and feeling but by her subtle observation of the way people behave in society and how we are true or treacherous to each other and ourselves. Jane Austen remains the most misunderstood of great English writers. Austen's is an extended, exploratory, dangerously subversive art, and is neither harmlessly decorative nor picturesquely provincial. Irony is the secret of the perfect self-sufficiency of *Pride and Prejudice*. From the Introduction by Peter Conrad. Everyman's Library pursues the highest production standards: printing on acid-free cream-colored paper with full cloth cases with two-color foil stamping, decorative endpapers, silk ribbon markers, European-style half-round spines, and a full-color illustrated jacket. Everyman's Library Classics include an introduction, a select bibliography, and a chronology of the author's life and times. *Alexander Bestuzhev-Marlinsky and Russian Byronism* Lewis Bagby, 2010-11-01 Byron C.

Wilson,2008-03-03 This exciting collection represents a range of scholarly approaches and include close textual study comparative readings and broad cultural analysis Contributors to this collection include Bernard Beatty Peter Cochran Marilyn Gaull Charles E Robinson Andrew Stauffer and Timothy Webb      **French Laughter** Walter Redfern,2008-02-21 The culmination of a lifetime s fascination with humour in all its forms this book is the first in any language to embrace such an impressive span of authors and such a broad range of topics in French literary humour In nine wide ranging chapters Walter Redfern considers diverse writers and topics including Diderot viewed as a laughing philosopher mainly through his fiction Les Bijoux indiscrets Le Neeu de Rameau and Jacques le fataliste humourlessness corralling Rousseau Sade the Christian God and Jean Pierre Brisset the aesthete Huysmans in both his avatars Symbolist and Naturalist A Rebours Sac au dos and other texts the dramatic use of parrots by Flaubert Queneau and Beckett Vall s and la blague exaggeration in Vall s and C line Mort credit and L Enfant the fiction plays and autobiography of Sartre bad jokes in Beckett wordplay in Tournier s fiction especially Roi des aulnes and Les M t ores Five interleaved riffs on laughter dreams black humour politics and taste carry the enquiry into questions of humour outside of the purely French context enhancing a book that impresses as much with its vivacity of style as with the breadth and depth of its scholarship      **Migration and Modernities** JoEllen DeLucia,2018-11-27 This collection initiates transnational transcultural and interdisciplinary conversations about migration in the 18th and 19th centuries

This is likewise one of the factors by obtaining the soft documents of this **Shandyism The Character Of Romantic Irony** by online. You might not require more mature to spend to go to the book instigation as well as search for them. In some cases, you likewise attain not discover the revelation Shandyism The Character Of Romantic Irony that you are looking for. It will utterly squander the time.
