Shane Warne My Autobiography:

Shane Warne Shane Warne, Richard Hobson, 2001 Shane Warne is arguably the greatest spinner of all time he has taken 356 wickets in 82 tests since his debut in the Sydney Test in the 1991 92 series Here he talks about his early ambitions and offers a colourful narrative account of the various Ashes series in which he has been involved He also offers his personal views on sportsmanship and the relationship between Australia and Sri Lanka as well as providing his thoughts on captaincy and the leg spinners he respects He talks candidly about his fascination with gambling and about the conflict between his public persona and private life

No Spin Shane Warne, 2020-08 Everyone knows the story or thinks they do The bowler who rewrote the record books One of Wisden's five cricketers of the twentieth century A sporting idol across the globe and a magnet for the tabloids But the millions of words written and spoken about Shane Warne since his explosive arrival on the Test cricket scene in 1992 have only scratched the surface The real story has remained untold Here Shane sets the record straight From his childhood as a budding Aussie Rules footballer in suburban Melbourne he takes us all the way down the road to his 700th Test wicket Nothing is off limits

No Spin: My Autobiography Shane Warne, 2018-10-04 My story without the spin From the start of his glittering career in 1992 to his official retirement from all formats of the game in 2013 Shane Warne had long desired to tell his incredible story without compromise No Spin is that very story It offers a compelling intimate voice true insight and a pitch side seat to one of cricket's finest eras making this one of the ultimate must have sports autobiographies Shane was not only one of the greatest cricket legends he was as close as the game had since Botham to a maverick genius on the field and a true rebel spirit off it who always gave audiences what they wanted Despite being the talismanic thorn in England's side for nearly two decades of regular Ashes defeats he was also much loved in the UK where he played cricket for Hampshire He was also a much admired figure in India and South Africa Alongside his mesmerising genius as a bowler Shane was often a controversial figure and in this book he talks with brutal honesty about some of the most challenging times in his life as a player Honest thoughtful fearless and loved by millions Shane was always his own man and this book is a testament to his brilliant career

Driving Ambition - My Autobiography Andrew Strauss, 2013-10-10 Andrew Strauss one of the most successful and respected England cricket captains of the modern era announced his retirement from professional cricket at the end of 2012 In DRIVING AMBITION he gives a candid account of the highs and lows of his remarkable career for Middlesex and England An outstanding opening batsman and natural leader Andrew Strauss captained his country in 50 of his 100 Tests During his time in charge England emerged from a turbulent and controversial period to become the world's top team Fully updated to cover the past year in Andrew's life the transition from player to pundit and the fortunes of English cricket This is an honest and entertaining story of a quiet modest but fiercely ambitious man who became a magnificent man manager leading England to victory in the 2009 Ashes series and again in Australia the following year Strauss is a fine raconteur and this revealing autobiography will appeal to all those who love

cricket Graeme Swann: The Breaks Are Off - My Autobiography Graeme Swann, 2011-10-13 Graeme Swann's transformation from international outsider to England's primary match winner and undisputed best spin bowler in the world has been remarkably rapid. Within two years of his 2008 Test debut he had become his country's most reliable bowler, made the shortlist for the ICC's cricketer of the year award and claimed an Ashes sealing wicket. Yet the script took many twists and turns along the way. Drafted into the squad for the full tour of South Africa in 1999-2000, Swann's meteoric rise received a jolt. While some liked the cut of his jib, others did not, and England coach Duncan Fletcher already had a foot in the latter camp when Swann missed the bus for the first of two times on that tour. Suddenly he was judged on temperament and not talent. Although Swann candidly concedes he was nowhere near good enough for the top level at that stage in his career, his jettisoning back to county cricket for the next seven years following a solitary one-day international hinted at a career wasted. A clash with then Northamptonshire coach Kepler Wessels triggered his move to Nottinghamshire in 2005. A County Championship winner in his debut season, he was back in the England fold at the end of his third. Forever a flamboyant showman, he made up for lost time with two wickets in his first over against India, his habit of striking in his opening over a spell has become a party piece. You cannot keep the spotlight off him for long. Since moving into the top 10 of the world rankings for bowlers on the back of eight wickets in the Ashes, defining Oval Test of 2009, he has not dropped outside it and has been widely tipped to be the decisive factor in the defence of the urn in Australia.

Parky: My Autobiography Michael Parkinson, 2009-05-14 The Sunday Times Bestseller. All Michael Parkinson really wanted to do was play cricket for Yorkshire and England. However, he soon realised that to be paid to watch films, football and cricket would be the best way to spend life, and he became a journalist. Television beckoned, and for three decades Parkinson interviewed the movers and shakers of the late twentieth century, making his television programme the must-see event of the week. In singing with Bing Crosby, dancing with Billy Connolly, flirting with Miss Piggy and sparring with Muhammad Ali, Parkinson proved himself one of the most engaging and durable hosts in both Britain and Australia. In *Parky*, he recalls a full life with honesty, insight and humour. Praise for *Parky*: Nothing less than riveting. *Mirror*. Joyous. *Telegraph*. Wonderfully readable. *Daily Mail*. One of the finest broadcasters of any era. *Guardian*.
