

Shanghai Odybey

Matthias Messmer

Shanghai Odybey:

Shanghai Odyssey Homer Sykes, Grimstone Foundation, 2002 As Shanghai enters the 21st century this most dynamic of Chinese cities looks back over a decade of phenomenal growth It is a focus for foreign investment and futuristic architecture yet the city's international past is still very much in evidence In the crowded streets and shopping malls there is an unabashed enthusiasm for consumerism and a great capacity to enjoy whatever life has to offer Sykes's pictures range from moments of personal intimacy to industrial projects and his work achieves a subtle chemistry between photojournalism and fine art photography The photographs are accompanied by perceptive captions and a lively chronology of historical events Homer Sykes travels widely on assignment throughout the world Wuhu Diary Emily Prager, 2007-12-18 In 1994 an American writer named Emily Prager met her new daughter LuLu All she knew about her was that the baby had been born in Wuhu a city in southern China and left near a police station in her first three days of life Her birth mother had left a note with LuLu's western and lunar birth dates In 1999 Emily and her daughter now a happy fearless four year old returned to China to find out more That journey and its discoveries unfold in this lovely touching and sensitively observed book In Wuhu Diary we follow Emily and LuLu through a country where children are doted on yet often summarily abandoned and where immense human friendliness can coexist with outbursts of state orchestrated hostility particularly after the U.S. accidentally bombs the Chinese embassy in Belgrade We see Emily unearthing precious details of her child's past and LuLu coming to terms with who she is The result is a book that will delight anyone interested in China and that will move and instruct anyone who has ever adopted or considered adopting a child **Jewish Wayfarers in Modern China** Matthias Messmer, 2012-03-29 **Jewish Wayfarers in Modern China** Tragedy and Splendor is a cross cultural collection of carefully researched and well documented biographies of many previously little known Western visitors to China who experienced at first hand China's revolution and rise in the 20th century **The New Expatriates** Anne-Meike Fechter, Katie Walsh, 2013-09-13 While scholarship on migration has been thriving for decades little attention has been paid to professionals from Europe and America who move temporarily to destinations beyond the West Such migrants are marginalised and depoliticised by debates on immigration policy and thus there is an urgent need to develop nuanced understanding of these more privileged movements In many ways these are the modern day equivalents of colonial settlers and expatriates yet the continuities in their migration practices have rarely been considered **The New Expatriates** advances our understanding of contemporary mobile professionals by engaging with postcolonial theories of race culture and identity The volume brings together authors and research from across a wide range of disciplines seeking to evaluate the significance of the past in shaping contemporary expatriate mobilities and highlighting postcolonial continuities in relation to people practices and imaginations Acknowledging the resonances across a range of geographical sites in Asia Africa and the Middle East the chapters consider the particularity of postcolonial contexts while enabling comparative perspectives A focus on race and

culture is often obscured by assumptions about class occupation and skill but this volume explicitly examines the way in which whiteness and imperial relationships continue to shape the migration experiences of Euro American skilled migrants as they seek out new places to live and work This book was originally published as a special issue of the Journal of Ethnic and Migration Studies *Shanghai Tai Chi* Hanchao Lu,2023-05-11 Shanghai Tai Chi offers a masterful portrait of daily urban life under socialism in a rich social and political history of one of the world s most complex cities Hanchao Lu explores the lives of people from all areas of society from capitalists and bourgeois intellectuals to women and youth Utilizing the metaphor of Tai Chi he reveals how people in Shanghai experienced and adapted to a new Maoist political culture from 1949 Exploring the multifaceted complexity of everyday life and material culture in Mao s China Lu addresses the survival of old bourgeois lifestyles under the new proletarian dictatorship the achievements of intellectuals in an age of anti intellectualism the pleasure that urban youth derived from reading taboo literature the emergence of women s liberation and the politics of greening and horticulture This captivating epitomizing and vivid history transports readers to history as lived on Shanghai s streets and back alleyways LIFE ,1949-04-25 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use **International Migrants in China's Global City** James Farrer,2019-01-04 Long a source of migrants China has now become a migrant destination In 2016 government sources reported that nearly 900 000 foreigners were working in China though international migrants remain a tiny presence at the national level Shanghai is China s most globalized city and has attracted a full quarter of Mainland China s foreign resident population This book analyzes the development of Shanghai s expatriate communities from their role in the opening up of Shanghai to foreign investment in the early 1980s through to the explosive growth after China joined the World Trade Organization in 2000 Based on over 400 interviews and 20 years of ethnographic fieldwork in Shanghai it argues that international migrants play an important qualitative role in urban life It explains the lifestyles of Shanghai s skilled migrants their positions in economic social sexual and cultural fields their strategies for integration into Chinese society their contributions to a cosmopolitan urban geography and their changing symbolic and social significance for Shanghai as a global city In so doing it seeks to deal with the following questions how have a generation of migrants made Shanghai into a cosmopolitan hometown what role have they played in making Shanghai a global city and how do foreign residents now fit into the nationalistic narrative of the China Dream Addressing a gap in the market of critical expatriate studies through its focus on China this book will be of interest to academics in the field of international migration skilled migration expatriates urban studies urban sociology sexuality and gender studies international education and China studies LIFE ,1956-03-05 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional
