*The Musical Shape of the Liturgy* William Peter Mahrt, 2012 Professor William Mahrt of Santford Univeristy and the Church Music Association of America has written a sweeping book one that it is at once scholarly and practical on that most controversial topic of music and the liturgy He provides an over whelming argument that every parish must have high standrads for liturgical music and he makes the full case for Gregorian chant as the model and the ideal of

that liturgical music back cover      **Living Culture, Living Christ** Alan M. Suggate, 2022-07-15 Alan M Suggate offers a diagnosis of the root failings of our culture and commends a humanism centred on persons and grounded in an integralist approach to the Christian faith      *Of Thine Own Have We Given Thee* Shawn O. Strout, 2024-01-01 Every Sunday around the world Christians offer money and in kind gifts to the church traditionally known as alms This act produces questions about what it means to offer God a gift when God has offered humanity the greatest gift in Jesus Christ or the balance of favour or gratitude in the giving of these gifts These very questions and more have had a significant influence on the liturgy particularly in the offertory within Anglicanism In *Of Thine Own Have We Given Thee* Shawn O Strout provides a comprehensive analysis of the offertory rites including in his analysis other churches within the Anglican Communion beyond the Church of England Ordered historically the book encompasses the sixteenth century through to current times scrutinising the offertory and oblationary changes throughout their religious and historical contexts Strout argues that the development of oblation in the offertory was neither arbitrary nor episodic but rather the result of sustained theological tension Using liturgical theology's tools of historical textual and contextual analyses the book examines why these developments occurred and their importance for the church today      *The Shape of the Liturgy* George Eglington Alston Dix, 1945      **Anamnesis and the Eucharist** Julie Gittoes, 2008 Focusing on the concept of anamnesis remembrance or memorial this book highlights a language of connection between the integration of historical sacramental and ecclesial embodiments of Christ It explores the source event of the Church's life and the transformative encounter with Christ in the Eucharist the effects of which are seen in social ethical political action and the Church's mission
