Jung as a Writer Susan Rowland, 2013-12-16 Jung as a Writer traces a relationship between Jung and literature by analysing his texts using the methodology of literary theory This investigation serves to illuminate the literary nature of Jung s writing in order to shed new light on his psychology and its relationship with literature as a cultural practice Jung employed literary devices throughout his writing including direct and indirect argument anecdote fantasy myth epic textual analysis and metaphor Susan Rowland examines Jung s use of literary techniques in several of his works including Anima and Animus On the Nature of the Psyche Psychology and Alchemy and Synchronicity and describes Jung s need for literature in order to capture in writing his ideas about the unconscious Jung as a Writer succeeds in demonstrating Jung s contribution to literary and cultural theory in autobiography gender studies postmodernism feminism deconstruction and hermeneutics and concludes by giving a new culturally orientated Jungian criticism The application of literary theory to Jung s works provides a new perspective on Jungian Psychology that will be of interest to anyone involved in the study of Jung Psychoanalysis literary theory and cultural studies

Archetypal Coaching Alba Carod, 2025-08-25 Archetypal Coaching offers a transformative approach to personal growth blending ancient Greek astrological foundations and dream work with modern coaching techniques somatic awareness and Jungian active imagination Astrological archetypes illuminate the roots of struggles and highlight potential resources while dreams act as a focused lens bringing attention to issues that require immediate exploration The approach explored within this book emphasizes interactive dialogue with archetypes and symbols using embodied imagination and somatic awareness to guide clients in creating a personal symbol that embodies

their inner process and potential echoing Jung's concept of the transcendent function. Supported by six in-depth case studies and numerous examples, the author outlines a holistic framework for integrating astrology and dream work into coaching, emphasizing personal growth and treating archetypes as dynamic tools for creativity and self-discovery. This book will appeal to established coaches, counselors, and therapists interested in integrating archetypal work into their practice, as well as students of Jungian psychology, coaching, art therapy, astrology, and related fields.
