Shaping Of A Life A Spiritual Landscape:

The Shaping of a Life Phyllis Tickle, 2009-03-25 Lively entertaining and inspiring THE SHAPING OF A LIFE is in the tradition of the beloved bestsellers by Kathleen Norris and Anne Lamott an intimate lyrical and thought provoking memoir from one of the most respected and admired writers on religion in America today In THE SHAPING OF A LIFE Phyllis Tickle recounts her life with honesty and humor richly conveying both the external events and the internal insights and emotions She shares stories of her childhood in eastern Tennessee as the only child of the dean at the local college including her first inkling of the power and comfort of prayer and her realization that prayer required a disciplined routine that it is best practiced by a composed mind and spirit She writes of the sense of freedom and independence she discovered at college where she fell in love with the language and the teachings of The Book of Common Prayer and decided to leave the Presbyterianism of her childhood and join the Episcopal Church As Tickle chronicles her deepening understanding of prayer and the rewards of marriage family and a spiritual life she reaches across the boundaries that separate one denomination from another and presents a portrait of spiritual growth and transformation that will appeal to devout practitioners and their less religious neighbors as well Within a very personal story Tickle reveals the keys that will help readers of all faiths find the path that leads from the everyday world of doing to the special place of simply being **Phyllis Tickle** Jon M.

Greer, 2017-05-01 In the midst of beauty and mess chaos and monotony celebrations and mourning Jerusalem Greer tells her story of finding redemption in what is rather than what could be by practicing the presence of God through rediscovering ancient contemplative teachings and practices solitude study work prayer and service and pairing them with domestic arts baking gardening sewing Jerusalem writes with a raw honesty that reassures readers they are not alone in feeling not good enough not wise enough not Christian enough to figure out God s plans At Home in this Life is the story of how everything I thought would make me happy came undone and then how I found a way to make myself at home in this beautiful messy

amazingly tender completely unbalanced life by imperfectly practicing one spiritual discipline at a time smack in the middle of raising kids mending the sweaters and burning the bread Jerusalem Jackson Greer In addition to being a writer Jerusalem is also a crafter former pastor and blogger She lives with her husband and two sons in Greenbrier Arkansas As a family they are attempting to live a slower version of the modern life Sometimes it works sometimes it doesn't Jerusalem is active on Facebook and Pinterest and regularly posts on her blog Slow Living in a Fast World where she records what she calls her beauty mess attempts at living a sacramental life

Landscape as Sacred Space Steven Lewis, 2005-07-15 Steven Lewis's *Landscape as Sacred Space* Metaphors for the Spiritual Journey invites new discussions about our spiritual journeys and allows seekers to rethink approaches to Christian spirituality and theology in light of postmodernity Landscape metaphors provide a common and accessible language to articulate one's spiritual journey Spiritual mountains deserts and valleys are dominant landscapes on our journey through life Most people have experienced the joy of a mountaintop spiritual experience the pain of spiritual deserts or perhaps the dreariness too often associated with spiritual valleys There is a tendency however to highlight spiritual mountaintops while avoiding spiritual deserts and ignoring spiritual valleys This leaves many Christians ill equipped either to deal with crises or to integrate God into ordinary life Each landscape offers rich lessons that when combined together lead us toward a maturing faith and into a deeper relationship with God *Landscape as Sacred Space* is intended to aid those who search for more meaningful ways to articulate their faith journey The book grants permission to struggle with life's landscapes provides safe spaces to reflect on the journey and introduces language that enables exploration and discovery
