

Shaping The Democratic Order The Institutionalisation Of Parliament In Poland

Rachel A. Epstein

Shaping The Democratic Order The Institutionalisation Of Parliament In Poland:

Executive Leadership and Legislative Assemblies Nicholas D. J. Baldwin, 2014-01-02 The relationship between a head of government head of the executive branch and a nation's parliament or legislative assembly the legislative branch has long been the focus for comment and analysis for example has the prime minister in the United Kingdom come to a position of dominance at the expense of the power of parliament Does the American president stand head and shoulders above Congress Is a French president master of the system Need the Russian president pay attention to the Duma What of the position in other parliamentary and presidential systems In this book Baldwin seeks to provide answers and does so by drawing upon the knowledge and expertise of an international group of scholars whose essays advance our knowledge of the subject This book was previously published as a special issue of the Journal of Legislative Studies *Shaping the Democratic Order* Anna van der Meer Krok-Paszkowska, 2000 **Democracy in Poland** Anna Gwiazda, 2015-07-24 This book assesses the quality of

democracy in Poland from the collapse of communism in 1989 up to the 2011 parliamentary election It presents an in depth empirically grounded study comparing two decades of democratic politics Drawing on democratic theory and comparative politics the book puts forward an evaluation of democracy based on four dimensions representation participation competition and accountability The book is an important contribution to debates on the performance of the new democracies in Central and Eastern Europe where some scholars argue that there is a democratic crisis that after a period of democratic progress most of these countries are experiencing democratic fatigue and that their democratic performance is poor However the Polish case shows that democracy is not in crisis in fact the quality of democracy in Poland has improved The book shows that democratic quality stems from good democratic institutions Moreover the Polish case shows useful lessons that can be learnt by democratic reformers in countries that are undergoing the transition to democracy or are aiming to consolidate their democratic systems It concludes that effective accountability good representation and stable competition are vital

Introduction to the Constitution of the Republic of Poland Bogumił Szmulik, Jarosław Szymanek, 2020 Introduction to the Constitution of the Republic of Poland by Bogumił Szmulik and Jarosław Szymanek is a cohesive and no nonsense overview serving as an unassuming and reader friendly compendium of the current Polish Constitution With each chapter the authors gradually introduce readers to the world of legal and political constitutional complexities Without overloading readers with information they conduct a comprehensible if accessible narration as well as providing intelligible but nuanced and critical accounts of difficult and controversial matters Despite its modest title their work is much more than a simple introduction to the Polish Constitution Readers will find here not only an approachable analysis of the contents of the 1997 Constitution but will also become familiar with the practice of its implementation as well as with the trajectories of related debates and proposals for future changes Such a comprehensive approach on the part of the authors makes the book suitable not only for constitutional lawyers i.e. professionals but for a much wider group of general readers both at home and abroad

After all each of us regardless of our type of education or scope of interests ought to be conversant with the constitution of our country As regards international readers the English translation of the book may well be the only wide ranging publication available presenting the Polish fundamental statute Prof dr hab Genowefa Grabowska Authored by Bogumi Szmulik and Jarosław Szymanek the monograph is an invaluable and fascinating example of a scholarly publication The book specifies and explains the solutions often very general and challenging in terms of interpretation adopted by the legislators in the Constitution of the Republic of Poland The mode of disquisition is informed by didacticism and systematism making the publication exceptionally valuable given the wide range of readers currently interested in constitutional matters Concise and simultaneously packed with information Introduction to the Constitution of the Republic of Poland is also likely to constitute an important point of reference while solving theoretical and practical dilemmas connected with the Polish fundamental statute dr hab Paweł Sobczyk prof UO

EU Enlargement and the Failure of Conditionality Dimitry Kochenov, 2008-01-01

Among the criteria for accession to the European Union are democracy and the Rule of Law In the insightful analysis offered by the author of this book these concepts while admirable and even necessary criteria in principle are almost impossible to measure and any judgement grounded in them will always be difficult to justify In his words by including analysis of democracy and the Rule of Law within the field of the EU enlargement law the Union entered an unstable terrain of vague causal connections and blurred definitions Dr Kochenov addresses this problem by proceeding as follows 1 Outlining EU enlargement law in general including the principle of conditionality and the role played by the analysis of democracy and the Rule of Law in enlargement preparation 2 Focusing on the role actually played by the monitoring of democracy and the Rule of Law in ten candidate countries scrutinizing the way the EU used the legal tools and competences outlined in its enlargement law The book adopts the EU's own understanding of democracy and the Rule of Law as derived directly from the substance of the numerous legal and political instruments issued by the Community Institutions and especially the Commission in the course of the pre accession process In this way it demonstrates the actual as opposed to the officially announced role played by the assessment of democracy and the Rule of Law in the candidate countries in the regulation of enlargement Many formidable inconsistencies in the application of the conditionality principle are thus laid bare This leads the author to a series of recommendations on policy and procedure that he demonstrates could be profitably applied to the regulation of current and future accessions using the Commission's own structure of monitoring pre accession reforms in the three areas of the legislature executive and judiciary in candidate countries The probity and soundness of these recommendations firmly grounded as they are in the actual pre accession monitoring and its consequences for the pre accession progress of ten Eastern European countries admitted to the EU in 2004 and 2007 will greatly interest policymakers and scholars concerned with the future of European integration

In Pursuit of Liberalism Rachel A. Epstein, 2008-09-29

Though the fall of the Soviet Union opened the way for states in central and eastern Europe to join the world of market

oriented Western democracies the expected transitions have not been as easy common or smooth as sometimes perceived Rachel A Epstein investigates how liberal ideas and practices are embedded in transitioning societies and finds that success or failure depends largely on creating a social context in which incentives held out by international institutions are viewed as symbols of an emerging Western identity in the affected country Epstein first explains how a liberal worldview and institutions like the European Union World Bank the International Monetary Fund and the North Atlantic Treaty Organization go hand in hand and why Western nations assume that a broad and incremental program of incentives to join will encourage formerly authoritarian states to reform their political and economic systems Using Hungary Poland Romania and the Ukraine as case studies she demonstrates the limits of conditionality in the face of national social perceptions and elucidates the three key points around which a consensus within the state must emerge before international institutions can expect liberalization domestic officials must be uncertain about how changing policies will affect their interests the status of international and domestic institutions must not be in jeopardy and the proposed policies must seem credible In making her case Epstein cleverly bridges the gap between the rationalist and constructivist schools of thought Offering new data on and fresh interpretations of reforming central bank policies privatizing banks with foreign capital democratizing civil military relations and denationalizing defense policy In Pursuit of Liberalism extends well beyond the scope of previous book length studies

Developments in Central and East European Politics 3 Stephen White, Judy Batt, Paul G. Lewis, 2003

The Acceptance of Party Unity in Parliamentary Democracies David M. Willumsen, 2017-09-01

Despite the central role of policy preferences in the subsequent behaviour of legislators preferences at the level of the individual legislator have been almost entirely neglected in the study of parliaments and legislative behaviour The main reason for this is the difficulty of obtaining measures of legislator preferences that are not based on their behaviour This book explores direct measures of policy preferences through parliamentary surveys Building on this the book develops measures of policy incentives of legislators to dissent from their parliamentary parties and demonstrates that preference similarity amongst legislators explains a very substantial proportion of party unity yet cannot explain all of it Through a quantitative analysis of the attitudes of legislators to the demands of party unity and what drives these attitudes the book argues that the reason for the difference between observed unity and the levels of unity which can be explained by preference similarity among legislators is the conscious acceptance by MPs that the long term benefits of belonging to a united party such as increased influence on legislation lower transaction costs and better chances of gaining office outweigh the short term benefits of always voting for their ideal policy outcome The volume reinforces this argument through the analysis of both open ended survey questions as well as survey questions on the costs and benefits of belonging to a political party in a legislature

Developments in Central and East European Politics 4 Stephen White, Judy Batt, Paul G. Lewis, 2007

The face of Central and Eastern Europe has been dramatically transformed since the collapse of communism The region faces new challenges including the needs to find a

balance between effective leadership and accountability and to reverse the economic decline of the late communist years Addressing these concerns and others *Developments in Central and East European Politics 4* brings together specially commissioned chapters by leading scholars from both sides of the Atlantic The chapters all of which are new to this edition focus on key features of the political systems that have emerged following the transition to postcommunist rule and the enlargement of the European Union through 2006 Full attention is given to the pattern of events in individual nations but the main emphasis is on the framework of politics across the region constitutions leadership parliaments parties and electoral systems and the process of politics as it is revealed in political participation civil society economic change and the quality of democratic government within and beyond the region Clearly written and well supported with references and suggestions for further reading *Developments in Central and East European Politics 4* is the ideal guide to the process of change in a group of states that were formerly modeled on the Soviet Union but are now a distinctive and varied presence within a continent that has been redefining its boundaries its values its economic systems and its international allegiances Contributors Judy Batt Dirk Berg Schlosser Sarah Birch Heather Grabbe Tim Haughton Krzysztof Jasiewicz Petr Kopeck Paul G Lewis Frances Millard Cas Mudde D Mario Nuti Mark Pittaway Ray Taras Stephen White Andrew Wilson Kataryna Wolczuk

Post-Communist and Post-Soviet Parliaments Philip Norton, David M. Olson, 2013-09-13 The sudden collapse of communism stimulated both the rapid emergence of fledgling democracies and scholarly attention to the post communist transition These newly democratized parliaments have been described as parliaments in adolescence This book identifies six parliaments which exemplify the wide range of developments in the new post communist political systems from the stable consolidated democracies to the less stable and more authoritarian states within which their respective parliaments function Finally the post communist parliaments are compared with the presumptively more established west European parliaments This book bridges the usual gap in research between the post communist parliaments and more normal democratic parliaments to develop a common legislative research perspective on both new and established parliaments This book was previously published as a special issue of the *Journal of Legislative Studies*

Shaping The Democratic Order The Institutionalisation Of Parliament In Poland Introduction

In today's digital age, the availability of Shaping The Democratic Order The Institutionalisation Of Parliament In Poland books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through

pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Shaping The Democratic Order The Institutionalisation Of Parliament In Poland books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Shaping The Democratic Order The Institutionalisation Of Parliament In Poland books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Shaping The Democratic Order The Institutionalisation Of Parliament In Poland versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Shaping The Democratic Order The Institutionalisation Of Parliament In Poland books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Shaping The Democratic Order The Institutionalisation Of Parliament In Poland books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Shaping The Democratic Order The Institutionalisation Of Parliament In Poland books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Shaping The Democratic Order The Institutionalisation Of Parliament In Poland books and

manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Shaping The Democratic Order The Institutionalisation Of Parliament In Poland books and manuals for download and embark on your journey of knowledge?
