centered self in Community Relational Soul Care **Our Exodus Story** Robert P. Vande Kappelle, 2023-07-06 Every person has an exodus story a vast complex multilayered spiritual journey On the one hand it is a biological journey from birth to death and a social journey from infancy to adulthood In this regard it is a story of growing up of leaving home and taking risks of making mistakes and learning from them of reaching goals and surpassing them Our Exodus Story speaks of human life as a gossamer bridge that binds us as people with God others and with our inner being This journey of faith is described as a holy balancing act between the three sources of authority for people of faith experience Scripture and tradition Bonded umbilically to one another and to God each of us bears exodus like and cross like experiences Personality and spirituality are deeply interrelated so much that neither function adequately apart from the other Though not identical they strive to be in sync balancing one another in profound and intimate ways Personality takes the lead and where personality goes spirituality follows though not blindly or passively Spirituality has its own voice and when its desires are addressed and heeded personality thrives This book is unique in that each of its four protagonists exhibits distinct dominant personality characteristics their experiences bearing archetypal relevance and universal appeal Their stories individual and combined are epic the protagonists and families as complex as their biblical patriarchal and matriarchal counterparts yet as current as today's top stories As you read you are invited on your own inner journey to peace wholeness and well being *Six Themes in Jeremiah Everyone Should Know* W. Eugene March, 2019-08-20 The Six Themes Everyone Should Know series introduces biblical books and their main themes Each volume consists of six chapters that present major biblical themes each chapter contains an introduction and three major sections An explanation of the theme The significance of the biblical theme for the life of faith An exploration of implications this biblical theme offers the church for its ministry The biblical Jeremiah is seen as a prophet of judgement and doom He believed the hard times befalling Judah were the result of people breaking the covenant with God But Jeremiah was also a prophet of hope for those who believed God had not forsaken them even when they were forced into exile Jeremiah believed that the relationship with God could be restored Gene March introduces us to six themes that explore the difficult times and the critical message of this messenger for God This volume includes material for participants and guides for leading all six sessions **Sharing Recovery: The Serenity Connection Collection II** Nar-Anon Family Groups, Inc., 2023-05-31 This is the second book in the series Sharing Recovery collection of writing from the Nar Anon newsletter **Joyful Journeying with God/ Happy to be with God's Children Kindergarten 1st Ed. 2005 ,** God's Companions Samuel Wells, 2008-04-15 We are pleased to announce that God's Companions by Samuel Wells has been shortlisted for the 2007 Michael Ramsey Prize for theological writing www.michaelramseyprize.org.uk Grounded in Samuel Wells' experience of ordinary lives in poorer neighborhoods this book presents a striking and imaginative approach to Christian ethics It argues that Christian ethics is founded on God on the practices of human community and on worship and that ethics is fundamentally a reflection of God's abundance Wells synthesizes dogmatic liturgical ethical scriptural and

pastoral approaches to theology in order to make a bold claim for the centrality of the local church in theological reflection. He considers the abundance of gifts God gives through the practices of the Church, particularly the Eucharist. His central thesis, which governs his argument throughout, is that God gives his people everything they need to worship him, be his friends, and eat with him. Wells engages with serious scholarly material yet sets out the issues lucidly for a student audience.

The Ways of Our God Charles H. H. Scobie, 2003. At a time when Old Testament and New Testament studies are considered to be two very different tasks, this major new work by Charles Scobie offers an approach to biblical theology meant to take in the entire sweep of divine revelation. Comprehensive in scope, this book covers every aspect of biblical theology. Chapters are devoted first to the nature and task of biblical theology and then to major themes within the biblical message: God's order, God's servant, God's people, and God's way. Each section of the book also features an extensive system of helpful cross references. Not only is Scobie's attempt to bridge the biblical testaments admirable, but he also takes great care to present scholarship that is at the same time informed by and relevant to the daily life and work of the church. The result is a book that is relevant to readers everywhere. Accessible to teachers, clergy, students, and general readers alike, this book will reinvigorate the study of the Bible as the unified word of God.
