Sharing In The Inheritance Identity And The Moral Life In Colossians:

Sharing in the Inheritance Allan R. Beverly, 2003-03-01 The argument of this book is two fold the target of the argument of Colossians is a Judaism dismissive of the Gentile Colossian Christians and the recognition of that fact casts new light on the moral material of the letter and its integration into the argument of the epistle as a whole Several arguments are made in support of these claims Significant parallels between Colossians and Galatians suggest similar concerns in both letters relating to Israel's identity as the people of God and how that relates to the Gentile believers are to live The writers of Colossians while sharing a similar Jewish perspective with the Colossian philosophers on the relationship between identity and way of life admonish the Gentile Christians to live in a way consistent with who they are Nevertheless Paul and Timothy differ with the philosophers as to what constitutes the identity of the Colossian Gentiles as the people of God In addition to the parallels drawn further themes are present in Colossians which strongly suggest the Jewish character of the philosophy wisdom election and death of Christ as the final return from exile The apocalyptic background of 3:1-6 the Jewish moral concerns of the ethical lists 3:5-17 and the christological orientation of the Haustafel bolster the claim that the target of Colossians is Jewish in character and the moral material is integral to the argument *Mimesis in the Johannine Literature*

C. Bennema, 2017-09-21 Mimesis is a fundamental and pervasive human concept but has attracted little attention from Johannine scholarship This is unsurprising since Johannine ethics of which mimesis is a part has only recently become a fruitful area of research Bennema contends that scholars have not yet identified the centre of Johannine ethics admittedly due to the fact that mimesis is not immediately evident in the Johannine text because the usual terminology for mimesis is missing This volume is the first organized study on the concept of mimesis in the Johannine literature The aim of the study is to establish that mimesis is a genuine Johannine concept to explain its particulars and to show that mimesis is integral to Johannine ethics Bennema argues that Johannine mimesis is a cognitive creative process that shapes the believer's identity and behaviour within the context of the divine family Besides being instrumental in people's moral transformation mimesis is also a vital mechanism for mediating the divine reality to people **From Pentecost to Patmos, 2nd Edition** Craig L.

Ben Witherington, 2007-11-26 This volume completes Ben Witherington s contributions to the set of Eerdmans socio rhetorical commentaries on the New Testament In addition to the usual features of these commentaries Witherington offers an innovative way of looking at Colossians Ephesians and Philemon as interrelated documents written at different levels of moral discourse Colossians is first order moral discourse the opening gambit Ephesians is second order moral discourse what one says after the opening salvo to the same audience and Philemon is third order moral discourse what one says to a personal friend or intimate Witherington successfully analyzes these documents as examples of Asiatic rhetoric explaining the differences in style from earlier Pauline documents He further shows that Paul is deliberately engaging in the transformation of existing social institutions As always Witherington s work is scholarly and engaging With detailed Closer Look sections [The Letters to Philemon the Colossians and the Ephesians](#) is perfect for the libraries of clergy biblical scholars and seminaries

Who God Says You Are Klyne R. Snodgrass, 2018-01-08 WHO ARE YOU For respected New Testament scholar Klyne Snodgrass this is the most important question a person can ask the question from which everything else in life flows Other questions follow What made you who you are Who gets to say who you are And perhaps most vital Who does God say you are In this book Snodgrass offers wise guidance to all who are wrestling with such universal human questions He examines nine factors including one s body personal history commitments and boundaries that shape human identity and he expertly draws out what the Bible tells us about who God says we are how we fit within God s purposes and how our God given identity can and must impact the way we live our lives

[The Essence of the Christian Worldview](#) Matt DeLockery, 2021-04-28 Every group within Christianity has its own opinions on what Christianity really is But who s right if anyone With the letter to the Colossians we have an opportunity to find an answer Paul compares Christianity to another worldview and argues that Christianity is better This book uses that comparison in order to understand Paul s Christian worldview In this book you will also find answers to some very difficult questions

- 1 What is God s ultimate purpose for humanity
- 2 Do we just do things because God told us to
- 3 Why

does Paul tell wives to obey their husbands 4 Why does Paul tell slaves to obey their masters 5 Why does God care what we do at all 6 Why does God command these particular actions 7 Why would we want to follow God s commands anyway 8 How does following God s commands actually make us better people Christianity is the point at which God acted through Christ to fix what was wrong with creation and bring the whole story to a different conclusion In this book you will see the big picture of Christianity and how all the dots connect from start to finish *Receptions of Paul during the First Two Centuries*

František Ábel, 2023-09-05 *Receptions of Paul during the First Two Centuries* Exploration of the Jewish Matrix of Early Christianity examines the historical context of Paul and the way Paul s Jewish heritage was received Contributors take into consideration the aftermath of the Jewish War and its impact on the development of the Jesus movement and early Christian Jewish relations in the following period The chapters come to the conclusion that after the Jewish War the reception of the authentic Paul was transformed more and more into the tradition about Paul based and established by the second and third generations of Jesus believing Gentiles which perceived Paul as a convert from what is labeled Judaism to the complete opposite of it Christianity
