and their importance to our spiritual growth and maturity For example negative emotions may be viewed as sinful or emotions in general may be regarded as untrustworthy or a sign of weakness God designed us with emotions so we must understand how our emotions affect our thinking and acting to become healthy and mature We must also learn how to relate to other people and God in a healthy way at the emotional level Our emotions are a direct pipeline to our hearts and how we bond and connect at the most basic and intimate level This workbook is designed for a small group led by a trained facilitator Understanding Emotions is a 12 week group experience that includes unique connecting with God exercises The group members will work together on emotional and relational healing issues in the context of a safe community The suggested method is for the group to cover one lesson per week During the week before each meeting group members will read the lesson and complete the answers to the questions at their own individual pace At the group meetings there will be opportunities to share answers to many of the questions and as the group progresses to bond with the other group members and bring God into their healing process This workbook is part of a group experience developed by Restoring Your Heart a ministry of Worldwide Discipleship Association For more information about how to participate in a Restoring Your Heart Group Experience visit RestoringYourHeart.com
