The Complete Preacher Isaac Kaufman Funk, 1895

Psalms 51-150 Quentin F. Wesselschmidt, Thomas C. Oden, 2007-11-26 The Psalms have long served a vital role in the individual and corporate lives of Christians The church fathers employed the Psalms widely as hymns Scripture readings counsel on morals forms for prayer and in the great doctrinal controversies In this ACCS volume readers will find rich comment and theological reflection from more than sixty five ancient authors

A Commentary on the Whole Epistle to the Hebrews William Gouge, 1866

Milton and This Pendant World George W. Whiting, 2014-11-11 *Milton and This Pendant World* is an interpretation of the great English poet in an age increasingly skeptical in a culture dominated by the assumptions of the natural and historical sciences and by the illusions of progress and enlightenment Those are the words of the author of this book George Wesley Whiting an eminent and devoted Miltonian Believing that Milton has a vital message for the modern world Whiting has abandoned the usual pattern for examining a poet study of versification meter and other poetic devices Instead he presents an exposition of the spiritual and moral meaning of Milton's poetry which can still have truth and beauty for this doubting age The literary image of the pendant world was familiar in Milton's seventeenth century but is meaningless to most people of our day The comforting picture of the world hanging from heaven on a golden chain signifies God's close watchfulness over humanity and the inseparable bond which links us to the spiritual kingdom The

author declares that the search for God and the struggle to overcome the spiritual and material forces that impede the search represent the most vital of all human efforts for unless this search is our primary motivation life is without meaning without final purpose Whiting also observes that true Christianity stands not for the impoverishment of humanity and our enslavement to the Deity but rather for human moral health harmonious development and spiritual welfare In order to save civilization from destruction at the hands of its friends secularists specialists militarists and politicians we must have a renaissance of the spirit a cultural synthesis in which a revitalized religion enriched by philosophy and science renews the ideals of Christianity

Finances And The End Times Stephen R. Phinney, 2012-11-14 God says the rain falls on the just and the unjust For our reading benefit we could easily say the money falls on the just and the unjust I cannot tell you how many times I have heard a believer ask Why is it that God allows the ungodly to prosper while Christians suffer with little The answer is found in this book Learn more about the 46 primary Biblical Truths regarding money the end times and the believer's identity in Christ

[Standing on the Promises of God](#) , *Scripture On Scripture: The Book of Revelation* Jonathan Witt, 2016-03-03 Scripture On Scripture The Book of Revelation is a Bible commentary written to explain this book of the Bible verse by verse while also demonstrating how this book fits with the rest of Scripture The Book of Revelation is one of the most unique and interesting books in all of the Bible There is much debate between Christians about whose interpretation of Revelation is correct This commentary is written from the perspective that the book of Revelation describes those things that are yet to come in the future and most likely the near future This commentary is written with several key beliefs in mind namely that Jesus Christ promised to literally return to rule over the Earth that His return will be preceded by a seven year Tribulation Period of judgment from God upon the Earth and that this Tribulation Period will be initiated by a supernatural Rapture of His Church from the Earth
