Shaw and His Contemporaries Ronald Bryden, Denis Johnston, 2002 **Shaw and His Contemporaries** Alan R. Andrews, Ronald Bryden, Leonard W. Conolly, Academy of the Shaw Festival, 2001 **Bernard Shaw and Noël Coward** Christopher Wixson, 2025-06-16 This book tracks dramaturgical affinities between some of Bernard Shaw's late extravagant plays and those of Noël Coward in particular their recasting of one another's style and the tradition of manners comedy While Coward's first play *The Young Idea* all but plagiarizes *You Never Can Tell* and Shaw responds with his own depictions of the idle rich their experimental plays in the 1930s also ambitiously engage issues of race and Empire topics further outside their respective idioms Christopher Wixson mines Shaw's rarely explored engagement with the work of Noël Coward examining both writers' highly experimental plays from the 1930s in light of such important issues as postwar disillusionment racial difference and post coloniality Michel Pharand Queen's University *George Bernard Shaw: A Very Short Introduction* Christopher Wixson, 2020-09-24 George Bernard Shaw has been called the second greatest playwright in English after William Shakespeare and one of the inventors of modern celebrity as the most famous public intellectual of his time Beginning in the 1880s as a critic and as a playwright he transformed British drama bringing to it intellectual substance ethical imperatives and modernity itself setting the theatrical course for the subsequent century That his legacy endures seventy years after his death is testament to the prescience of his thinking and his prolific creativity This *Very Short Introduction* looks at Shaw's life starting with his upbringing in Ireland and then takes a chronological approach through his works Considering Shaw's committed antagonism on behalf of a range of socio political issues his use of comedy as a mode for communicating serious ideas and his rhetorical style that pushes conventional boundaries Christopher Wixson provides an overview of the creative evolution of core themes throughout Shaw's long career ABOUT THE SERIES The *Very Short Introductions* series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable *Arms and the Man, The Devil's Disciple, and Caesar and Cleopatra* George Bernard Shaw, 2021 The three plays in this volume are some of George Bernard Shaw's most popular and frequently performed works They demonstrate the development of Shawian comedy and contain early formulations of his idea of the Superman an extraordinary individual who catalyzes the evolution of mankind *Arms and the Man* 1894 was Shaw's first commercial success and the first public confirmation that he could make playwriting his profession It is the first of what Shaw called his pleasant plays comedies that critique idealism in general rather than specific social problems as his earlier plays did Specifically Shaw undermines the romance of wartime courage reckless heroism and nationalist pride among British spectators while using the Serbo Bulgarian War of 1886 as an exotic veneer Shaw wrote *The Devil's Disciple* 1897 for William Terriss an actor known for his swashbuckling roles who had requested a play that would

contain every surefire melodramatic situation mistaken identities terrifying adventures and last second escapes and frequent emotional outpourings Caesar and Cleopatra 1898 is Shaw's revision of Shakespeare's Julius Caesar and Antony and Cleopatra as well as a fusion of the pragmatism and unconventionality of the heroes of Arms and the Man and The Devil's Disciple into a portrait of jocular morally serious leadership

The Apple Cart, Too True to Be Good, on the Rocks, and Millionairess Bernard Shaw, 2021 The four dramas in this volume are some of George Bernard Shaw's most interesting plays They stretch from 1929 to 1935 and coincide with the Great Depression the intensification of the crisis of democracy that began after the war and the rise of totalitarianism all of which find expression in these plays They also signal the beginning of an important new phase in Shaw's writing one marked especially by the development of two new Shaw genres the political extravaganza and the political allegory The Apple Cart 1929 marked Shaw's return to playwriting after the long hiatus that followed Saint Joan 1923 The Apple Cart is perhaps the most pointed critique of parliamentary democracy in the entire Shawian canon Too True to Be Good 1931 is another political extravaganza with the opening stage direction The patient is sleeping heavily Near her in the easy chair sits a Monster signaling that Shaw is advancing further into uncharted dramaturgical territory He began writing shortly before his trip to the Soviet Union and finished the play and wrote the preface after his return In the preface Shaw asserts that the USSR is a new Catholic church The dark mood continues in Shaw's next play On the Rocks 1933 which Shaw subtitled a political comedy It is reminiscent of The Apple Cart in that it is sharply focused on British politics and set in the Cabinet Room at 10 Downing Street during the economic depression of the 1930s Shaw started writing The Millionairess in 1934 and finished it in 1935 On the surface it is a simple comedy and if not for the preface we might acquiesce to Shaw's assessment that the play does not pretend to be anything more than a comedy of humorous and curious contemporary characters such as Ben Jonson might write Yet the preface appended to the play is entirely about leadership and declaims at great length on Mussolini and Hitler
