Grey Parrot and Other Stories W.W Jacobs, 2019-03-07 W W Jacobs delighted in finding unlikely humour in everyday situations and observations and these tales succeed in raising a laugh from the most mundane of scenarios In *The Grey Parrot* a sailor buys a parrot for his wife whom he suspects isn't faithful in his absence hoping that the bird will inadvertently repeat anything untoward it hears Unfortunately for him the parrot exceeds his expectations and it's not only his wife who is left blushing This volume contains a careful selection of the very best stories from Jacobs's 150 strong repertory and includes well known standalone pieces such as *The Monkey's Paw* as well as accounts of raucous dockside dalliances and tightly woven tales of poacher Bob Petty's crimes against the unlikely cast of an Essex village Showcasing a unique assortment of stories spanning his writing career this edition hopes to shine a light on a hugely talented writer who inspired many of the literary giants we now consider masters of the genre **I Love Dollars and Other Stories of China** Wen Zhu, 2007 In five richly imaginative novellas and a short story Zhu Wen depicts the violence chaos and dark comedy of China in the post Mao era A frank reflection of the seamier side of his nation's increasingly capitalist society Zhu Wen's fiction offers an audaciously plainspoken account of the often hedonistic individualism that is feverishly taking root Set against the mundane landscapes of contemporary China a worn Yangtze River vessel cheap diners a failing factory a for profit hospital operating by dated socialist norms Zhu Wen's stories zoom in on the often tragicomic minutiae of everyday life in this fast changing country With subjects ranging from provincial mafiosi to nightmarish families and oppressed factory workers his claustrophobic narratives depict a spiritually bankrupt society periodically rocked by spasms of uncontrolled violence For example *I Love Dollars* a story about casual sex in a provincial city whose caustic portrayal of numb disillusionment and cynicism caused an immediate

sensation in the Chinese literary establishment when it was first published The novella's loose colloquial voice and sharp focus on the indignity and iniquity of a society trapped between communism and capitalism showcase Zhu Wen's exceptional ability to make literary sense of the bizarre ideologically confused amalgam that is contemporary China Julia Lovell's fluent translation deftly reproduces Zhu Wen's wry sense of humor and powerful command of detail and atmosphere The first book length publication of Zhu Wen's fiction in English I Love Dollars and Other Stories of China offers readers access to a trailblazing author and marks a major contribution to Chinese literature in English *The Brown Portmanteau, and Other Stories* Curtis Yorke,1889 **Ulysses, Dante, and Other Stories** Elena Lombardi,2023-10-31 *Ulysses Dante and Other Stories* presents a unique form of creative scholarship It employs Dante's late medieval take on Ulysses and his tragic pursuit of virtue and knowledge as a prism that refracts an ancient myth of journey and return into a modern story of discovery and nostalgia Working notes fragments from Ulysses many stories personal memories illuminations and rewritings combine to form a new chain of narratives about the desire to create the art of travelling and the will of self reinvention *Free and Other Stories* Theodore Dreiser,2021-11-09 In *Free and Other Stories* Theodore Dreiser showcases his masterful ability to weave complex human emotions with the stark realities of American life in the early 20th century This collection of short stories delves into themes of freedom ambition and the often harsh consequences of personal choices reflecting Dreiser's naturalistic style His unflinching portrayal of characters grappling with societal constraints immerses the reader in a world where the struggle for self fulfillment often clashes with the inexorable forces of fate and circumstance Each narrative is meticulously crafted rich with vivid imagery and psychological depth situating them within the broader canon of American literature that seeks to expose social injustices and individual dilemmas Theodore Dreiser an eminent figure in American realism drew extensively from his own tumultuous experiences and observations of life in urban America His background marked by financial struggles and a relentless pursuit of success profoundly influenced his writing Dreiser's commitment to exploring the intricacies of human nature and societal norms is evident in this collection reflecting his belief that individual freedom is often constrained by external realities I highly recommend *Free and Other Stories* not only for its intricate storytelling and exploration of the human condition but also for its rich historical context Readers interested in the interplay of ambition morality and societal pressures will find Dreiser's acute observations remarkably resonant This collection serves as both a literary gem and a potent commentary on the enduring quest for authenticity in an imperfect world In this enriched edition we have carefully created added value for your reading experience A comprehensive Introduction outlines these selected works unifying features themes or stylistic evolutions The Author Biography highlights personal milestones and literary influences that shape the entire body of writing A Historical Context section situates the works in their broader era social currents cultural trends and key events that underpin their creation A concise Synopsis Selection offers an accessible overview of the included texts helping readers navigate plotlines and main ideas without revealing critical twists A unified
