Old Stoneface - My Autobiography John Lowe, 2009-06-08 John Lowe is one of Britain's greatest ever darts champions. In a career spanning three decades, John and his fellow players have transformed the traditional pub game of darts into a successful professional sport with legions of fans and big money prizes. Even in the face of the greatest challenges, Old Stoneface as John is known, became an indomitable force in the darts world. With every major darts accolade under his belt, his name has gone down in the history of the game. This is his revealing autobiography. Filled with tales from all of the major matches and tournaments, his thoughts on his big name opponents, and an insight into the life and thoughts behind the stoneface, this book is a must read for all sports fans.

**Grailblazers** Tom Holt, 2012-09-04 Fifteen hundred years have passed and the Holy Grail is still missing, presumed ineffable. The knights have dumped the quest and now deliver pizzas while the sinister financial services of the lost kingdom of Atlantis threaten the universe with fiscal Armageddon.

*The Man Who Loved Levittown* W. D. Wetherell, 1985-10-15 This book is characterized by narrative vitality and emotional range. In Wetherell's stories, a suburban retiree's assumptions about the ethos of Long Island life are challenged and dismissed by a younger generation. A young English woman achieves miracles by dancing with wounded soldiers during World War II; a tennis mad bachelor plays an interior game as real to him as an actual match; and a black drifter converts an Asian couple to his bleak vision of American life and finds strange kinship with them.

**Advances and Retreats** Michelle McCraw, 2025-10-17 Corporate life can be a jungle. Pro tip: Don't let human resources hear you bickering with your co-CEO. That's how you end up stuck with your nemesis on a corporate retreat in the Costa Rican jungle. It's hardly fair that Bridget, a twenty-year veteran of the company, is stuck sharing the job she deserves with hot shot Cole, a newcomer who's also nine years her junior. Or that he looks so sexy in a rain-soaked T-shirt. Or that his voice gets all growly when he's trying to boss her around. The retreat will determine who wins the CEO job, so Bridget can't let Cole beat her. Still, when they find themselves teaming up on hikes and in kayaks, the steam doesn't stay in the hot springs. An affair between co-CEOs is off-limits, so when they return to the office, they must choose between their newfound relationship and their hearts' desire: the job they both desperately want.

Swoon for this spicy age-gap, she's older single dad rivals-to-lovers workplace romantic comedy, perfect for fans of *The Hating Game* and *The Lost City*.
