Shelf Life Literary Essays And Reviews:

Shelf Life William H. Pritchard, 2003 Indeed study may be the wrong word for it as the poet Philip Larkin made forcefully evident when he once snapped at an interviewer Oh for Christ s sake one doesn t study poets You read them and think that s marvelous how is it done could I do it **BOOK JACKET** **James Merrill** Langdon Hammer, 2015-04-14 Langdon Hammer has given us the first biography of the poet James Merrill 1926-95 whose life is surely one of the most fascinating in American literature Merrill was born to high privilege and high expectations as the son of Charles Merrill the charismatic cofounder of the brokerage firm Merrill Lynch and Hellen Ingram a muse ally and antagonist throughout her son s life Wounded by his parents bitter divorce he was the child of a broken home looking for repair in poetry and love This is the story of a young man escaping yet also reenacting the energies and obsessions of those powerful parents It is the story of a gay man inventing his identity against the grain of American society during the eras of the closet gay liberation and AIDS Above all it is the story of a brilliantly gifted fiercely dedicated poet working every day to turn his life into art After college at Amherst and a period of adventure in Europe Merrill returned to the New York art world of the 1950s he was friendly with W H Auden Maya Deren Truman Capote Larry Rivers Elizabeth Bishop and other midcentury luminaries and began publishing poems plays and novels In 1953 he fell in love with an aspiring writer David Jackson They explored boys and bars as they made their life together in Connecticut and later in Greece and Key West At the same time improbably they carried on a forty year conversation with spirits of the Other World by means of a Ouija board The board became a source of poetic inspiration for Merrill culminating in his prizewinning uncanny one of a kind work *The Changing Light at Sandover* In his virtuosic poetry and in the candid letters and diaries that enrich every page of this deliciously readable life Merrill created a prismatic art of multiple perspectives and comic self knowledge expressing hope for a world threatened by nuclear war and environmental catastrophe Holding this life and art together in a complex evolving whole Hammer illuminates Merrill s chronicles of love loss and the poignant personal journey they record **The Language and Style of Film Criticism** Andrew Klevan, Alex Clayton, 2011-04-26 *The Language and Style of Film Criticism* brings together original essays from an international range of academics and film critics highlighting the achievements complexities and potential of film criticism In recent years in contrast to the theoretical historical and cultural study of film film criticism has been relatively marginalised especially within the academy This book highlights the distinctiveness of film criticism and addresses ways in which it can take a more central place within the academy and develop in dynamic ways outside it *The Language and Style of Film Criticism* is essential reading for academics teachers students and journalists who wish to understand and appreciate the language and style of film criticism **Mixed Metaphors** Karen Sullivan, 2018-11-29 Critics shudder at mixed metaphors like that wet blanket is a loose cannon but admire Life s but a walking shadow a poor player and all the metaphors packed into Macbeth s Tomorrow and tomorrow and tomorrow speech How is it that metaphors are sometimes mixed so badly and other times put

together so well In *Mixed Metaphors Their Use and Abuse* Karen Sullivan employs findings from linguistics and cognitive science to explore how metaphors are combined and why they sometimes mix Once we understand the ways that metaphoric ideas are put together we can appreciate why metaphor combinations have such a wide range of effects *Mixed Metaphors Their Use and Abuse* includes analyses of over a hundred metaphors from politicians sportspeople writers and other public figures and identifies the characteristics that make these metaphors annoying amusing or astounding

The Selected Letters of Anthony Hecht Anthony Hecht, 2013-01-01 Spanning seven decades these often intimate brilliantly astute letters by the eminent poet Anthony Hecht reflect a body of work that influenced the history of twentieth century American poetry Pulitzer Prize winning poet Anthony Hecht 1923 2004 was known not only for his masterful control of form and language but also for his wit and humor With the help of Helen Hecht the poet's widow Jonathan F S Post combed through more than 4 000 letters to produce an intimate look into the poet's mind and art across a lifetime The letters range from Hecht's early days at summer camp to college at Bard to the front lines of World War II to travels abroad in France and Italy to marriage and to fame as a poet and critic Along the way Hecht corresponded with well known poets such as John Hollander James Merrill Anne Sexton and Richard Wilbur Those interested in the lives of contemporary poets will read these highly personal letters with delight and surprise

Justice as Attunement Richard Dawson, 2013-08-09 The meaning of an expression resides not in the expression itself but in the experience of a person's engagement with it Meaning will be different not only to different people but also to the same person at different times This book offers a way of attending to these different meanings This way or method is a version of a trans cultural activity that Richard Dawson calls attunement The activity of attunement involves a movement of self adjustment to a language which a person transforms in her or his use of it Consciously performing the activity can enable understanding of the processes by which we constitute ourselves and others when we use a language This directly connects to the topic justice which is concerned with constituting appropriate selves and relations *Justice as Attunement* engages with a wide range of texts legal literary economic philosophical among others and illuminates many useful and fascinating connections between them There is a sense in which this book transcends disciplinary boundaries for in addition to students and scholars of law literature economics and philosophy it is written to a general reader who is interested in reflecting on and doing justice to their experiences in life
