Globalizing Boxing Kath Woodward, 2014-02-13 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com Boxing is a traditional sport in many ways characterized by continuities in the form of practices and regulations and heavy with legends and heroes reflecting its traditional historical values Associations with class hegemonic masculinity and racialized inclusions exclusions however sit alongside developments such as women's boxing and involvement in Mixed Martial Arts This book will be the first to use boxing as a vehicle for exploring social cultural and political change in a global context It will consider to what degree and in what ways boxing reflects social transformations and whether and how it contributes to those transformations In exploring the relationship it will provide new ways of thinking critically about the everyday

Women in Work in Mid-Life Belinda Steffan, 2024-09-04 Drawing on a unique dataset of real women and their experiences of engaging

in paid and unpaid work Women in Work in Mid Life explores the specific challenges that women in the UK workforce face including women's health pay inequality gender bias and the struggle to balance work and family life From pay inequality and gender bias to the struggle to balance work and family life the experience of women in the UK workforce is complex and multifaceted We live in an economic climate where the population and workforce is ageing and the over 50s are encouraged by governments to engage more fully in paid work However the path to achieve this is unclear Through interviews with women in work as well as an examination of policies and initiatives that can help support women's career development and encourage workplace retention it points to a future for this demographic in employment Women in Work in Mid Life is an invaluable resource for professionals and policy makers seeking to promote gender equality and create a more inclusive workplace culture in the UK as well as undergraduate and graduate students in psychology and the social sciences

Grandparent's Survival Guide to Child Care Elisabeth Paice, Sheila Marlin, 2013-01-01 How much childcare can I realistically take on at my age How will I fill the day if the child is bored Can I cope with two children at a time What about all these new theories I hear about how can I get up to date What equipment will I need to buy and who should pay for it A Grandparent's Survival Guide to Childcare provides the answers to these and many more questions Written by a doctor and a Montessori teacher both with extensive experience as grandparents themselves this down to earth guide provides vital information on deciding what you will offer in the way of childcare how to sort out who will do what and pay for what how to structure a day of childcare how to ensure that their days with you are as full of fun and learning as the rest of your grandchild's week and what to do to prevent accidents and deal with emergencies should they arise This book will ensure that you develop that very special relationship with the grandchildren you care for and have fun doing it Gcse Ict for Aqa K. Mary Reid, 2004-09 Emphasis in this book is placed on developing pupils ability to build and apply ICT skills in a range of contexts An extended chapter on coursework gives detailed step by step guidance on what pupils need to do to gain maximum marks for their projects Practice exam questions at the end of each chapter help pupils develop confidence The New Teacher's Survival Guide to Behaviour Sue Roffey, 2004-09-27 Do you dread Mondays Ever wondered how you're going to face that class This book is designed to help the new teacher establish and maintain positive relationships with all students
