Bentley, 2023-02-19 Life in the Smoky Mountains moves at a slower pace For the Bedfords and their friends life is full of ups and downs especially when it comes to their family and matters of the heart From This Moment Independent and outspoken Grace Burgess is everything her conservative parents think she shouldn't be To their way of thinking she should be settling down not dreaming of adventure But Grace wants to visit new places and see new things without having to worry about her parents or being tied down to a man Then she meets Ray Ray Bedford isn't looking to meet the one He's perfectly content to continue his bachelor ways and to work his job as a firefighter with the Gatlinburg Fire Department But when he meets Grace he's more than willing to reconsider his single guy status There's no doubt that there's a spark between Grace and Ray And though Grace feels it she's determined to live her life on her terms even if means pushing the charming firefighter away Her resolve is tested when Ray is involved in a near fatal accident on the job Facing the thought of losing him Grace is forced to confront her feelings and decide which she wants more her independence or the man she loves Take Me Home Charlotte Bedford left her sleepy little hometown in the foothills of the Smoky Mountains to make a name for herself as a fashion

photographer in the Big Apple She craved success and independence but most of all she wanted to be in a place where she wasn't known as the Bedford girl or Landon Montgomery's girlfriend But her life in New York begins to take its toll and she finds herself longing to return to her southern roots in Gatlinburg Tennessee What she doesn't know is the one man she ever really loved had never left Landon Montgomery was a southern boy born and raised And as much as he'd loved Charlotte he'd had no desire to follow her to the big city instead he'd stayed behind to help run his family's business When Charlotte returns home he knows they have to reconcile their past if they are to have a future The aftermath of a family emergency makes them realize they were meant to be together but is it already too late

When Amy's sisters along with the Bedfords notice the sparks between Seth and ReeAnne they count on some Christmas magic and a little scheming to help the pair meet under the mistletoe

Live Stock Journal ,1897 *The Lane Light* Candee MacQueen,2020-12-23 The blanketed Wyoming sky was getting more threatening as each minute went by Old timers called it a mean snow sky It was a thick smooth low cover of clouds in scary shades of gray Colors that made your heart beat a little faster The forecasters said this was a bad one It was Christmas Eve day The story that was to be played out would begin early in the day with the players being put in place one by one Some were friends and others were complete strangers each assigned their own special reason to be there and each important in His eyes Eventually the one in charge would say action enabling the night to play out as He had intended for His reasons That is if everyone played their parts correctly The old barn was ready The heat coming from the wood stove would keep all warm The old weathered oak planks used for the walls would manage to stay standing and keep the cold out but it would take the faith of each player new faith and old faith to reach the

outcome He intended By noon the entrance to the Kahler Ranch had taken on a dreaded lonely appearance as did the main road that ran out front Snow was building up on the crossbar making it hard to read the name of the ranch The trees that Chico had tied up along the fence were taking a beating their limbs sagging from the weight of the snow Steph s red bows struggled to stay in place The only traffic out on the road would be very early on a few cars and trucks attempting to make that last desperate trip to town each one praying that the storm would hold off allowing them the needed time to get safely home People knew time was running out By late afternoon there would be no travelers on the roads Only five special people would find themselves out in the storm and they would share the same destiny to find the Lane Light
